RRRing!, in your mind, you've just plopped down to dreamland, but actually its already seven in the morning of the first day of school. With great effort you drag yourself out of bed, yawning. After stumbling into the shower you reach for the eye opener and lather up. After spending 20 minutes deciding what to wear you grab your hair dryer and get blown away. Rushing to the kitchen you scarf down some cornflakes. Still swal-

lowing you rush to the bathroom and thrust some toothpaste in your mouth. After a while of coaxing you sucker mom into the use of the car. Screeching into the parking lot you search for a parking place. The passing bell rings so you casually walk through the halls. Seeing some friends you stop and chat and then the tardy bell rings. You race for class and walk in quietly. You lay your head down- the rest is history.

ENDLESS MOMENTS

Golden Eagle-a name that should mean memories. Memories of moments that happened in our high school lives. Those memories that we will always want to remember. All the times we shared with our friends and teachers, good and bad. Remembering homecoming week when everyone was dressed in military uniforms, or

or when you walked into Economics and you forgot about the big exam. We, the Golden Eagle staff, would like you to be able to remember that. This is why we have chosen **ENDLESS MOMENTS** as our theme. We have tried to capture as many moments as we could of your 1984 school year at El Segundo High School.

1. Celeste Searle looks disturbed about her new classes. 2. Doug Stork, Rob Lait and Rainier Garr have fun socializing at the football game. 3. Charlie Miller is already sleeping on the second day of school! 4. The student body gets ready for the first assembly of the year. 5. Mike Gregory and Jeff Clark talk with Mrs. Romano while buying their ASB cards. 6. Ronnie Bonilla, already paying no attention in class? 7. Sean Clark enjoys his Spanish class but he loves to finish work early. 8. Rich Moe thinks he has to guzzle down his milk because lunch is so short. 9. Tyler Good

dresses up for Halloween. 10. The V football team watches the rally before their game. 11. Bruce Hunt tries to finish a drawing assignment in drafting. 12. Kevin Efflandt and Michelle Adlesh try to figure out a layout for the Annual. 13. Gene Long pays more attention to Darren Duvall than his teachers. 14. Angie Wise types away during a free period. 15. Don Woodcock and Brian Williams watch the rally. 16. Lynnea Hawse fixes her makeup during class before she sees her special someone.

SANDI BEHRMAN

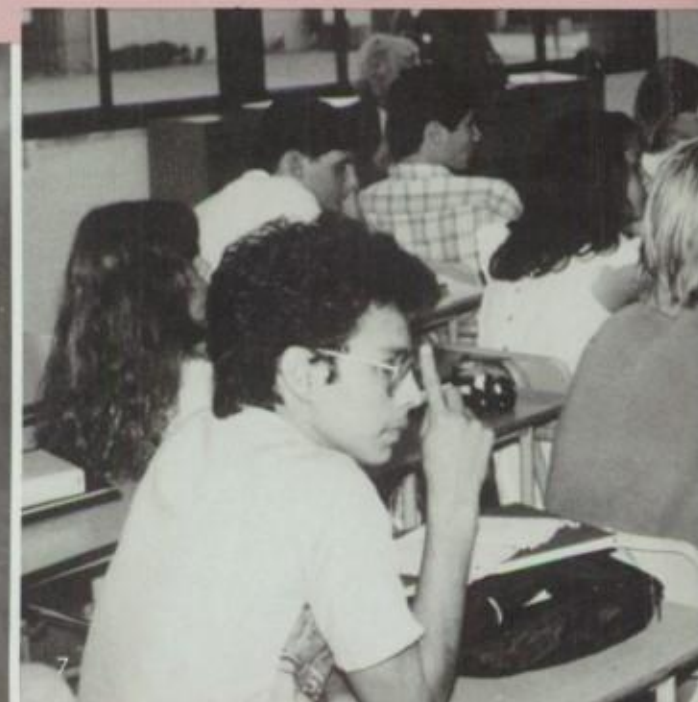

Sandi Behrman was born in Rockford, Il. When she was young she moved and attended school in Hollywood, CA. After High School she attended Los Angeles City College and then she transferred to UCLA, where she got her Bachelors degree in science and her physical education teaching credentials. Before coming to El Segundo, she taught at Alhambra, Fullerton, Garden Grove, and Mira Costa. In September of 59, she came to ESHS. Sandi taught all types of P.E. including Modern Dance, Drill Team, Pep Club, Volleyball, Soft-

ball, and a few others, but Volleyball was always her favorite. She spent a lot of hours working with the Drill Team. Sandi Behrman loves dogs and young people, and just like teenagers she loves to chat on the phone.

She now lives in Manhattan Beach but she spends most of her free time at her house in Springville, Ca. Sandi Behrman is a great teacher and a friend to us all. The 1984, Golden Eagle Staff is proud to dedicate this book to Sandi Behrman in appreciation for all her years of service.

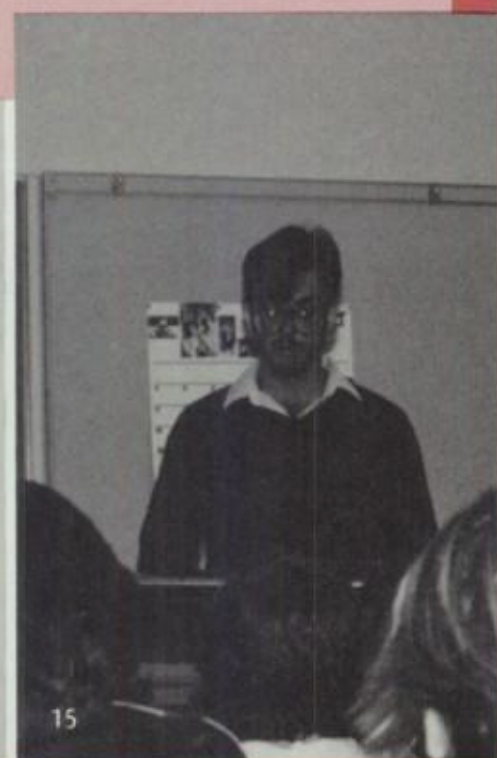

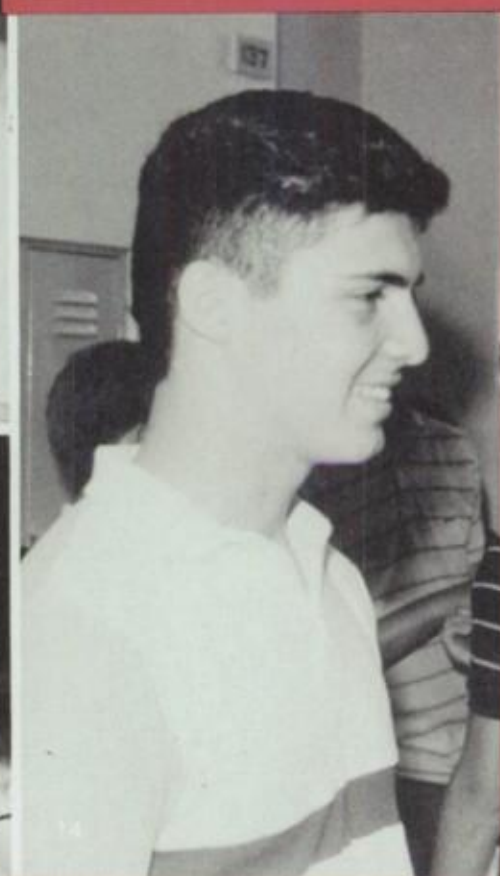

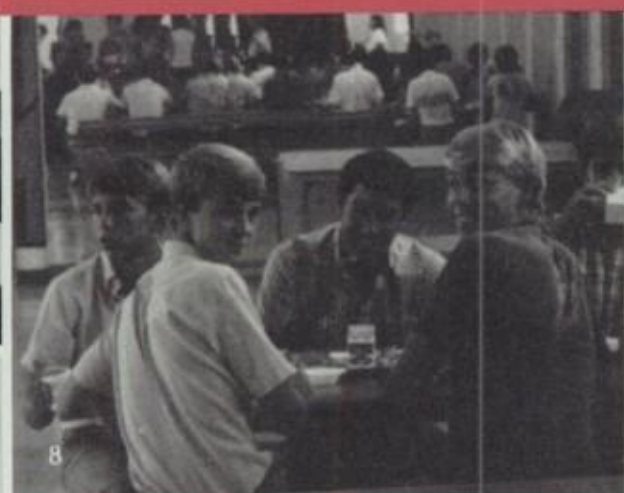

Far left: Sandi Behrman explains to Tyler Good what he has to do to get an A in P.E. Top left: Sandi Behrman begins to demonstrate how to serve the volleyball. Bottom left: Just like teenagers, Sandi loves to chat on the telephone. Top middle right: Sandi Behrman daydreams about her next trip to her house in Springville, CA. Bottom middle right: Sandi Behrman enjoys her work, and she shows it with a smile. Top right: Sandi shows her serious side. Bottom right: Sandi shows her love for Volleyball.

In the 1984 school year, we had many changes. We started the year off with a new schedule which left many of us confused. There were no eighth graders, which made the halls a lot easier to get through. We had a few new teachers, and Bill Watkins joined Martin Ableser as a co-Vice Principal. Bob Kingston left our staff to become Principal at the middle school.

These changes were brought about to help us reach success, so that we can reach our goals of the future. It is the El Segundo High staff that will make our success possible. Without them we could never do it. They kept us going whether we wanted to or not. They cared for us, and in time we will thank them for all their help and support.

1. Nancy Jenkins is already dreaming about her graduation day. 2. John Schuller can't seem to find his new class. 3. Nikki Stevens doesn't seem to be too enthused about the first rally. 4. Mary McNeil enjoys socializing at an El Segundo party. 5. Gene Long and Neil Hall pay close attention in Mrs. Pettys class. 6. Rhonda Hanten seems to enjoy school. 7. Neil Hall just couldn't stay awake during an oral report. 8. Mitchell Harris and Doug West glance at a few girls in the cafeteria during lunch. 9. Chris Talley pays close attention in the assembly while Alan Rigg gives his attention to someone

else. 10. John Cruikshank thinks his math class is number 1! 11. Tracy Sumrow enjoys going to the football games. 12. Joe Adams seems intrigued with the first assembly of the year. 13. Bruce Brown seems really happy to be back at school. 14. Bill Simmons enjoys passing periods much more than class! 15. Charles Kelm, better known as Klem, does his first oral report of the year.

It seems like only yesterday that we left school for the summer. We all had a few summer goals we wanted to meet. But in mid August, we all received letters in the mail saying when we had to schedule. This is when we first realized that we only had a couple weeks left to reach our goals. So we set aside our summer goals and made new goals for the school year. It is almost an endless struggle to reach our goals but in time we will

reach them.

But we will always want to remember where our goals were set, at ESHS! School life on ESHS campus starts too early for most. Nevertheless, we make it to school. Here is where we meet the people who help us when help is needed. Here is where we meet our life-long friends. Here is where we make the Endless big Moments we will always treasure.

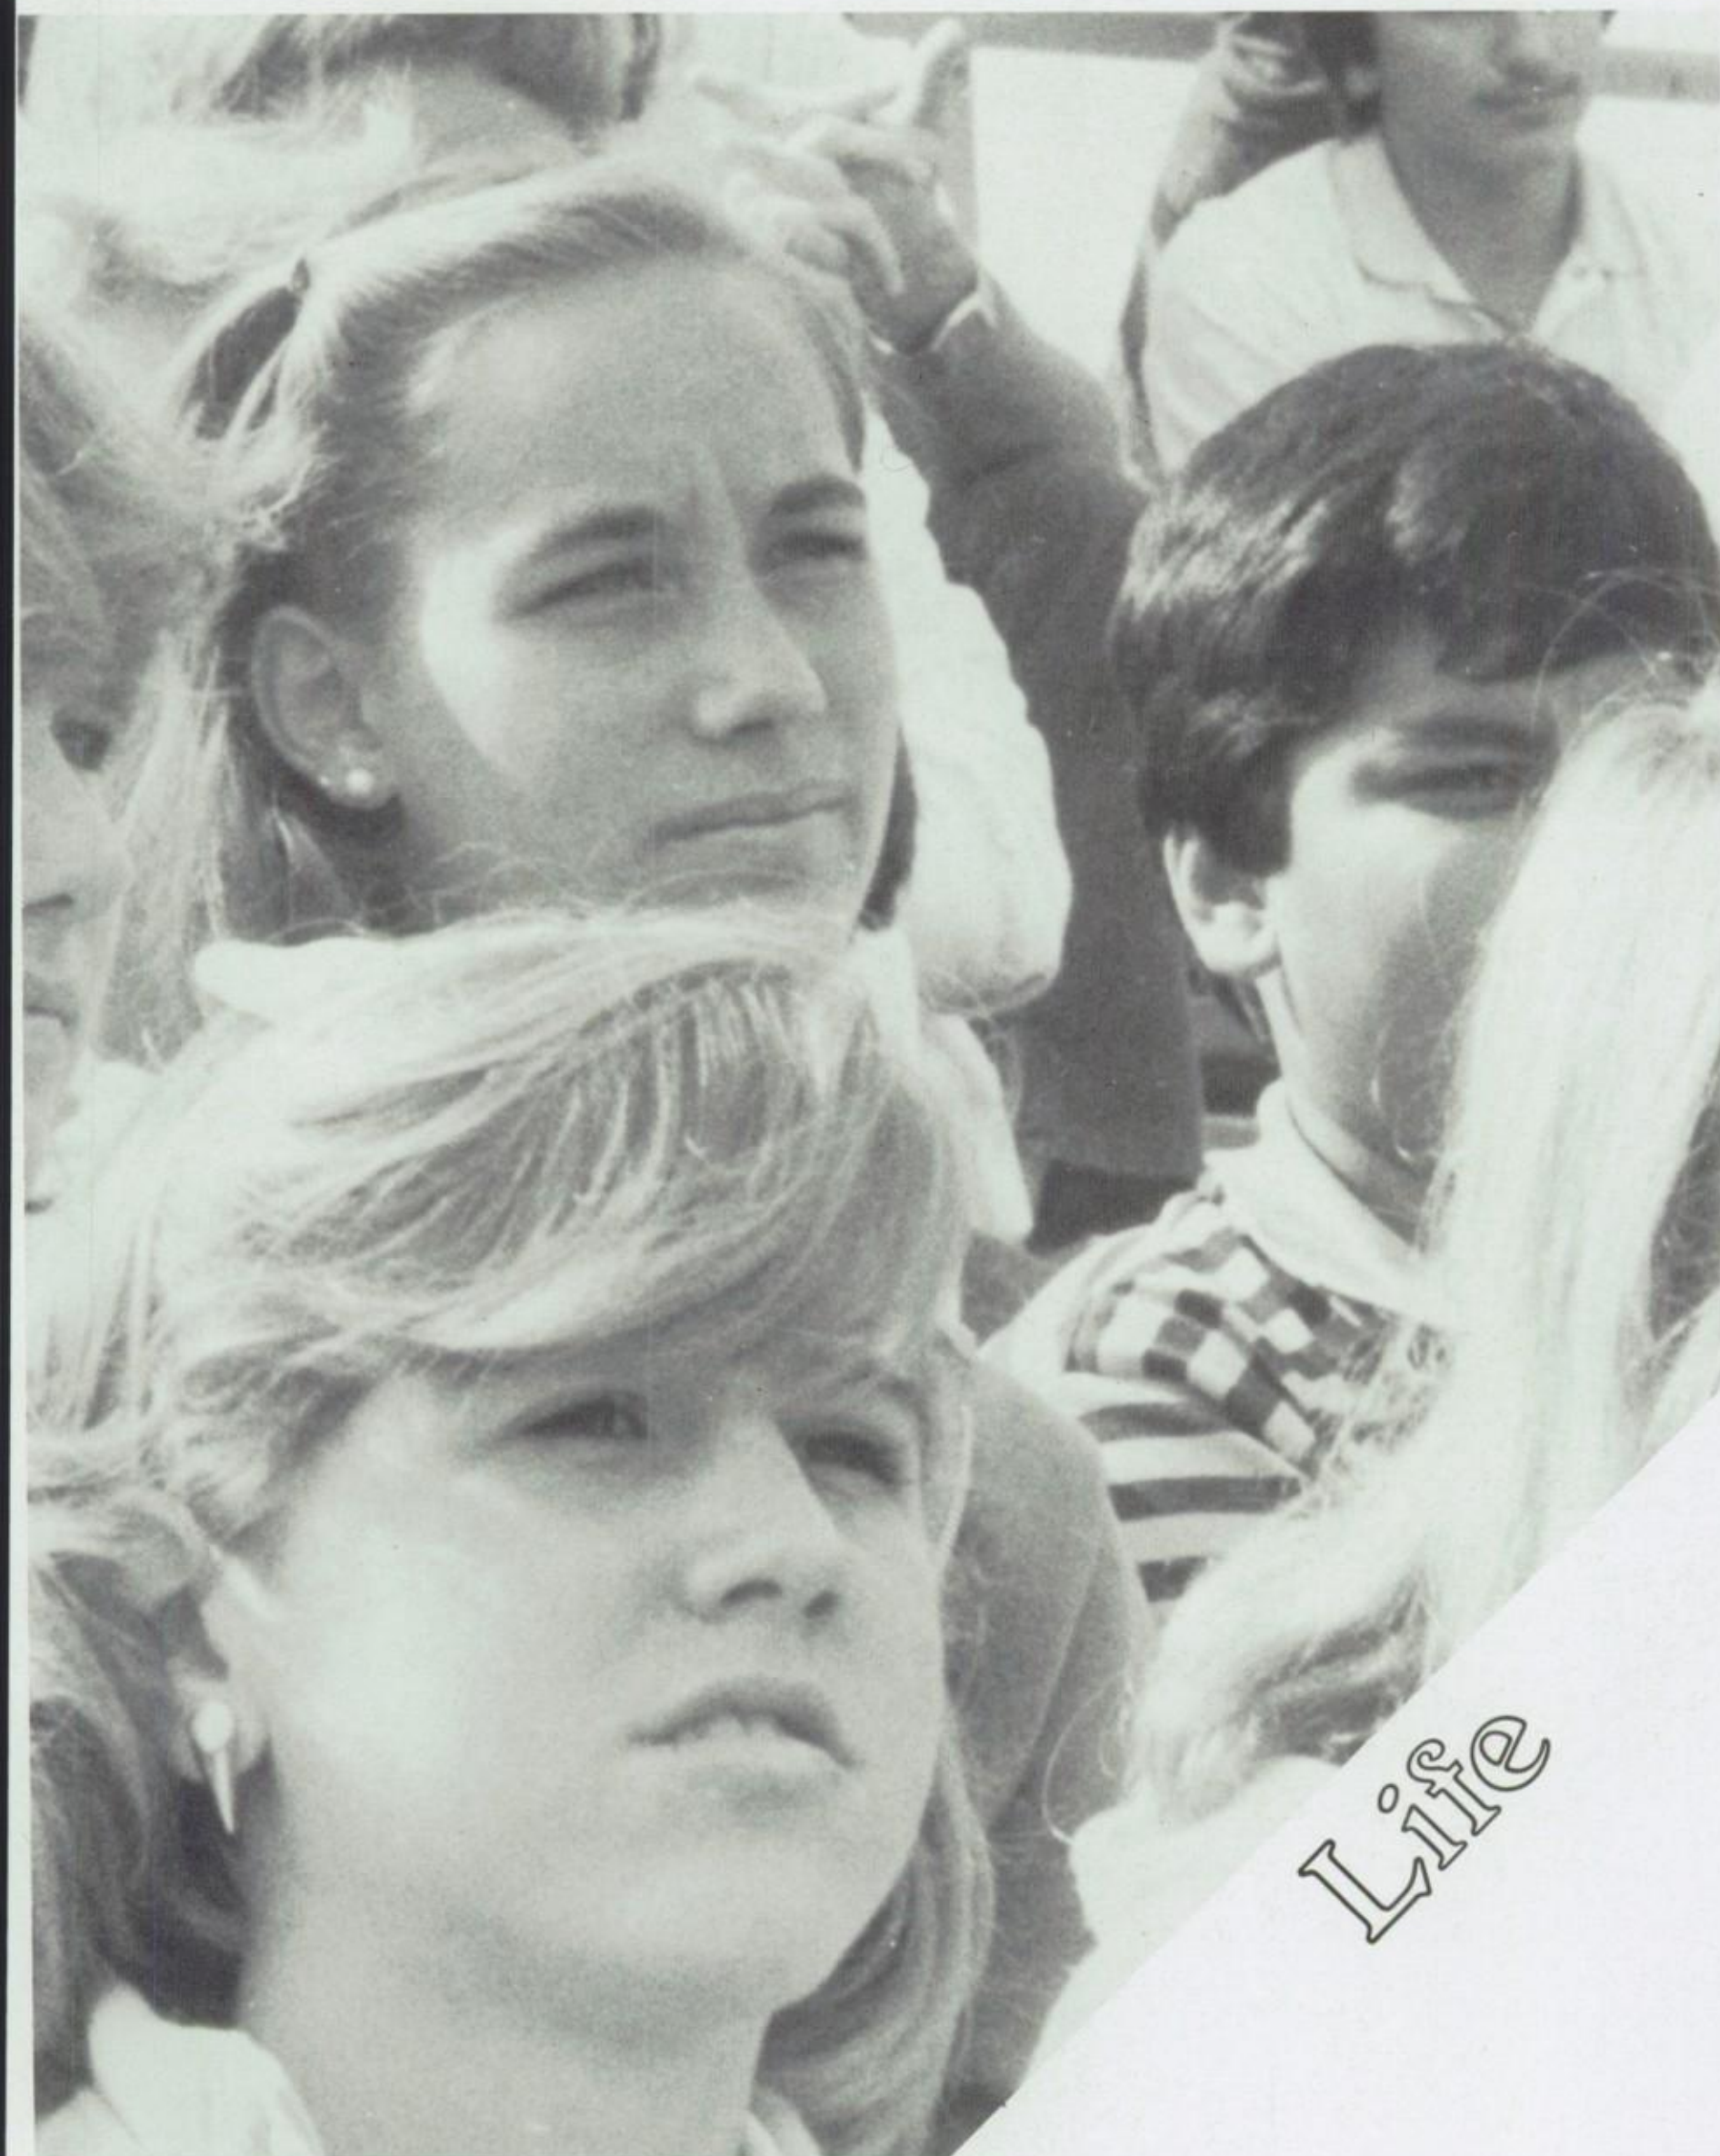

Top left to right: Freshman Holly Crystal socializes at snack. Lynnea Hawse chews gum to calm her nerves before her volleyball game. JV cheerleader, Robin Theiss watches the volleyball game intensely. Deanna LaMere doesn't like to be in front of the camera. Michelle Oliver gives Donna Carpenter a ride around the quad. Anders Johnson waits his turn to pay for his meal in the cafeteria. Bill Watkins explains to Mr. Sochor about the locker that was set on fire. Danielle Schofield saw something she didn't like. Heather Sion is a bit perturbed with her new schedule. Coach Garner is very serious when it

comes to football. Bottom left to right: Jim Hudson is very happy, as they won their first game. Mike Gregory, Kemer Brett and Jeff Clark are a few of the unusual dressers on campus. Danny Earnest and Alan DeWolf are two of the few punkers left at ESHS. Deanna Silva wears one of the new hair styles seen on campus. Kim Scott cheers on the V. football team. A group of juniors on the Coronation committees gather before the assembly.

Student

Life

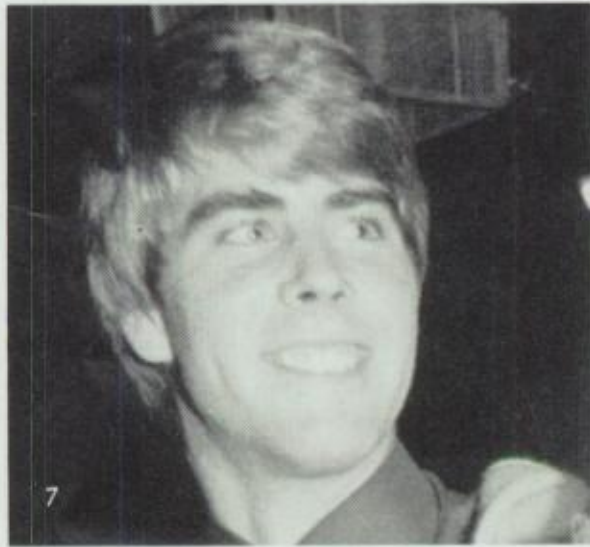

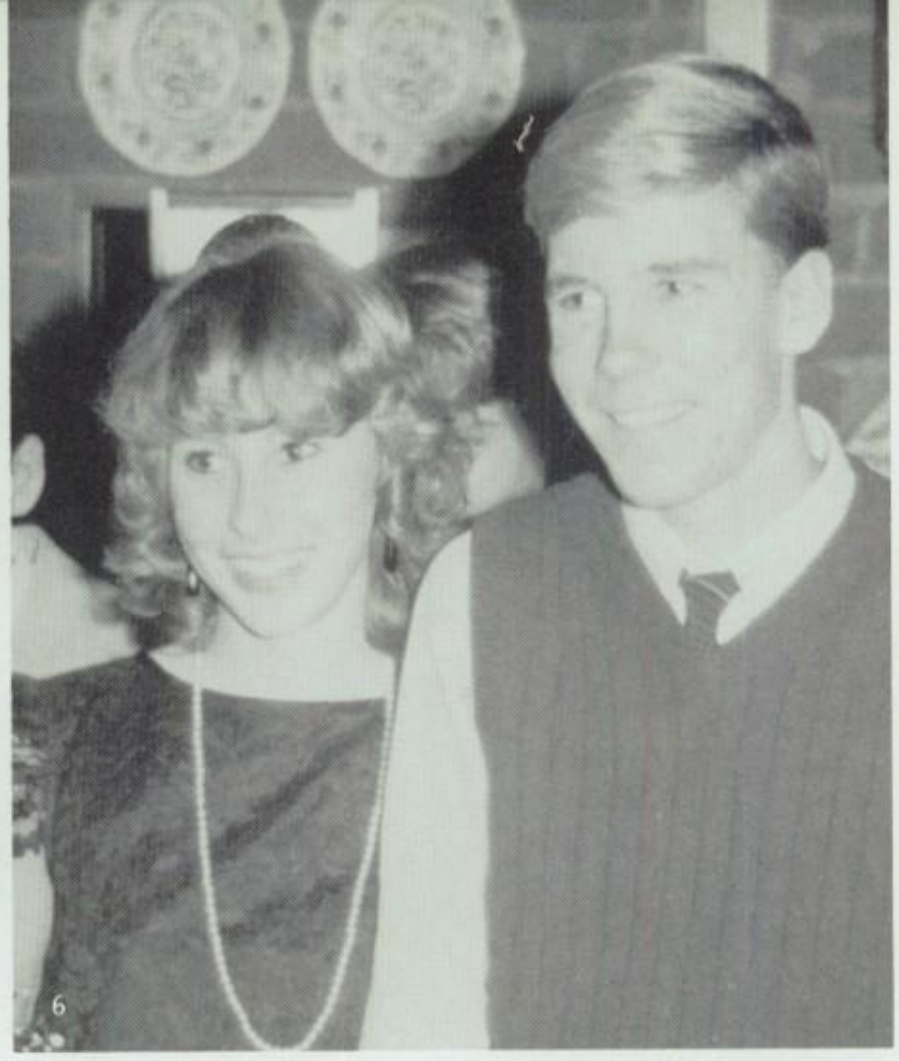

MUST BE LOVE

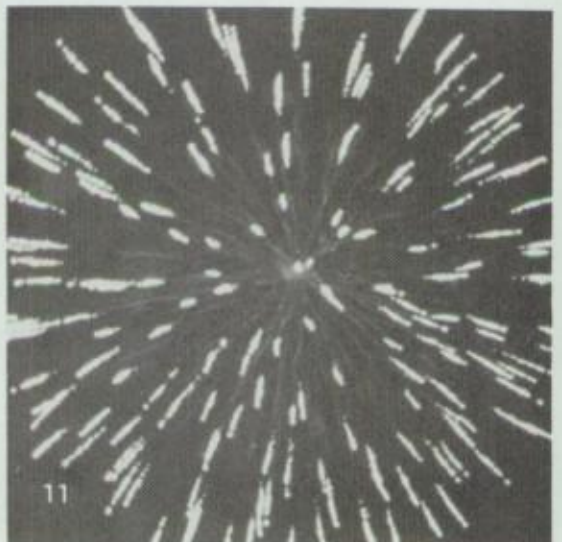

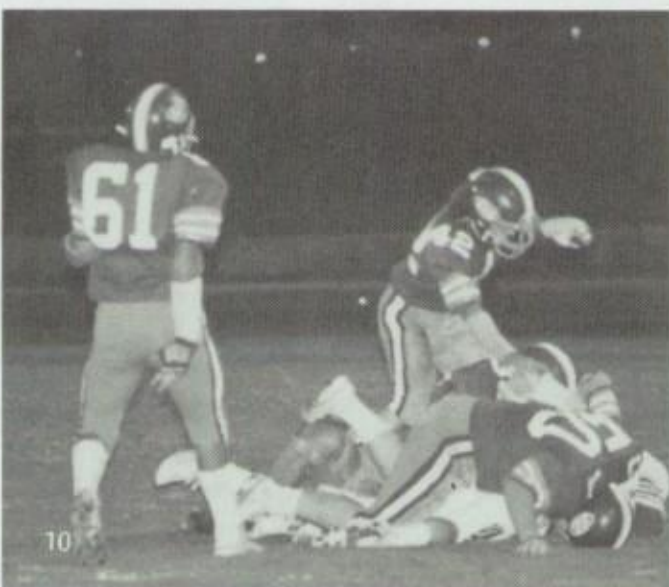

The 1983 Coronation was held at a Barnaby's Hotel in Manhattan Beach on November fifth. The theme was "It Must Be Love", by Madness. April from K-ROQ was the DJ and she brought much excitement to the evening. At exactly 11:30 PM the Royal Court was announced, beginning with Freshman Prince and Princess **Jeff Booth** and **Sonja Boettger**, and Sophomore Prince and Princess **Doug Somers** and **Denae Williams**. Junior Prince and Princess were **Bill Suttner** and **Heidi Phillips**, and Senior Prince and Princess were **Eric Watkins** and **Denise Whitford**; and then the Senior King and Queen were announced: The happy couple were **Ty Kern** and **Michelle Oliver**.

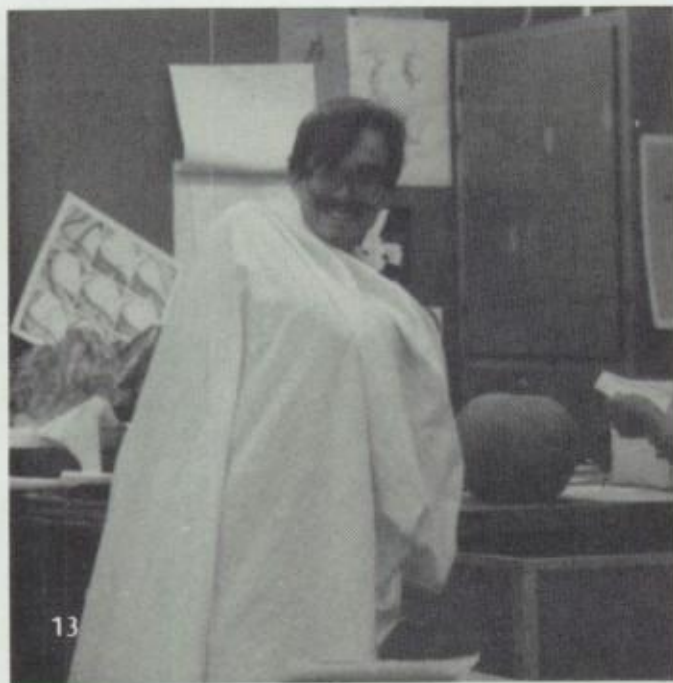

Free refreshments such as coke and mints were served throughout the night. At the end of the evening each girl received a glass filled with candy, and each boy received garters as mementos of that special evening. The 1983 Coronation was sponsored by the Junior Class and was considered a great success.

1. Gene Long, Stacy Barlow, Bruce Brown, Danny Douglas, Amy Green, David Smith, Stacy Mettam and Cathy Wyatt gather together to ham it up at the Coronation. 2. "A break between dances is great," says Lisa Moores. 3. Matt Hamilton and Alex Silva take time out for a hug. 4. April from K-ROQ, sings the night away. 5. Queen Michelle Oliver and King Ty Kern pose for their special moment. 6. Denise Whitford and Eric Watkins were two happy seniors. 7. "Too good to be true," says Tyler Good. 8. Julie Keller stops to think about the theme, "It Must Be Love." 9. Phil Lavalie kicks back and enjoys his evening at the bar. 10. Jackie Siegert knows how to have a good time. 11. A special moment for Sonja Boettger and Jeff Booth as they were announced Freshmen Prince and Princess.

HOMEcoming A TIME TO SHOW YOUR SPIRIT

From the 7th to the 10th of November El Segundo's student body had a chance to show their spirit. The student government set up days where students dressed in t-shirts, sunglasses, blue and gold colors and the favorite, togas.

Homecoming week was also a time for each of the classes and clubs to pull together and do their best work on their floats. The floats were then judged at the half-time show during the homecoming football game. The junior class took first place with their float of "Cinderella's Carriage," which followed the theme "The Land of Make Believe."

Another item which is done during Homecoming week was the voting for the King and Queen and Prince and Princess of each class. The class of '83's King and Queen were **Ty Kern and Michelle Oliver**. Michelle was quoted as saying, "Being queen will always be something very special to me because it was my senior year and I got to share this honor with Ty."

1. Ty Kern and Michelle Oliver go for a chauffeured ride during the Homecoming half-time show. 2. Ty and Michelle as the newly crowned couple. 3. The happy Queen being crowned. 4. Some seniors show their spirit during half-time. 5. Marlo Morehouse in her cowardly lion costume. 6. Dorothy and friends, left to right: Desiree Wuennenburg, Kirsten Goulde, Angie Wise, Michelle Lanphere, Kristi Twyman. 7. Some help from the Raiders cheerleaders. 8. Sophomore Prince Doug Somers and Princess Denise Williams take their given place. 9. New Life's float, "Radiance." 10. The game's big play; 61, DeVan Alo; 42, Matt Hamilton; 50, Pat Wilkens. 11. The fireworks go off at El Segundo's Homecoming. 12. Drill Team member Lisa Senior shows her spirit. 13. Charles Kelm getting ready to wrap on the favorite toga. 14. The large outcome for the Homecoming football game. 15. The Freshmen's float of "Little Miss Muffet." 16. The royal court, left to right: Freshmen Prince Jeff Booth and Princess Sonja Boettger; Sophomore Prince Doug Somers and Princess Denise Williams; King Ty Kern and Queen Michelle Oliver; Senior Prince Eric Watkins and Princess Denise Whitford; Junior Prince Bill Suttner (not pictured) and Princess Heidi Phillips.

MAMA'S LI'L COWBOYS

Well girls, we got our turn once again. The Sadie Hawkins dance had the guys sitting home saying to themselves, "I wonder if I will get asked to the dance?"

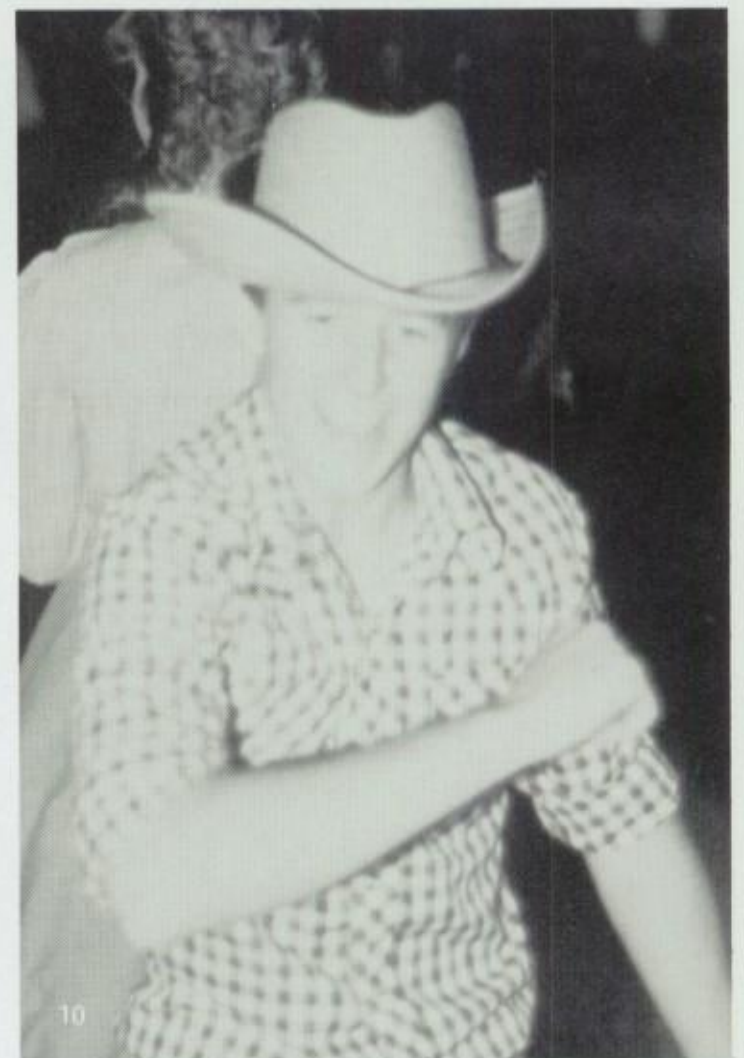

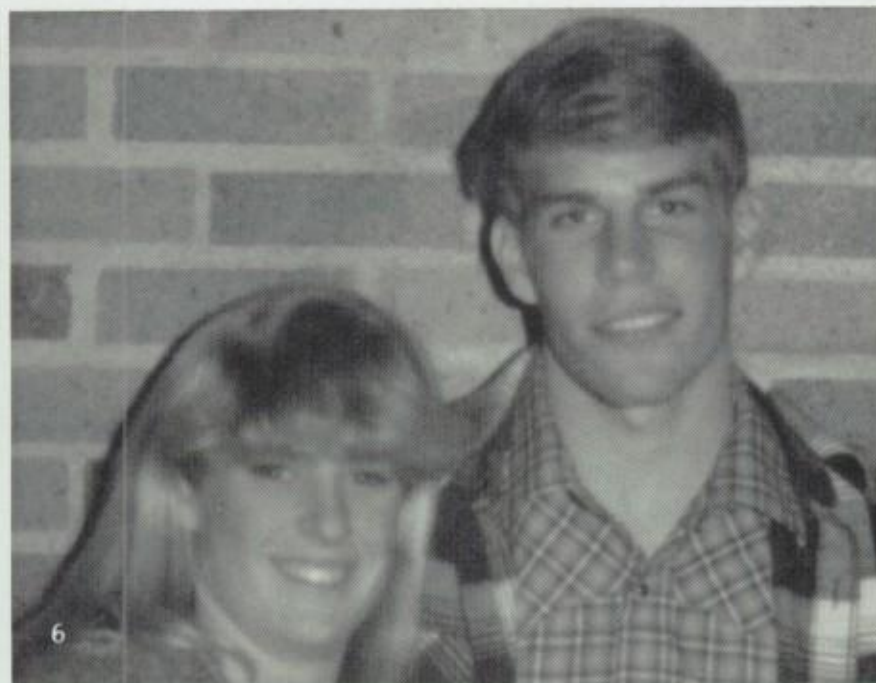

This year's dance was held on January 21 in the girls gym. The music was supplied by a disc jockey. The theme for this year's Sadie Hawkins was the hit by Willie Nelson, "Mama, don't let your babies grow up to be cowboys!"

Students dressed in their favorite Western outfits. There was a refreshment stand, and old movies were shown on the wall.

The Sadies was sponsored by Student Government, and Advisor Anthony Hawkesworth, who made the night a success.

1. **Lisa Thomas** seems to like the slow dances best. 2. **Steve Herzog** and **Kristin Mullins** laugh at the way their friends are dressed. 3. **Marlo Morehouse** waits for her date patiently. 4. **Lynn Leigh** thinks about how much fun she is having at the '84 Sadie Hawkins. 5. The Student body dances the night away at the annual Sadies. 6. **Ashley Korn** and **Doug West** seem to be having a good time. 7. **Missy Enright** yells, "hi," to her friend **Joanne Swisher**, during a dance. 8. **Michelle Oliver** and **Ty Kern** take a break from dancing. 9. **Bill Simmons** tries to imitate Tom Cruise with his cool shades! 10. **Jim Johnson** shows everyone how to BOP the Sadie Hawkins way. 11. **Maria Ravis** gives a big smile to show what a good time she is having. 12. Sweethearts **Bill Suttner** and **Dale Esparza** enjoyed the many slow dances that were played throughout the night. 13. **Bob Hubert** seems to like the 80's music better.

EFFERVESCENT PEPPERS

The Peppers this year have been actively involved in keeping spirits up on campus, as well as being involved as individuals in many student body activities. President **Denise Whitford** was assisted by Vice President **Toni Hower-ton** in supervising and coordinating rallies all year. For competition, Pep Club sold can coolers, Christmas ornaments and chocolate bars, and represented El Segundo at USC on October third, 1983. Not only did the Peppers cheer at all home football and basketball games, their job was to keep spirits high as well for volleyball, swimming, track, water polo and soccer. Junior Varsity gals, lead by **Alicia Acevedo**, were awesome at their games, often cheering the baseball team to a better score than the Varsity players earned! Senior **Cathi Wyatt** spent many hours with her Flag Squad, and they ended the year having added several cheers to their varied flag routines. Our mascots, **Pam Mortesen** and **Kim Meza**, kept the fans in the stands on their toes throughout football season by repeating the yells into the microphone.

1. "MASH" comes to ESHS, and Colonel **Toni** watches the troops. 2. **Cindy** and **Denae** thrill us with M.J.'s music. 3. Pep Clubbers doing the "MASH" stomp. 4. **Mr. Newell** introducing his team. 5. **Cindy Blahut** calling her dance troop to attention. 6. **Michelle Oliver** chants "push em back, push em back, w-a-a-a-y back!" 7. Three cheers for Pep Club - Great Rally!

SIGHTS & SOUNDS IN '84.

Fads and fashions are constantly changing at El Segundo High School and it's all one can do to keep up with them. Some people spend a small fortune trying to stay hip. Many people consider being accepted a great priority in their life and to form to the current fads and fashions. To do this one usually watches people who are "hip" and then dresses and acts similarly to them. Yet all is not vain. Without fads and fashions there would be no variance to our life here on earth; no difference from one month to the next, and life would be boring.

Along the same lines is the new kinds of music in tastes, everybody likes music. Though varied E.S.H.S. students are listening to. Though varied in tastes, everybody likes music. This year the 50's sound seems to be slowly creeping out of style while black music is gaining a growing amount of acceptance among students here. Punks now are few and far between but "heavy metal" fans are on the rise in El Segundo. By far the most popular music now is "New Wave", which involves more electronic instruments like synthesizers and electronic drums. The popular radio stations in 1984 are KMET, KLOS, KIQQ, KIIS, KRTH, KMGG, and last but not least, KROQ.

1. Popular "plunge-bag" look. 2. Still stylish sweater-vest, and zipper-cuff jeans. 3. The "shirt-dress" can be worn as ever. 4. Some older albums are still as popular at concerts. 5. Many students quench their music desires at concerts. 6. The demin mini skirt can be seen on a few brave souls. 7. Some of this years more popular records. 8. G "Suggs" McPhearson, the lead singer of Madness. 9. The Thin White Duke: David Bowie. 10. Russel Mael, lead singer of Sparks excites his audience. 11. Ron Mael, Sparks' serious side ponders himself. 12. Andy Summers, The Police, close up.

TUMMIES AS OUR TURN

12:30 as we all sit at our desks anxiously awaiting the lunch bell to ring. Our stomachs growl and the thought of food seems like a dream come true. Hamburgers, hot dogs, burritos and pizza etc. YUMM!!

Finally, the bell rings for lunch, the entire student body makes a fast break for whatever food is available.

As the students get their food and goodies, they sit with their friends and talk about what they're doing in their free time, after school and weekends. Just like at lunch time, students and friends like to go places to pig out!! Taco Bell is one of the favorite hang outs for the students at E.S.H.S. Another place that is popular at lunch and free time is the new restaurant uptown, Char-burger. But the junk food junkies can't forget the Dairy and Hollymain Liquor.

1. The cafeteria needs a little cleaning up after the students' food fight. 2. **Maria De Arana** isn't very enthused with her lunch. 3. **Kim Meza** tries to talk to **Edee Sanchez**, but Edee's funny has caught something of her eye! 4. **Lynnea Hawse** and her friends go to Taco Bell to cheer her up after a fight with her special someone. 5. **Jim Hudson** goes to Taco Bell after losing a game to cheer him up. 6. **Jeff Clark** poses proudly at Taco Bell. 7. YUM, YUM, doesn't that look good!!

FUN ON THE RUN

Keeping busy was the way most ESHS students spent their afternoons and weekends. While worrying about grades and college applications, students tried to get out and have fun.

During the afternoon, many students worked at jobs trying to earn extra money. Other students played on teams and practiced hard every day for that big game. While some students just went home and watched soaps or worked on homework.

Weekends were a time of fun and frolic. Whether with a date or friends, students could always be found at Taco Bell or McDonalds. Other popular activities included: dancing at clubs like Dillons or 321, going to see movies in Westwood, attending concerts, and going to amusement parks.

No matter what the students did, they all had one thing in common: they all were out to enjoy themselves and to forget about school.

1. Jenny Jacobs, Pam Mortenson, Kirsten Schmidt, Michelle Rogers, Susie Schueller, and Lynn Leigh are all smiles despite waiting six hours to see Sparks.

1. **Jim Hudson** digs into his burrito at Taco Bell.
 2. **Kemer Brett** and **Amy Green** discuss the menu at a popular fast food restaurant. 3. **Kirsten Schmidt** and **Pam Mortenson** are enjoying themselves at Magic Mountain. 4. After a long day of practice, **Robert Morrison** and **Pat Wilkinson** wait patiently for **Gary Shultz** to pack up his gear.

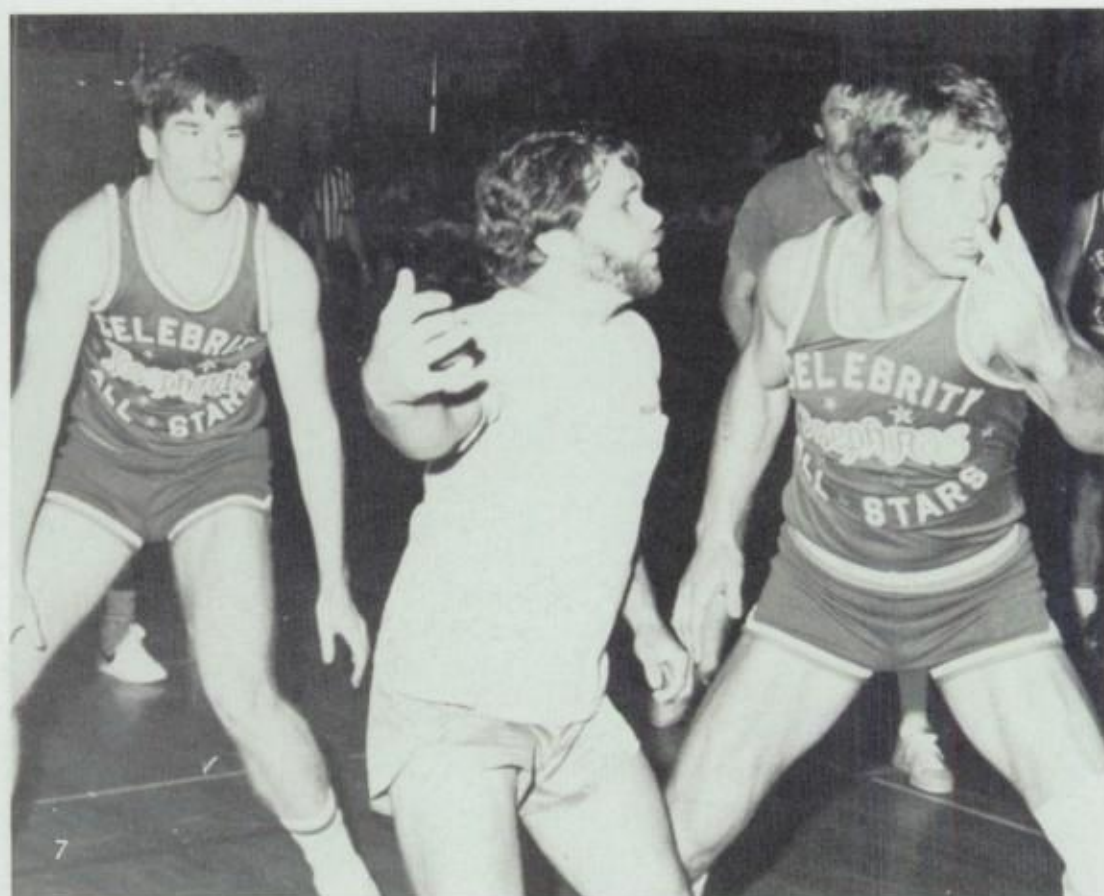

SHOOTING STARS

On December 12 at 7:30 p.m. the El Segundo Pep club sponsored a new activity called Celebrity Basketball. A team of celebrities was put together six years ago by sports promoter David Mirisch. The Celebrity team plays 25 games a year and has raised over 300,000 dollars for schools throughout the southland. The celebrity team played our faculty members and a few alumni from ESHS.

1. Very skillfully, a celebrity team member attempts a basket. 2. **James Perino** succeeds in escaping a block. 3. **Anthony Hawkesworth** watches in distress as a celebrity attempts to score. 4. **Anthony Hawkesworth** and **Don Woodsmall**, "A little too much fouling?" 5. **Henry Stuart** sets up his strategy. 6. **Mike Popp** watches the ball float through the air. 7. **Bill Newman** is ready to accept a pass. 8. An ESHS faculty member carefully gets the ball away from his opponent. 9. **Marty Ableser** attempts a two pointer.

The 1983-84 school year at El Segundo High School was lively and interesting. We were delighted when Burger King came to Manhattan Beach, and we were shocked and dismayed at news stories about a well-established day-care center in the same town. In El Segundo though, the Raider's victory sent us soaring, and the death of beloved classmate, Mark Talley, plunged us to depths we'd never before felt. The year proved to be one of extremes.

A presentation of the Agatha Christie mystery, "Mousetrap" made us all wonder. We had to make important decisions at school election time and were confused as changes were made in this year's Luau. We enjoyed the Luau even though some of us complained that it was too formal. In a close game the students defeated **Bertain's Bombers**.

The Spanish musical group, "La Tuna", also provided entertainment, especially when **Kelly Lyle** was chosen queen. We hosted, for the first time, a Drill Team competition, and were confronted with a new attendance policy. We complained about stale bagels and crunchy burritos in the Cafeteria. E.S.H.S. alumnus, **Scott McGregor**,

led the Baltimore Orioles to win the World Series.

The Chamber Singers went to Hawaii and returned with a trophy. **Mr. Tash** took the marching and jazz bands to Guaymas where they were warmly received by our sister city.

Michael Jackson rocketed to great heights in the popular music world and had a frightening accident in the middle of all that success. But never fear, we're all sure he'll "Beat It". Duran Duran, Billy Idol and David Bowie excited us so much that we adopted their clothes and hair styles. Some of us are still trying to figure out Boy George but, so far, we aren't copying his style of dress.

We jumped with Van Halen, watched every move you make with The

Police and heard Cyndi Laupert tell us that girls just want to have fun. Rush and Judas Priest are still going strong and Genesis and YES gave us great concerts.

The Who broke up and we still don't know if Pink Floyd will come together again or if David Gilmour is going to continue on his own. Some of us have heard rumors of a great new group called Sub Zero. Will they thaw and become as well-known as Journey? Well, we wish them the best.

Dennis Wilson of the Beach Boys died during this year and break dancing became so popular that the authorities are trying to stop it or, at least, require us to have a permit for it. Is it really as hazardous as driving a car or carrying a gun?

We cried at "Against All Odds" and "Terms of Endearment", laughed at "Police Academy" and danced to "Footloose". "The Right Stuff" gave us a new perspective on the space program and made us appreciate the shuttle all the more. "Scarface" was a shocking enlightenment.

In the spring, Lorimar Productions turned E.S.H.S. into John F. Kennedy

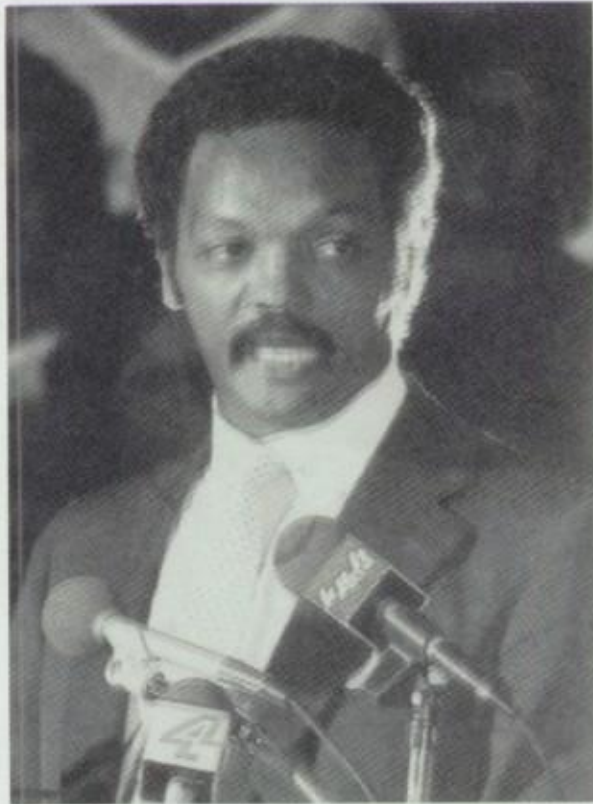

High School. They left precious few parking places and no free donuts for either faculty or students.

The people in Washington are still debating about whether we will or will not have prayer in public schools. Richard M. Nixon is enjoying a new respect and renewed popularity. Jesse Jackson was the first black man to be considered a serious presidential candidate. The national news disclosed more and more reports of missing children. Is John DeLorean guilty or is it a frame?

Concrete walls were erected in front of the White House after a truck bomb drove into a Marine Base in Lebanon. In Russia, Andropov died after an extended period of absence from public view and after much speculation by the news media.

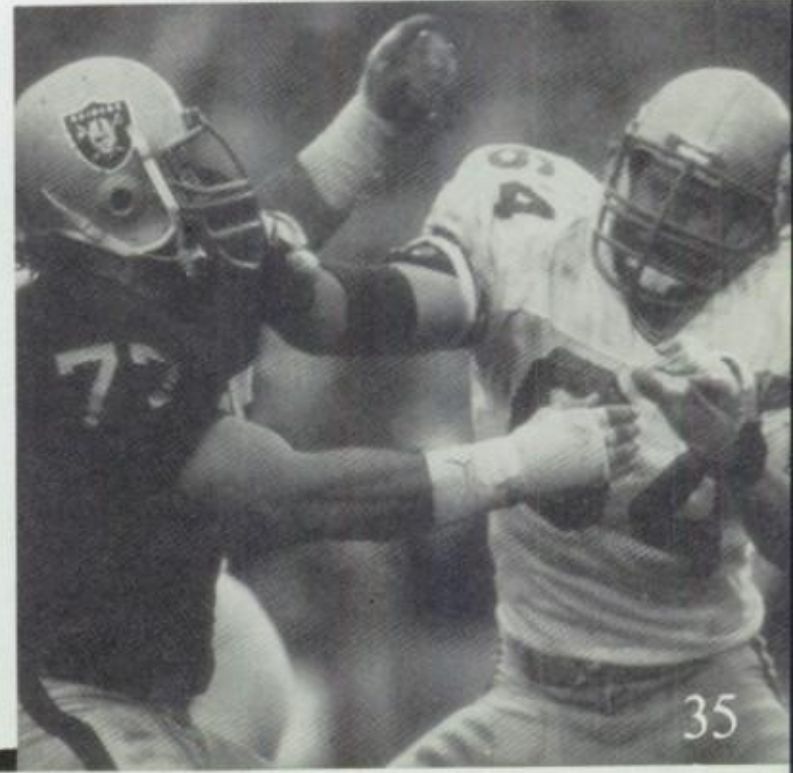

Riots in Ireland continue to be a part of the daily news and the El Salvador-

ian elections are still unresolved. An underground railroad system brings refugees from El Salvador through California to safety in Canada.

In this first year that Raiders occupied what was our junior high school building, we watched them come home from the Super Bowl victorious. They have adopted our own football team and honor each player of the week with a free hat and free game tickets.

Another important part of our school this year is an American Field Service student whom most of us know as **Suka**. Her real name is **Marie de Lourdes Wilches** and she is from Machala, Ecuador. She is a Senior this year and is ready to enter a university upon her return home. **Suka** resides with **Mr. and Mrs. Reuben Hall and Devon**, and will take a trip to Hawaii with them. We hope **Suka** has enjoyed her year here at E.S.H.S.

Clubs &

Organ- izations

THE LEADERS AMONG US.

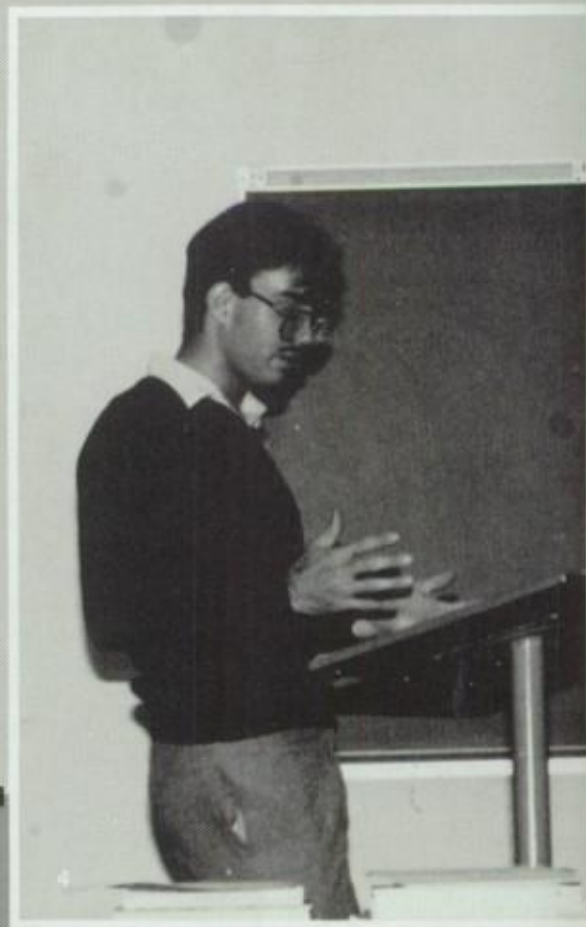

Only a handful of people know what student government is really all about. There is more to being in student government than planning lunch-time activities and making sure the coke machines are filled. The fact is that most things would not happen if it weren't for student government. We don't seem to notice what they do unless it goes wrong, then it seems that everybody is quick to blame the same few students who are trying to do something to serve the school. Most of the things they plan that don't come off well are because of a lack of student body participation. That, right there, is the key to the whole thing! The biggest task student government has is trying to get the rest of us involved.

Many student government members regard the work they do in student government as much more involved and difficult than most of their solid subjects, yet feel the sense of self-satisfaction and accomplishment makes it all worth while.

Student government accomplished many things this year such as adding a new discount to your ASB card: store discounts.

But all of the members agree that it is fun to be a member of student government as well as an honor, and the class shared many happy moments — moments that will never be forgotten. The members of student government are the kind of people that feel an internal desire to serve and get great satisfaction in doing so, whether they're appreciated or not, and nothing can stop a person like that.

BAY EAGLE DELIVERS

Our student newspaper succeeded in publishing a substantial number of issues this year in spite of a slow start and initially a small staff. The first day staff of five grew to a staff of twenty in the second semester. Close to five issues per semester were produced on a reasonably regular schedule. Our printing was done by Quality Copy on Grand Avenue, and the word processing was done at E.S.H.S. The Bay Eagle, as a part of the Adopt-a-Class program, was adopted by the Bay Cities Newspapers, which includes the El Segundo Herald. **Sue Karutz** served as Editor-in-Chief, **Mr. Curtis Garner** was the returning staff advisor, **Dale Esparza** served as News Editor both semesters, **Michelle Crawford** worked as our Business Manager, and **James Schuler** was the staff cartoonist. **Kathy McAlear** provided invaluable help with the word processing on weekends.

1. Editor **Sue Karutz** briefs the Bay Eagle staff on news events and stories. 2. Bay Eagle advisor, **Mr. Curtis Garner**, prepares for the next issue. 3. Staff writers — **Dale Esparza**, **Shannon Spear**, **Robin Haglund**, **David Kalel**, and **Lynn Bendix** — listen intently for the story assignments.

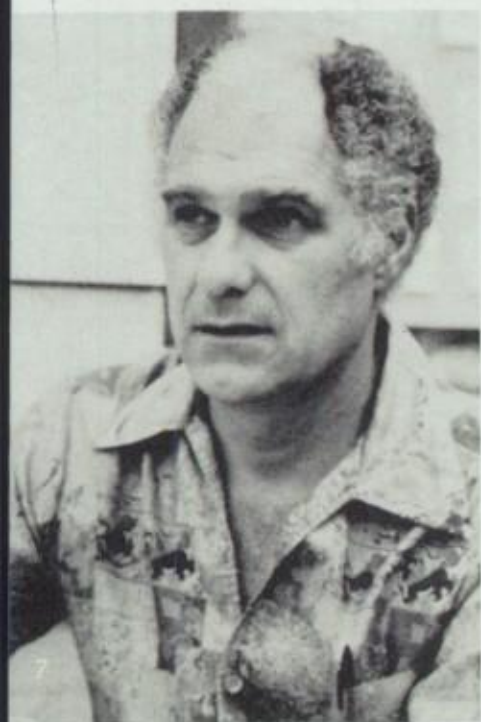

NOT AS EASY AS IT LOOKS

As you sit here going through the Golden Eagle, you realize that you have made it through another school year. Maybe it went by a little fast when you look back at it, but there were a lot of things that happened. You have relied upon the **Golden Eagle** staff to put together "a remembrance of things past" and some of the highs and lows 83-84 school year.

It's a tough job to capture the entire year in pictures and in stories. The students who walked into the annual classroom in September thinking it would be a "kickback" class were soon aware that this concept was way off the track. Putting a yearbook together has been more work than any of us imagined. With the exception of the Editor, **Teri Shober**, nobody, including the adviser **Dodi Laubert**, had any idea of the work and detail involved in publishing the yearbook and in making it a success. These problems were complicated at semester break when a change-over in student staff took place. Many administrative and faculty personnel contributed their time and talents in support. Special appreciation and thanks to **Dan Jeldum** and his staff for their photographic contributions; **Mary Romano** managed the accounts receivable and disbursements; **Jacquie Lowell** quietly and efficiently provided the layout of **DIAPERS TO DIPLOMAS** and advertising; **Freda Smith** provided Current Events; and to all those teachers, students, and nice people who were patient and understanding with us as we had our ups and downs . . .

4. First Semester Staff, Front row: **Heather Debry**, **Teri Shober**, **Charles Kelm**, and **Donna McCarthy**. PLAYING THEIR PART

As the time clock ticks down the last ten seconds until halftime, the band prepares to take the field. As the band steps off for their first song, their awesome sound is impossible to ignore. You realize that something is different, but what is it? Could it be the solid powerful sound, or strong visual performance, or maybe that look of pride from the students? You decide it's all of these, and you are proud to say "Yep, that's our band!"

Various songs including "Mata-dor", "Tribute to Troy", and "The Eye of the Tiger" could be heard indoors as well as outdoors during "C" period and also during the vigorous Wednesday night practices.

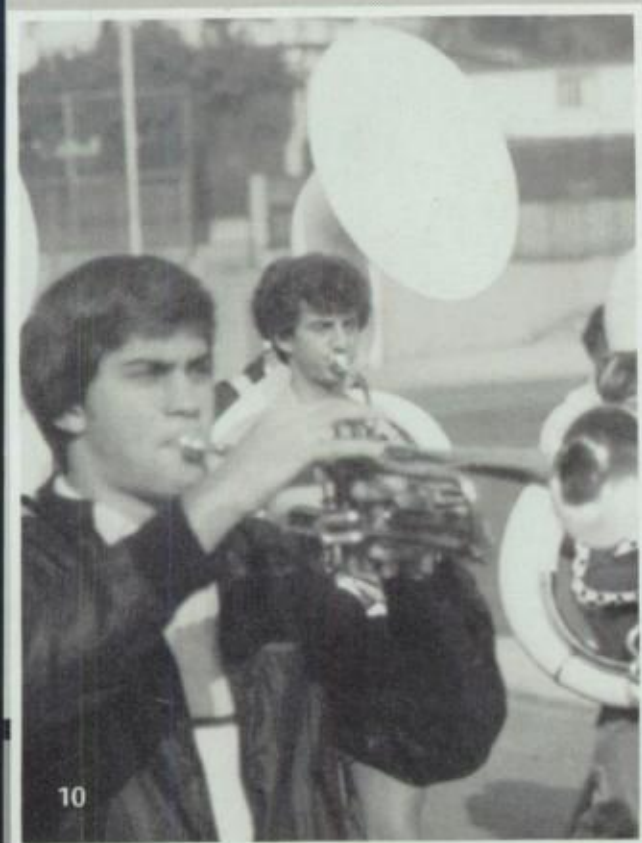

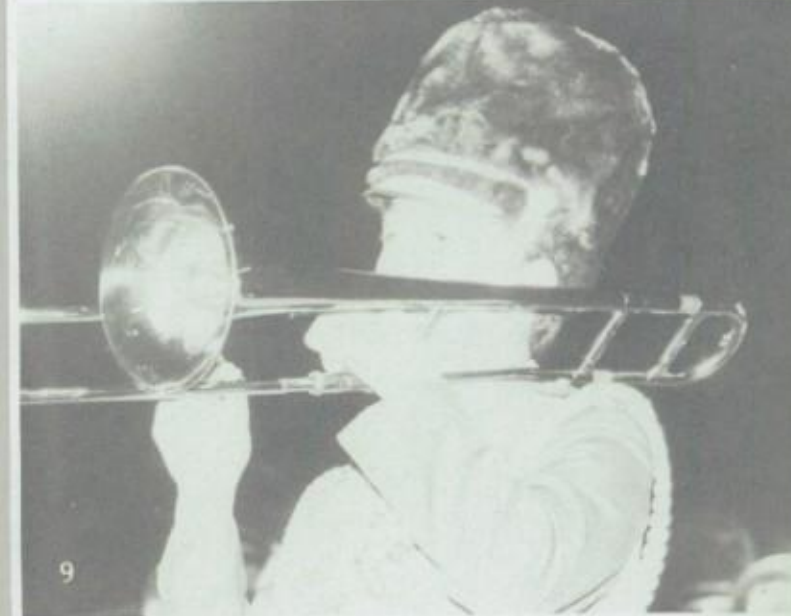

The halftime performances were only a small part of the band's activities; they also performed at the Awards Ceremony, and the literally marched off with their trophies and awards from competition parades as well as performing for the El Segundo Spring Concert in the Library Park.

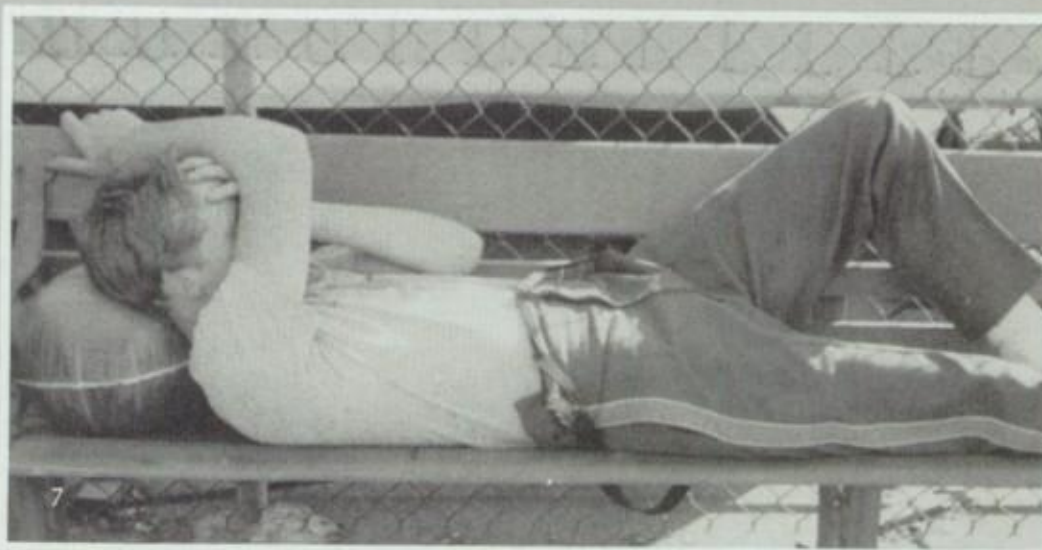

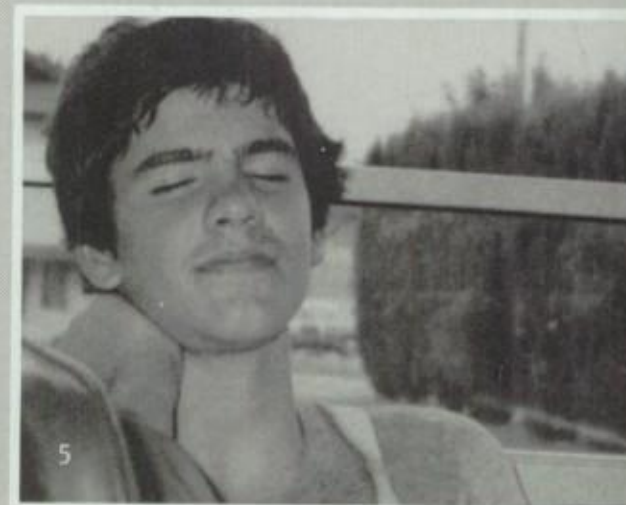

The band was a very popular part of the Guaymas parade, and they had the place of honor to be first in line to lead off in the 2 1/2 mile march through town. They received standing ovations from the crowd, and cheers of "Otra!" "Otra!" were heard numerous times when they stopped to take brief rests.

FLAGS WILL TWIRL

Cheers from the crowds at the El Segundo football games rose to an even higher pitch after the spectacular and exciting performances given by this year's Tall Flags girls.

Mr. Tash, the advisor, directed the Tall Flags along with the band. They practiced each Tuesday and Thursday during "C" period as well as after school for a few hours, making a long day. The girls were in many performances but Disneyland was one of the thrilling events for the girls when they performed down Main St. in the Disneyland parade. Another event took place in the Highland Park competition: the girls were ranked third place.

1. Lieutenant **Lynnea Hawse** and Co-captain **Missy Enright** added much talent and spirit to Tall Flags. 2. What's that you're mumbling under your breath, **Mr. Tash**? 3. **Nancy Jenkins** ponders the 2½ mile march ahead of her for the Guaymas parade. 4. **Lisa Moores** concentrates on practicing her flag routine. 5. ALL THAT JAZZ

Jazz Band developed into a fairly balanced group, playing at many community and school functions. Improvised jazz solos were developed and performed in front of appreciative audiences. Highlights were the fund-raising concert at Goldies restaurant, and performing for the Teacher's Retirement Dinner. In Guaymas, Mexico, the Jazz Band played in concerts at the palazzio and the civil auditorium.

The young musicians had more to say: **Woody Marsh** quoted Franz List, "Music is a lunatic's world, and music rooms are the temple from where it originated!" **Richard Mandle** added, "We have some strongly talented musicians in our group which contributed to our sensational performances, Goldies included." **Chris Hansen** exclaimed, shaking his curls after a hot session, "The fun is playing in front of people, and sweating!" "The lunch jams seemed a lot more enjoyable," said **Richard Madden**. "Nothing beats good jazz!" added **Richard Mandle**.

For the "in crowd," a few more choice words: **Jeff Acup** proclaimed, "**Rich Madden** should get a new guitar, just like Lennon's!" **John Cruikshank** felt that Guaymas was a great experience for the Jazz Band because they had an opportunity to play for a different culture. **Carolyn Jewell** said, "I had a blast anyway!" **Willie Jewell** summed it best: "Guaymas: unforgettable. Unbelievable!"

1. "I like playing that music ... what is it ... Jazz?" said **Greg Klee**. 2. "Trombones do it in more positions!" 3. In front of the Palazzio in Guaymas. 4. RARING TO GO

E.S.H.S. cheerleaders were raring to go this year. They gave many hours of hard work. During the summer, they practiced every day for two weeks to prepare themselves for camp, where individual squads won awards such as a spirit jug, one of the highest honors. Pep Club started out the school year with unusual, interesting, and fun rallies that were a great success! They always had goody cards, cookies or candy for the different athletic teams on game days. In October they attended the USC cheer clinic culminated by the USC football game to help cheer. To top off everything, in the month of December they brought in some of Hollywood's cutist guys to play a basketball game against our faculty. Though they had a lot to do and a lot of places to be, they were always there to support and cheer for our teams.

ENDLESS PERFORMANCES

Drill Team is a unit of girls who really love to perform in front of large crowds, and this year have dedicated themselves to bringing more spirit to our school. In Drill Team, members who have competed either on a team or as a soloist must have commitment and dedication.

Under the leadership of **Desiree Wuennenberg** and **Cindy Oliver** the team has performed to their fullest extent. Sponsor **Larry Cummings** and coach **Sarah Jones** stated that they have given the girls all the support and confidence that they could supply, and it has really paid off. Major **Desiree Wuennenberg** adds, "With the caliber of the team's exuberance, I think that we had a really fun year," and this was certainly evidenced by the many exciting performances the girls have given: the Drill Team competition March 10th, parades, Homecoming, and numerous other competitions.

1. Jenny Littlewood, Anna Giangrande and Jenny Jacobs help to cheer the Eagles on to another victory. 2. Larry Cummings takes time out of his busy schedule of U.S. History classes to sponsor Drill Team. 3. Stacy Barlow's exuberance helped make the Drill Team what it is today. 4. NEW GROUP ON THE MOVE

A new club on campus this year was Applied Economics. This club was different because it dealt with all types of business finance. The students sold stock for starting capital, produced a "travel kit" on an assembly line, sold the product, and paid back stock with the dividends. As you can tell, these students involved in Applied Economics were highly active in dealing with finances!

The officers were president **Erik Johnson**; V.P. of finance **Tim Fayollat**; V.P. of personnel and corporate secretary **Elizabeth Edwards**; V.P. of marketing **Richard Patterson**; V.P. of production **Frank Wong**; and public relations **Sue Chupka**.

1. Erik Johnson, Frank Wong, Charles Kelm, Elizabeth Edwards and Suzanne Chupka all work together to complete the travel kits. 2. Applied Economics officers Elizabeth Edwards, Erik Johnson, and Tim Fayollat are puzzled on the next step. 3. Advisor Mrs. Lenemen, gives her input to the economic students.

GREATLY MOTIVATED

Key Club is the world's largest high school service club, with over 106,000 members worldwide. The purpose of Key Club is to give high school leaders a chance to serve their home, their school and community as best they can. The goal this year was to implement the international theme, "Confront Confusion, Discover Direction" into all their projects.

They had many projects planned this year, including hosting a training conference for over 300 members, a Christmas car drive, assisting the Kiwanis Club at their sponsored high school events, attending a convention at Disneyland, starting a junior high service club, selling football programs, and assisting the elderly and handicapped in any possible way.

This year's Key Club officers were president **Michelle Lamphere**, vice president **Gretchen Buchen**, secretary **Suzanne Chupka**, treasurer **Carolyn Jewell**, and historian **Veronica Murray**.

CSF

The California Scholarship Federation is an organization offered to high achievers at E.S.H.S. To qualify, a student needs seven points in academic classes and ten points overall per semester. ("A's" counts as three points and "B's" counts as one point.) If a student makes C.S.F. at least four semesters by his senior year, he can become a C.S.F. sealbearer and at graduation wear a distinguished golden tassel and cord.

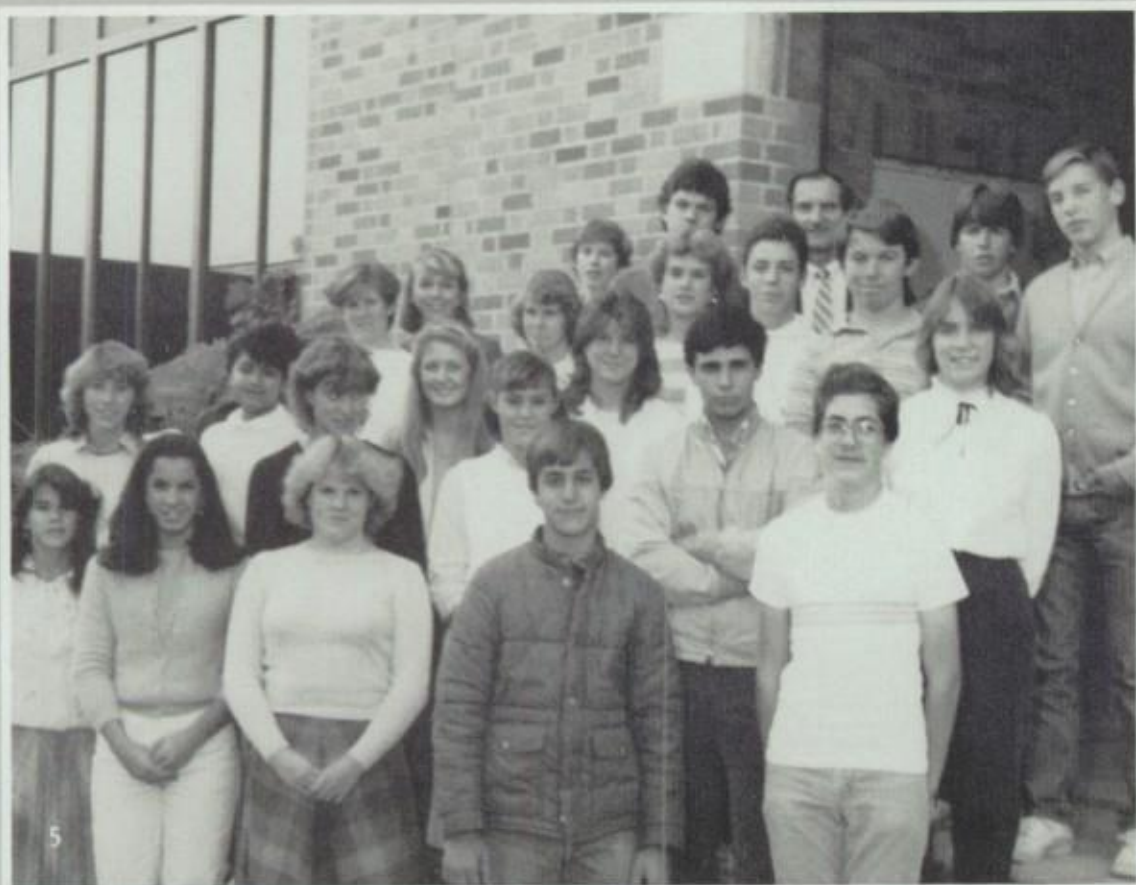

Some of the main activities of the year were trips to the Pasadena Jet Propulsion Laboratory, the Convention Center and to the Music Center for a play. There was also a tutoring service provided by C.S.F. for anyone in the club who wanted to raise his own standard of academic achievement.

There were many different reasons for joining C.S.F. **Erik Johnson** joined because "C.S.F. is one of the better advantages of striving to be one of the best students academically. C.S.F. also gives one an opportunity to go on trips to widen one's knowledge." **Allan Rigg's** reason (shall we dare say it?) was, "Cuz I is not no dummie!"

1. Front row: Sgt. of Arms **John Cruikshank**, President **Frank Wong**, Secretary **Alan Van Drie**, and Vice-President **Kerry Edmunds**. You have to phone home?!" 3. **Julie Keller** proves that just because you're in C.S.F. doesn't mean you can't be in other activities. 4. "Ho-hum," thinks **Alan Van Drie**. "It's really rather a lonely life, being a genius."

PAC

In 1979 a new organization was introduced to E.S.H.S., the Principal's Advisory Council. This year's council is made up of 25 students representing each grade level. Council members are encouraged to express their feelings and ideas on various subjects. This organization is unique in that it has no officers. Our principal, **Mr. Perino**, acts as adviser.

A student, once accepted to the council, serves a two-year term. Classwork, grades and citizenship must be satisfactory in order to retain membership. The council proved that concerns of students could be met. Many suggestions from this council have provided changes on campus that have benefited students and faculty alike. We at ESHS hope the council will continue to keep up the good work in the years to come.

First row: 1. Patrice Callahan, Michelle Oliver, Dawn Coombs, Erik Johnson, Anders Johnson. Second row: Denise Whitford, Boo Martin, Leslie Barlow, Robert Rapoza. Third row: Terry Tinoco, Desiree Wuennenberg, Kathy Kramer, Carolyn Jewell. Fourth row: Shelley Freeman, Michelle Rogers, Missy Enright, Greg Klee, Allan Rigg. Fifth row: Robin Theiss. Sixth row: Eric Antonius, Rich Long, Mr. Perino, Mike O'Shaugnessy, Eric Albertson. 2. Anders Johnson shows his enthusiasm for the PAC. 3. What's that, Mr. Perino? Who did what in the student cafeteria? 4. Boo Martin listens to the latest problems brought to the council.

VOCALLY SOUND

Concert Choir is a group of approximately 25 talented singers. To improve their vocal ability and cohesiveness they rehearsed and participated in concerts and festivals. The goal was to be a good-sounding choral group, but to also be a team where each person was an integral part. Students joined chorus to enjoy the feeling of becoming more vocally proficient and to associate socially with those of the same interest. Quotes heard from some of the students:

"I've been in chorus for, years, and if I was still going here next year (I'm graduating) I'd be in it."
"It's a radical class, but I have to admit, it's GREAT". "I think our class is the most culturally enriched."

"OVERTURE IN H"

This year's top chorus group was the all-girl Chamber Singers. Under the dedicated and organized direction of **Bonnie Ouwendijk**, the group had an event-filled year. Aside from the Christmas and Spring combined concerts at the high school, the Chamber Singers performed at many local business functions and festivals.

The highlight of this year was certainly the Hawaiian Festival of Music. The girls worked long and hard to earn money for their trip. One memorable fundraiser was the musical/play 'Overture in H' (Hawaii).

Once the girls finally made it to Hawaii, they performed their best and brought back a bronze medal! The trip was one that each girl will never forget.

CREME OF THE CROP

Under the guidance of Advisor **Karen Ransom** and President **Eric Watkins** French Club members enjoyed themselves while learning about French culture. As one French Club member commented, "French Club members have a lot of fun . . . and learn something at the same time." The club's activities included: French plays and movies, a Noel party, crepe parties, a Mardi Gras party, and a float of the Renaissance for Homecoming.

At the same time, the members were busy raising money for scholarships rewarded to top French students. The club planned a French sucker sale, a Gummy Bear candy sale, a car wash and a telegram sale.

Through determination and hard work, French Club members proved that they really are "la creme de la creme!"

1. The club members are: Mrs. Ransom, President; Eric Watkins, Vice-President; Lynn Benedix, Secretary; Kathryn Swift, Treasurer; Kirsten Goulde, Historian; Cindy Oliver, Historian; Donna McCarthy, Diane Washington, Wade Stevens, Richard Patterson, Ann Dodenhoff, Stacy James. 2nd row-Leslie Peterson, Janice Ruiz, Connie Fox, Kelly Lyle, Patrice Callahan, Jill Patrick, Hope Garriga, Bill Butterfield, Anne Francis, Kim Scott, Patty Smith, Theresa Tinoco, Michele Smotony, Nadia Usmani. 3rd row: James Edwards, Misty Wagner, Lori McDearmon, Celeste Searle, Christiana Anderson, Eric Shoupe, Tim Fayollat, Mike O'Shaunessy, Lisa Miliotis, Desiree Wuennenberg, Branka Cvejic, Mary Rapoza, Wendy Walker, Shauna Parsons, Liane Paquette. 4th row: Stephanie Nazarian, Amy Long, George LeChavallier, Carrie Renner, Monica Yanotti, Robert Joice, Greg Klee, Gretchen Buchan, Mary McNeil, Sue Karutz, Rhonda Hanton, James Davis, Nicole Taylor. 5th row: Natasha Doty, Doug Stork, Jennifer Booze, Cherise Audson, Katherine Sautner, Tom Greet, Kim Beaty, Jack Perry. 6th row: Charles Kelm, Eloise Cook, Joe Suttner, Kevin Efflandt, Sean Finn, Javier Lopez, Alan Van Drie, and Jason Ederwein. 2. Hope Garriga shows what she likes best about French club-the crepe parties.

WORKING TOGETHER

Working together was the key to Spanish Club's successful year. President **John Cruikshank** organized many activities for his members. During Homecoming they worked hard on a float of Don Quixote. During Christmas they worked on a clothing drive for poor families in Guaymas. The club was also involved in a party with French Club and an awards banquet for exceptional Spanish students. Besides all these activities, the club tried to raise money to fund various fun trips. An enthusiastic club member stated, "Spanish Club is a lot of work but it's so much fun!"

In between all that commotion, **John** and Advisor, **Neva Hitchcock** ran meetings every Tuesday at lunch. It was here they discussed future projects and other business with their members.

In the end, Spanish Club showed that togetherness is the only way.

1. Spanish club members are: Secretary **Monique Schmidt**, Treasurer **Allan Rigg**, President **John Cruikshank**, Vice-President **Eric Johnson**. 2nd row-Lucia Bueno, **Neva Hitchcock**, Joanne Avila, Marlo Morehouse, Dale Esparza, Amy Green, Holly Crystal, Cathi Wyatt, Stacy Mettam. 3rd row-Gopi Rami, Lucy Lozano, Eric Antonius, Sherry McClain, Kendra Harris, Angie Wise, Tracy Sumrow, Lisa Moores, Missy Enright. 4th row-Maria de Lourdes Wilches, Doug Miller, Kim Noone, DeAnn Williams. 5th row-Frank Wong, Patty Pereira, Kristy Thome, Nancy Schmidt, Veronica Murray, Dennis Reed, Kyle Sakata, Anthony Quintal, David Miller. 6th row-Chris Talley, Gary Shultz, Charlie Finney, Doug Sommers, Bill Suttner, George LeChavallier, Schott Searle, Mark Talley, Bob Rapoza. 2. **John Cruikshank**, Lisa Moores, and Bob Rapoza ride on the club's excellent Homecoming float.

STRIVING TO SUCCEED

The Success Club was comprised of a group of ESHS students who have business aspirations. Success Club taught and encouraged success in all aspects of society. The members studied the lives of various people who have succeeded in life. The majority of Success Club members joined the club with the idea of self-employment in their minds. Adding to this was Success Club President **Charles Kelm** who stated, "The purpose of the Success Club is to promote free enterprise. Members are urged to start their own business rather than work for others." Secretary **John Cruikshank** added, "This club gives me the confidence to start my own business."

Jeanette Leneman was the advisor for the Success Club. Officers were: **Charles Kelm**, President; **Erik Johnson**, Vice-President; **John Cruikshank**, Secretary; **Allan Rigg**, Treasurer; **Doug Stork**, Historian.

SAY IT AGAIN

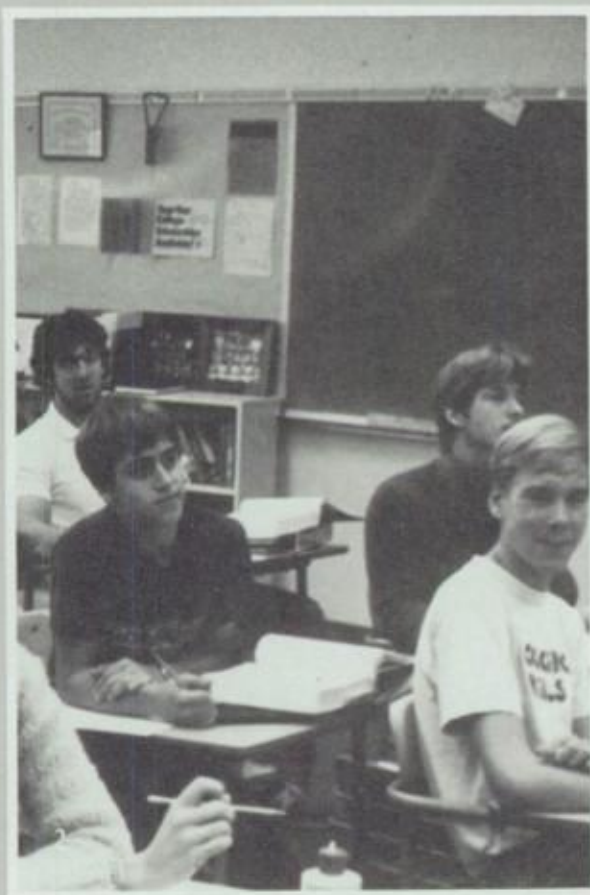

The Speech Club was involved with many aspects of public speaking. Members of the Speech Club worked on communication skills that will help them in many aspects of their lives.

Members met during the week to practice for upcoming speech competitions. There were various events such as interpretive speeches and impromptu speeches. Other times, members competed head-to-head against opponents.

There were various tournaments throughout the year which prepared the students for the major event of the year, the state qualifier tournament. Asked why he took part in Speech Club, President **Allan Rigg** said, "I thoroughly enjoy the competition and the comradarie that comes with Speech Club."

The Speech Club advisor was **Nanette Fisher**. The officers were: **Allan Rigg**, President; **Kathryn Swift**, Vice-President; **Hope Garriga**, Secretary; and **Tim Fayollat**, Treasurer.

Top row (left to right): **Eric Watkins**, **Mark Talley**, **John Cruikshank**, **Erik Johnson**, **Frank Wong**. 2. Speech Club members **Erik Johnson** and **John Cruikshank** listen attentively, but **Chris Talley** appears occupied with something else. 3. **Eric Watkins** pays attention, as **Alan Van Drie** seems to like the taste of his pencil.

THE SPIRIT MOVES US

The goals and purposes of the club were to build a strong group, to help each other, and to help others understand the way of Christ. For example, every Tuesday and Thursday, prayer meetings were held at the Methodist church, and club meetings were special occasions to share ideas, feelings and beliefs not only with each other in the club, but with others as well.

"I joined this club to fulfill the ministry that God has planned for me which is the Ministry of Music," believes **Yani Arena**. **Bethany Mabry** states: "We are not just some clique or religious sect, we are Christians who want to help each other in our daily walk in Christ and to show others students the love and carefree life that is found when they accept Christ into their hearts."

1. Front row: **Cinnamon Dein**, **Lynn Benedix**, **Jim Kerker**. Second row: **Lillian Munguis**, **Teresa Tinoco**, **Gina McKenzie**, **Danny Krueger**. Third row: **Bethany Mabry**, **Robert Wilson**, **Mason Williams**, **Monique Schmidt**, **Shannon Spencer**. Fourth row: **Eric Watkins**, **Alan VanDrie**, **Rebecca Martin**. 2. **Bethany Maybry**, the club secretary, is eating lunch while listening to a New Life Club presentation. 3. At an after school gathering **Yoni Arena** works on the Club's float when she is suddenly surprised by a photographer. 4. **Yoni Arena**, **Sergio Tangari**, **Scott Garrison**, **Mason Williams**, and **Bethany Mabry** pose for a quick picture in front of their float after the Homecoming Parade. 5. **Kathy Tatis** is in deep meditation.

SERVING THE COMMUNITY

This organization was based around service to the school and community. This year their major objectives were to work with the Recreation Park on community services. They also helped out with the school needs, and promoted school pride. Another activity was working with the Salvation Army to bring needy families food, clothing and toys for Christmas.

"'S' Club is dedicated girls working with each other to better themselves as well as their community," stated **Donna McCarthy**. "The reason I joined was for the school involvement, and just plain fun," said **Tammy Swiggum**. "I joined 'S' Club because I felt it could become a strong service club, which is what our school needs," emphasised **Carolyn Jewell**.

1. Front row: Suzanne Chupka, Sherry McClain, Donna McCarthy, Tracey Sumrow, Marlo Morehouse, Carolyn Jewell. Second row: Erica Nazarian, Tammy Swiggum, Kirsten Schmidt, Kim Scott, Veronica Murray, Branka Cvejik, Michelle Smotony. Third row: Lucy Lozano, Lucia Bueno, Monica Yanotti, Teri Salyer, Cinda Oliver, Jamie Sumrow, Diana Stephens, Carrie Hickert, Justine Miller, and Mrs. Lenker. 2. Mrs. Lenker is trying to think of an answer for one of the club member's questions. 3. Teri Salyer is admiring one of the show cases 'S' Club put together. 4. Kirsten Schmidt is concerned about the project for the needy families.

BROADEN YOUR HORIZONS

Wanted for the American Field Service: students who find it easy to adapt to new and different situations.

This year found some outstanding students to take part in this exciting program, whose purpose, according to **Andy Cummins**, was to involve exchange students into different cultures, and to have a mutual learning experience between American students and their foreign counterparts. **Erik Johnson** added that he got interested in AFS after his sister went to Chile for the summer and she made it sound like so much fun. "AFS teaches you not only about a foreign culture," said **Joey Suttner**, "but also teaches you to understand yourself. It's an organization that lets you build friendships and emotions for others while taking away the boundaries of our countries. I also gained a real understanding of what AFS is about from my New Zealand experience." **Alan Van Drie** said he first got involved in AFS through "D-Day", where a thousand students from around the world came for a day of sharing before they returned to their own countries. He added, "AFS was difficult at times, but I had a lot of fun, and grew up in the process." **Maria Wilches**, this year's exchange student from Ecuador, said she came to El Segundo to learn a different way of life.

Students sent abroad were **Erik Johnson** to Honduras, **Erick Watkins** to Italy, **Kirsten Goulde** to Turkey, **Andy Cummins** to Chile, and **Linda Tschumi** to Columbia. The club encouraged all grades to join, but only juniors and seniors could be involved in the exchange program. AFS planned on two more students to send abroad this summer. **Greg Klee** and **Sue Karutz**.

The club found fun in chapter parties and other activities such as the traditional fund raisers, the Pancake Breakfast and the Pizza Sale. Proceeds went to sponsor students, and this year a special \$300.00 scholarship was given in the memory of **Mark Talley**.

Other events were an AFS Week where the whole school dressed up for different days: Hawaii Day, International Day, and South American Day. AFS also had the usual grand American-style Christmas party where everyone exchanged gifts and had a further opportunity to meet new friends from abroad.

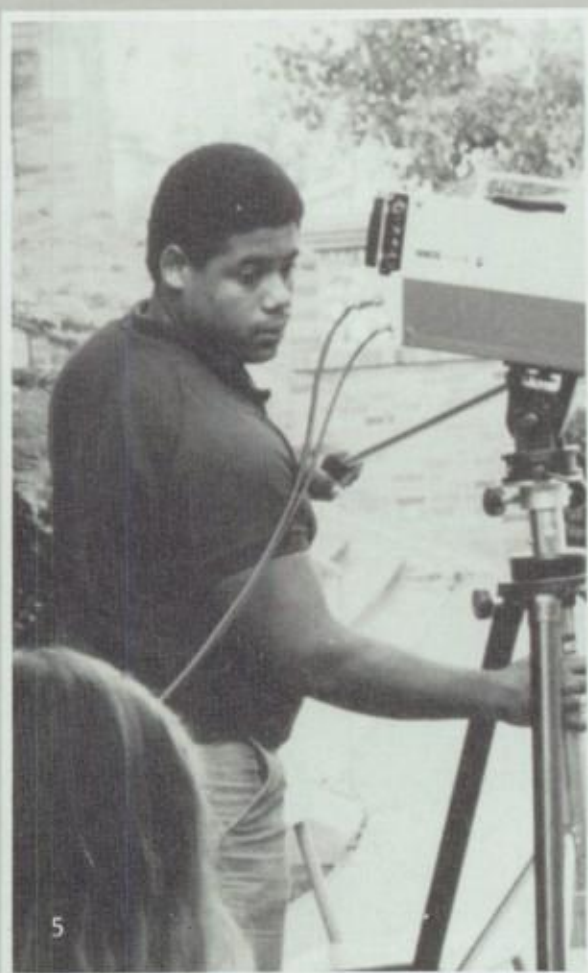

1. Front row: **Veronica Murray**, **Suzanne Chupka**, **Erik Johnson**, and **Andy Cummins**. Second row: **Lisa Moores**, **Maria (Suka) Wilches**, **Linda Tschumi**, and **Georges LeChevalier**. Third row: **Richard Crowell**, **Joe Suttner**, and **Tim Fayollat**. Fourth row: **John Cruikshank**, **Elizabeth Edwards**, **Allan Rigg**, **Frank Wong**, and **Eric Watkins**. 2. A big, tall send-off for **Andy**. 3. **Joey Suttner**, **Eric Watkins** and other AFS club members enjoy a going away party for the winter departure exchange students. 4. Students from around the world share a mid-year reunion while on exchange to Chile. 5. AFS officers: Secretary/Treasurer **Veronica Murray**, President **Erik Johnson**, Vice President **Suzanne Chupka**, and Sergeant at Arms **Georges Le Chevalier**.

DEVELOPING SKILLS

"MATH TEAM encourages precision, accuracy and speed in solving math problems," said **Frank Wong**, co-captain of the group. With **Mr. Woodsmall** as adviser, and **Alan Van Drie** as the other co-captain, the Math Team entered four competitions this year against 40 teams from other schools.

VIDEO CLASS produced all of El Segundo's TV shows on Channel 27. Practical experience and a test of one's potential could be gained in the classroom/studio. **Brock Edwards** said, "Thanks to this class I am now planning a career in TV as a cameraman." **Dennis Lien** added, "I can now produce a weekly sports program!" **Jason Eberwein** loved editing, but both **Rebecca Martin** and **Carolyn Jewell** have now developed fully a "nose for news."

1. MATH TEAM, Front row: Frank Wong, Alan Van Drie. Second row: Erik Johnson, John Cruikshank, Gretchen Buchan. Third row: Kathryn Swift, Alan Rigg, Tom Johnson, Tom Greer. Fourth row: Natasha Doti, Lynn Benedix, Eric Watkins, Scott Searle, and Mr. Woodsmall. 2. Eric Watkins, we know you have the answer to that one! 3. Mr. Woodsmall beams with admiration at his brilliant math team. 4. The simplicity of video techtonics can be quite — detailed, huh, Mr. Robinson? 5. Brock Edwards thinks, "Lights! Camera! Now where's my cast?" 6. VIDEO CREW, Front row: Lisa Mc Cullough, Julie Pinchuk, Veronica Murray, Richard Patterson, Susie Schueller, Timi Rittenhouse, and Cathi Wyatt. Second row: Tom Greer, Gretchen Buchen, Mike Cummings, John Culpepper, Jason Eberwein, Carolyn Jewell, and Ariana Drong. Third row: Eric Anderson, Andy Hawk, Kathryn Swift, Hope Garriga, Bill Butterfield, Rebecca Martin, Michelle Lanphere, Brock Edwards, and Mr. Robinson.

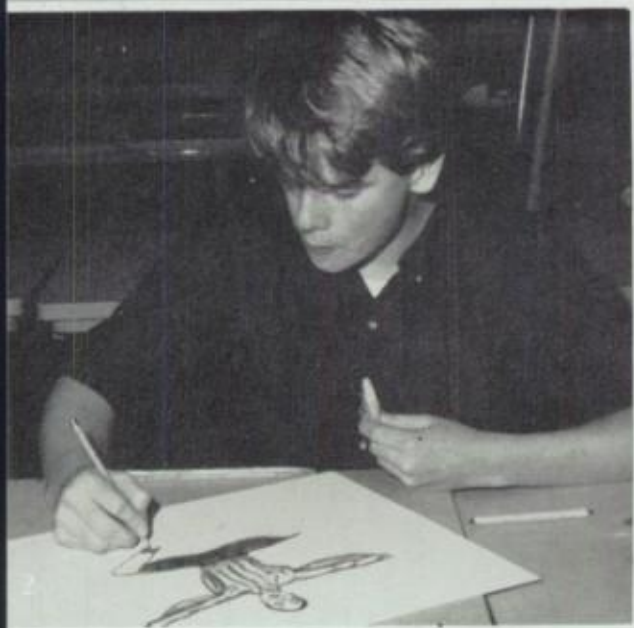

Orchesis is a Greek word meaning dance and dance theory, and is the name of the student dance club from the modern Dance Class. The club's major contributions was in providing professional dance workshops for the students, and to seek a means of revenue to pay for the services of professional dancers. M & M's were sold by each student by the case to supplement for the fast-beat workshops **Reanna Powers** gave for a jazz dance routine as well as jazz exercise and strength techniques. **Janet Harter Shaw** gave her rendition of a modern dance called "The Airport" which was humorous and full of emotional impacts. Both of these fine dancers inspired the students to do even better work as evidenced by their statements: **Shelly Watson** said, "Dance is a lot of fun, and can make you feel better about yourself!" "It's a way to relax and express your feelings," added **Theresa Kelly**. **Cindy Johnson's** definition of dance was that it was exciting, fun, and educational.

1. **Beverly Frankle** listens attentively to a guest lecture. 2. **Janet Harter Shaw** gave her interpretation of what we've all gone through in waiting ... and waiting ... at an airport. 3. **April Wheeler** looks pleased at keeping her fine form at a dance workout. 4. **Dodi Laubert** reaches for that last rung on "jacob's ladder." 5. **Denise Salazar** contemplates a new modern dance interpretation. 6. Front row: **Noelle Grimes, Linda Fredericks, Shelly Watson, Denise Salazar, and Linnea Albericci**. Second row: **Sondra Brewer, Cindy Johnson, Maria De Arena, Liane Paquette, and Nelda Giorgetti**. Third row: **Christy Johnson, Corrine Thompson, Theresa Kelly, Sherry Connors, and Beverly Frankel**.

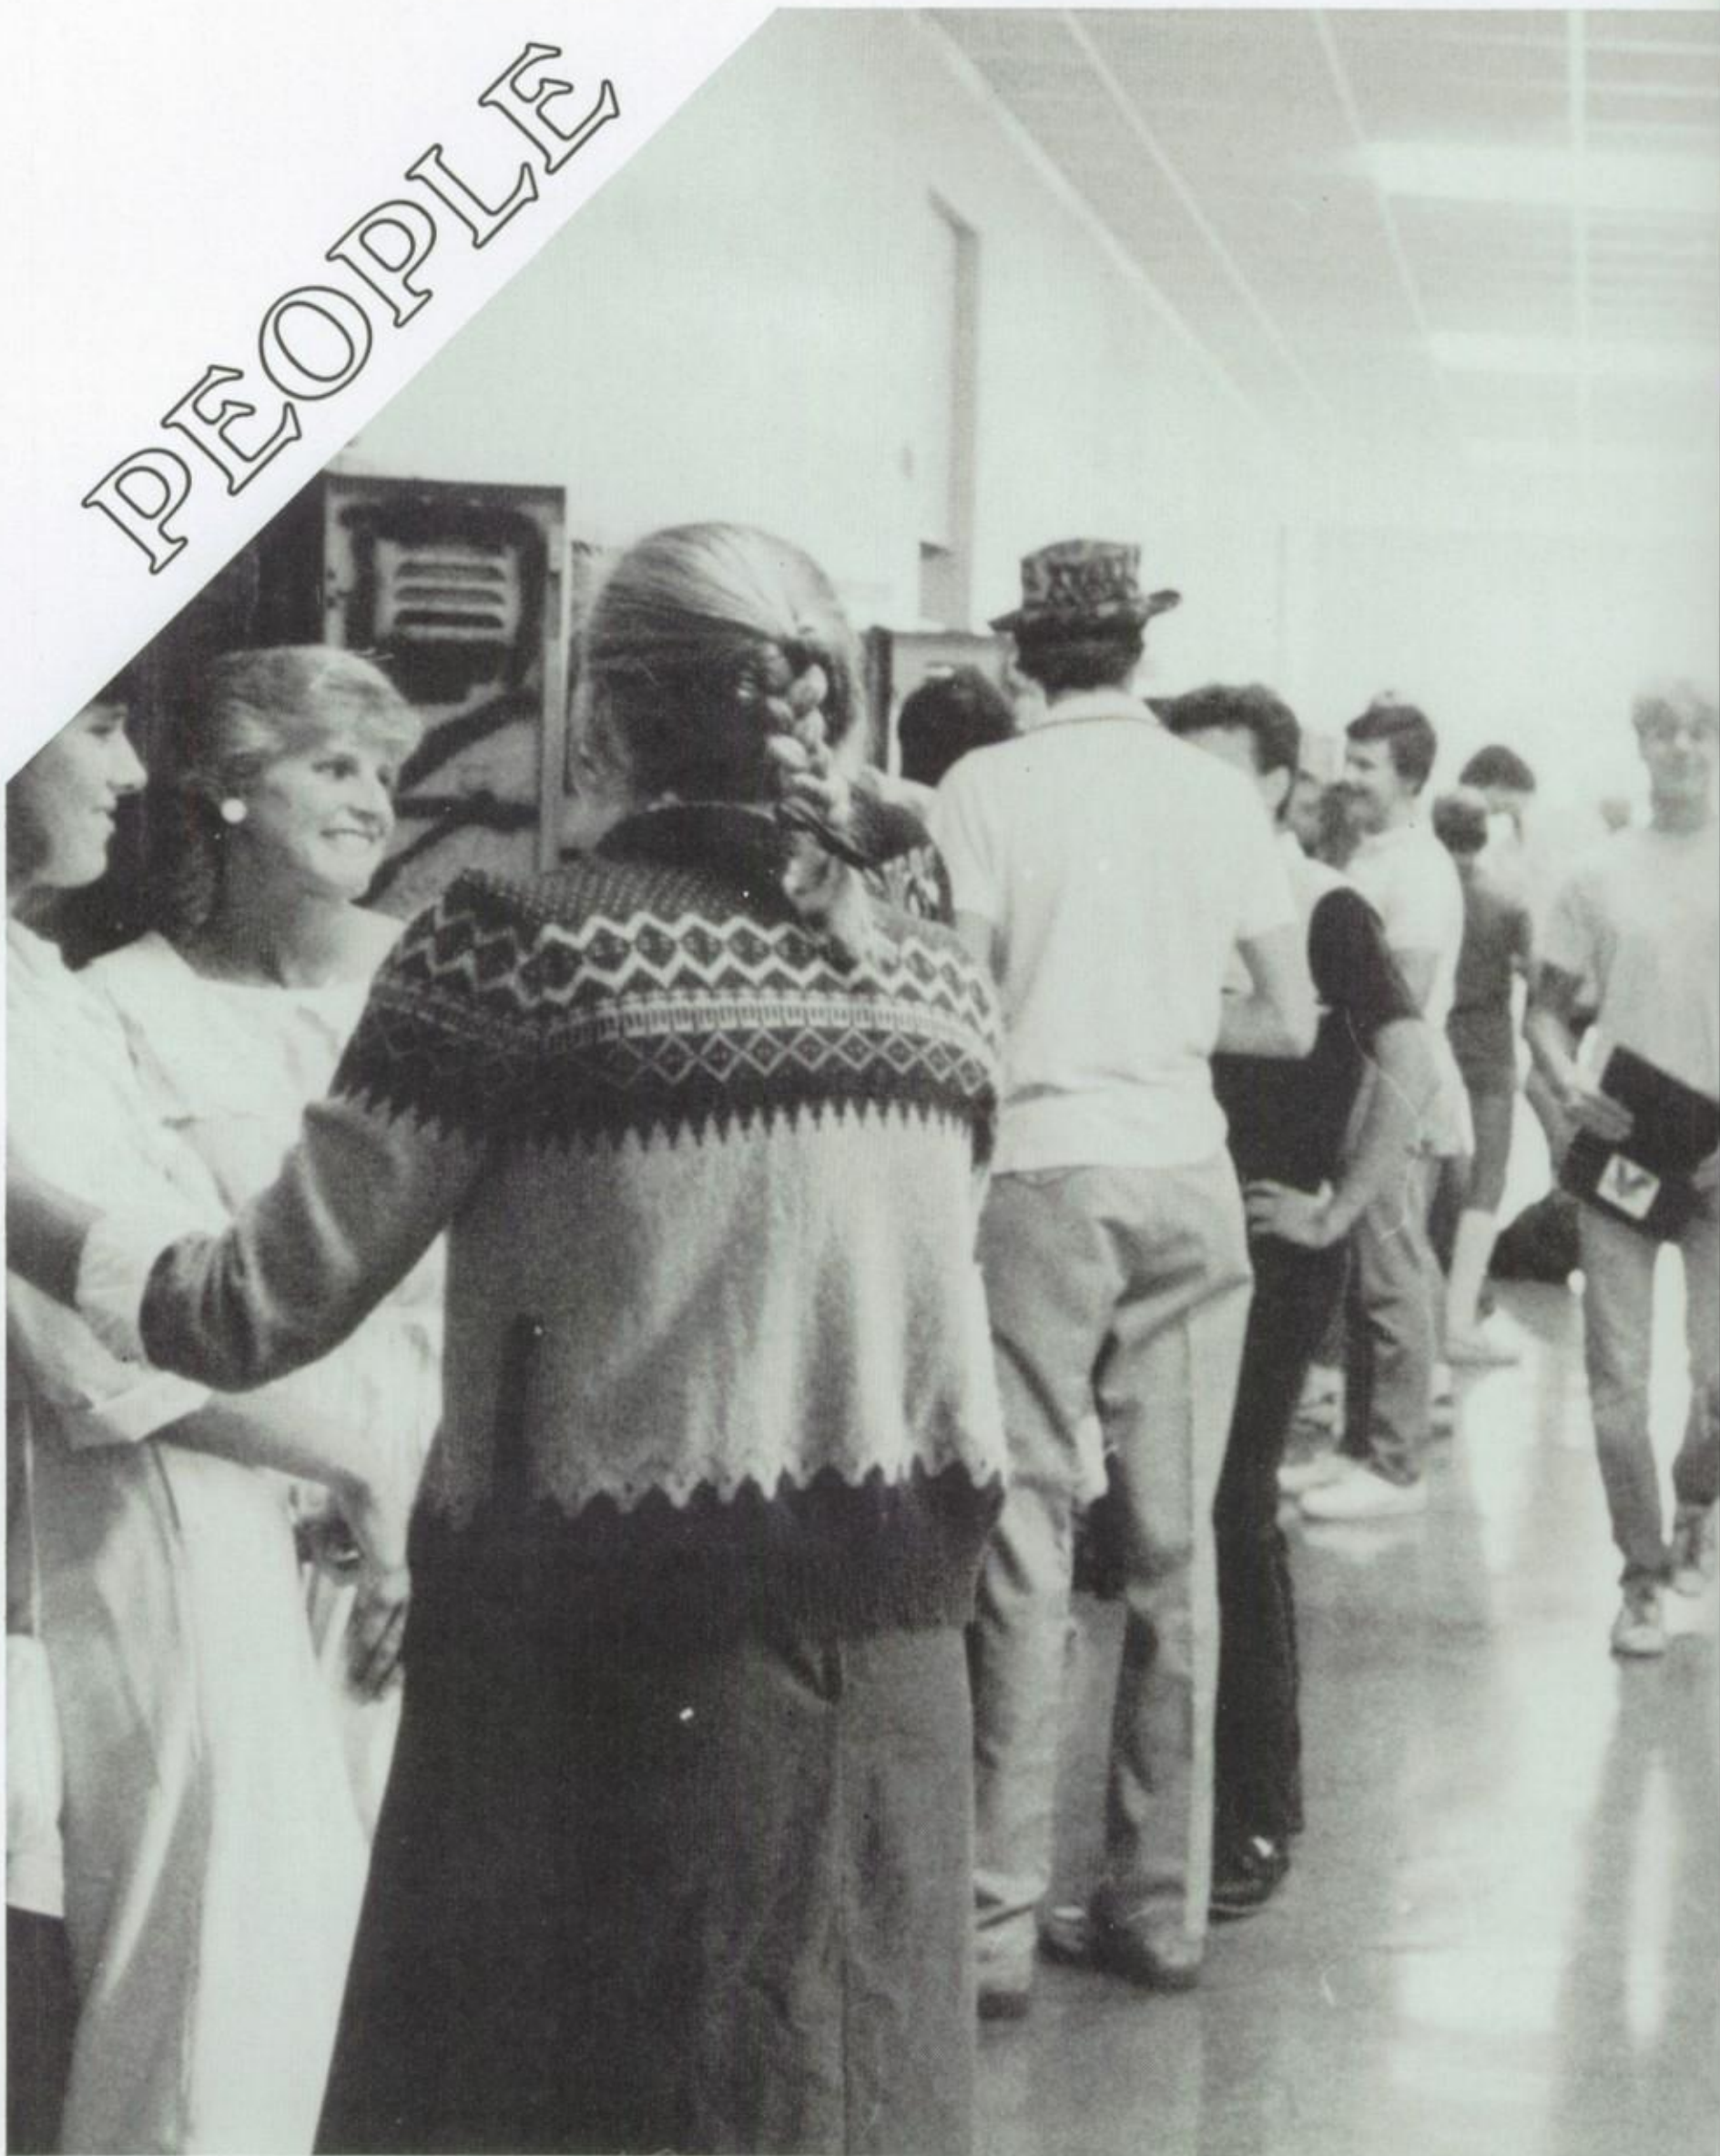

The purpose of this club was to strengthen the students' art abilities by the exposure to different forms of art such as field trips to the Los Angeles Art Museum, guest lectures from the Fashion Institute Of Design And Merchandising, and special projects, especially the one with **Kali Bradford** where they built a twelve-foot sand castle complex at the beach. A few quotes from the members sum up their own philosophies: "I think that the purpose of the art club is to get people to understand what art is all about," stated **Norman Bolivar**. "Art is not a talent, it's a skill!" said **Amberly Green**. **Lisa Sowins** emphasized: "It will help people to form their own creative ideas." And finally **Cabrina Gilbert's** serious comment: "Art club is a place for young artists to gather and compare master pieces, and we have a heck of a good time, too!"

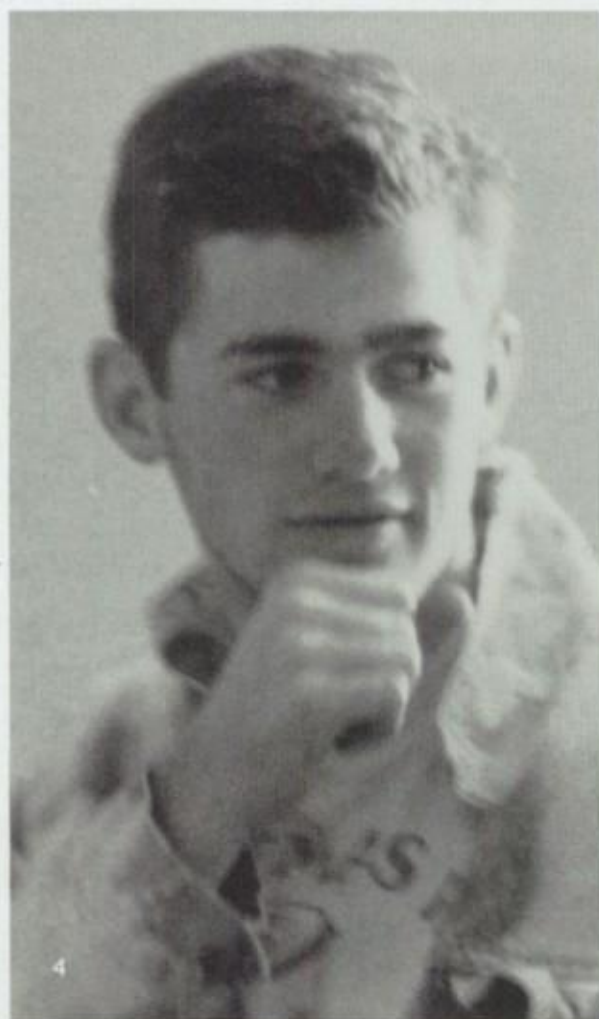

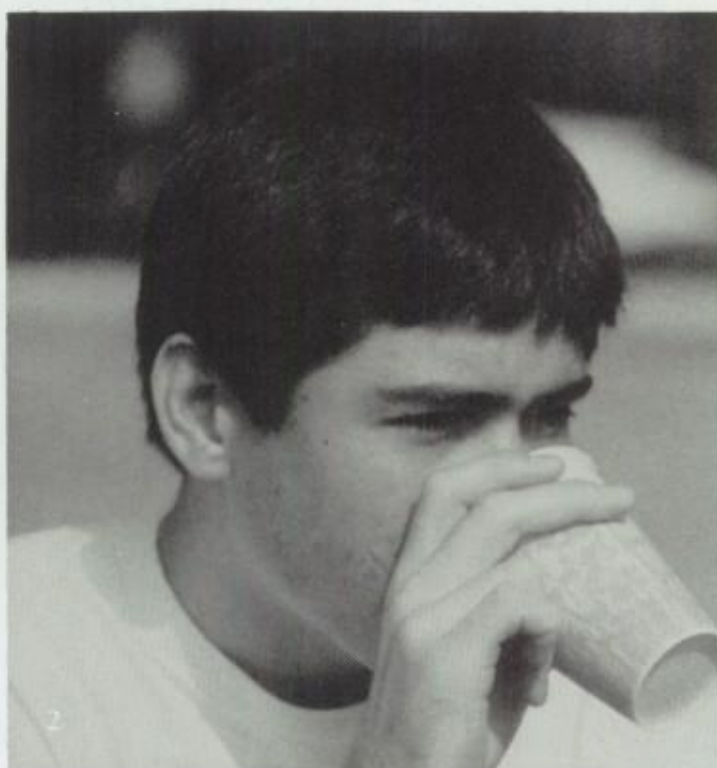

1. Front row: James Schueller, Michelle Tripi, Amberly Green, Thomas Stukas. Back row: Dodi Laubert, Cabrina Gilbert, Brian Moos, Gina Schramm, Norman Bolivar, Gene Woodruff, 2. Gene Woodruff puts the finishing touches on another "Masterpiece". 3. Gina Schramm works on a special project for woodshop. 4. Art Club students stand proudly but somewhat tired after their three-hour sculptured master piece. 5. La artiste **Cabrina Gilbert** mixes some potent colors.

TALENTED TEN

Ten El Segundo High School Seniors are graduating with grade point averages between 3.72 and 4.0. Four of these Seniors have achieved the average of 4.0, and are being honored as valedictorian. Credit for these achievements must be given primarily to the students themselves. However, parental support and dedication, and the work and encouragement of our staff of teachers are deserving of special credit also. **John Cruikshank** has been a member of the Varsity Band, President of the Spanish Club, a member of the Speech Team, and a member of several other campus clubs. **Erik Johnson** has been a member of the Varsity Band, president of the American Field Service Chapter, and a member of several other Campus organizations. **Eric Watkins** has played Varsity Soccer and Tennis, is president of the French Club, and participated in many other extra-curricular activities. **Frank Wong** has been on the Math Team, president of the California Scholarship Federation (C.S.F.), and a participant in other campus programs. The accomplishments of these students are truly remarkable. While these ten Seniors deserve special recognition, El Segundo High School is proud of all of our students for their scholastic achievements.

JUNIOR EAGLE ACADEMICS

Another year at ESHS, another year closer to the end. But Junior year was the best! In terms of academics, though, it was the most important year for students who wanted to go on to higher learning. PSAT's, college applications, and tests — there were lots of them! An "F" on a history or Am. Lit. test didn't always mean sudden doom for Juniors, because the teachers supplied us with many more to make up for it. Many Juniors took Spanish or French to partially complete their pending college appointments. Some students were in sports, like soccer or basketball.

1. Juniors **Liz Dutchess**, **Connie Fox**, **Lisa Gilbert**, **Mike Sims**, **Debbie Christensen**, **Marlo Morehouse** and **Heidi Phillips** worked hard on the Coronation assembly. 2. **Danny Earnest** thinks about buying a new earring. 3. **Craig Kaiser** wonders if he should venture into the auditorium. 4. **Mike Gregory** jets as the last bell rings. 5. **Lisa Thomas** seems to enjoy doing her English. 6. **Marlo Morehouse** is surprised to see an annual photographer. 7. **Connie Fox** reads a magazine instead of doing her French. 8. **Liz Dutchess** sings one of her favorite Rick Springfield songs. 9. **Scott Davis** and **Billy Suttner** share a laugh after a rally. 10. **Lori McDearmon** enjoying school. 11. **Deede Gunnoe** shows **Rebecca Bello** how to walk down the hall. 12. **Katherine Sautner** shows us how she feels about the Eagles. 13. **Jill Patrick** dreams about the weekend. 14. **Dawn Macdonald** is shocked on the moat. 15. **Billy Suttner** and **Heidi Phillips** were happy to be junior Prince and Princess. 16. **Wendy Walker** thinks it's a beautiful day.

A YEAR OF REQUIREMENTS

For freshmen at ESHS, this was not their first year of high school experience. They had already learned the ropes in their eighth grade year. This was because of the shutdown of the junior high school five years ago. They did, however, have to get used to taking required courses. Freshmen had to take English, physical education, geography, driver's education, and math. Earth science was another wise choice in that it fulfilled the mandatory one year of science.

Freshmen learned a lot about English by studying nouns, verbs and direct objects. They used the well-known (by seniors) Warriner's Grammar and Composition book to further their knowledge of the English language. "Studying from that Warriner's book all of the time became quite boring," yawned **Eric Antonius**.

Physical education was a place for freshmen to rid their frustrations of the day. They played volleyball, basketball, softball, and football.

Geography teachers **Jeannette Leneman**, **John Stevenson**, and **Craig Cousins** helped freshmen not only in learning the map of the United States but also the location of other countries such as the Soviet Union, China, and Canada. "Teaching Freshmen Geography was a new experience for me because I normally teach Economics only," commented **Mrs. Leneman**.

Mathematics were taught by **George Hall**, **Steve Newell**, and **Bob Thorsen**. **Mr. Hall** taught business math, while **Mr. Newell** and **Mr. Thorsen** taught algebra.

All in all, freshmen learned a lot in their first year as "bona fide" high school students. They can now look forward to harder tasks next year and even to graduating in 1987.

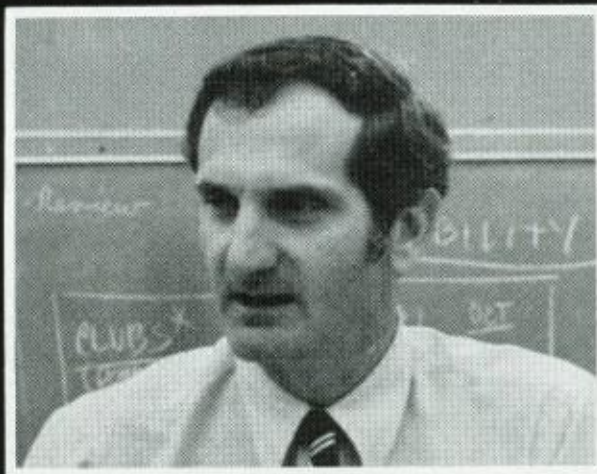

1. Kirsten Mullins and Ashley Korn pair up for a friendly photo. 2. Anna Giangrande has to keep her hair perfect for all the cute boys. 3. Alberto Garcia concentrates on his homework. 4. Robin Theiss watches the Varsity cheerleaders hoping someday she will be in Varsity. 5. Julie Keller gets involved in the student government class. 6. Freshmen all smile for the camera, including Mrs. Ransom.

FABULOUS FACULTY

E.S.H.S. had brought on new faces and changes this year. For instance JoAnn Dannen is our new Science and Pep club sponsor. "She's organized, really enthusiastic and has us do fun stuff, like before Christmas vacation going to her house for breakfast," says Cathy Wyatt.

Our schedule has been changed also, and classes like our Annual class have more time to get things done. We don't have to see the same old faces everyday either!

Some students think they have it hard here in this school but we have to stop and think how do the teachers feel? Really, how do the teachers do it? They have to put up with excuses like "my dog ate;" it or "I forgot it!" and even worse excuses, on top of having to deal with students' attitudes everyday.

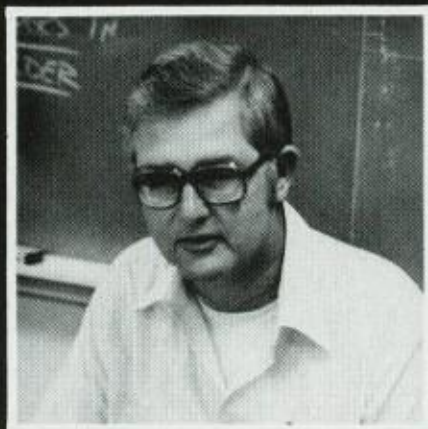

Some students think they don't need teachers, but where would we be without them?

HARD WORK DIDN'T PAY OFF

In spite of the skilled passing of quarterback **Jim Hudson**, and the spectacular catches by wide receiver **Ty Kern**, the Varsity football team had a mediocre season. After starting out with two losses, the Eagles rebounded by winning four in a row including a 47-6 thrashing of Capistrano Christian.

Led by coach **Steve Newell** and team captains **George Le Chevallier**, **Dennis Wilkinson**, and **Matt Hamilton**, the Eagles placed five members on either the first or second all-league team. The members of the first league team included **Ty Kern** and **Dennis Wilkinson**. Making the second team were **Jim Hudson**, **Brock Edwards** and **Matt Hamilton**.

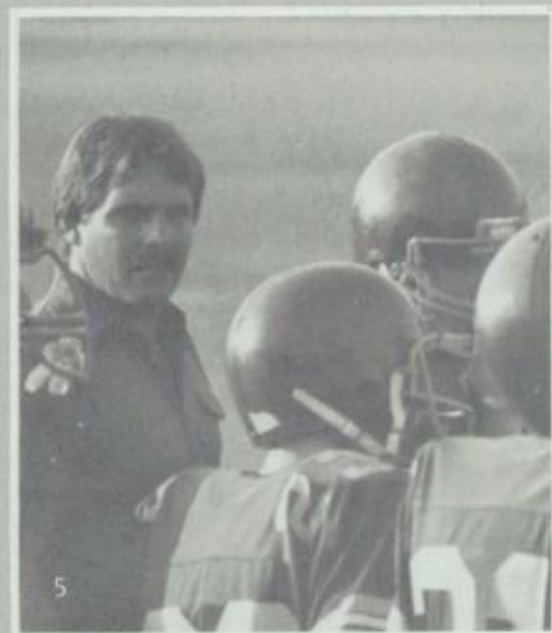

Although the team did not win a league game, coach **Newell** was not displeased with his team's performance. He commented, "This year we had a fine group of young men. Even though we didn't have a winning record, we felt the players gave their best and tried to reach their maximum potential."

EAGLES EXCEED EXPECTATIONS

With only one returning starter from last year's championship team, the Eagles had problems putting points on the scoreboard. The Eagles scored 62 points this year, but were shut out four times. The defense, however, was a bright spot in this year's campaign. The defense posted three shutouts this season, all coming in victories. One of the high points of the season was the 29-0 trouncing of Capistrano Valley Christian.

Of the 33 players on this year's team, 21 are freshman. Despite their inexperience, the Eagles posted a respectable 3-5 overall record and a 1-2 record in league play. "This team has exceeded all expectations that I had," Coach Craig Cousins said. With 21 experienced players returning next year, 1984 could prove to be a successful season.

The aqua jocks just had too many problems to overcome this year. The pool was closed the first twenty-one days of the season, and they lost two out of eight players. Despite all of this they managed a tie for third place in league! Leading the team to victory was high scorer Doug West with sixty-five goals, and outstanding goalie Charlie Miller. They also had four players chosen for All-League: Senior Charlie Miller as first team goalie, Seniors Doug West and Neil Hall were chosen as first team field players, and Sophomore Jamie Stuart as a second team field player.

ENDLESS STRUGGLES

The 1983 J.V. Waterpolo team met many challenges during their season. One of the biggest obstacles they met was that the pool was closed for repairs for the first twenty days of the season, leaving no place for the team to practice! Another drawback was that the team captain, **Tom Seth**, broke his wrist in the middle of the season. And as if that were not enough, because of lack of players, the Varsity team recruited **Matt Crabbs**, causing the J.V. team to lose a key player.

The team tied for third place in league, with the help of new assistant coach, **Bob Harrap**. Bob said: "Potentially, we could have taken first place, but because of getting a late start in the season, we took third." Both coaches are optimistic about the team's future, and hope to do much better next year.

ALL THEY'RE SPIKED UP TO BE

This year's volleyball team proved that they knew what they were doing, with seven wins and only three losses. El Segundo's varsity volleyball team consisted of nine seniors, one junior and one sophomore. They showed that hard work and a good coaching job by Hogan Gamage made up a good team with a lot of spirit.

The 83 volleyball season had some players that were real standouts. Dory Roberts was recognized as one of the two best players in the league. Denae Dodson made first team all league. Tracey Greene and Heather DeBry made second team all league.

A TRYING SEASON

Junior Varsity volleyball encountered many difficulties this year. First, starting out with a young, unexperienced coach, and the dilemma about whether or not he was to be paid. Another problem was the absence of J.V. teams from the other schools, which was two out of the five teams that were in the league. Despite the difficulties, the unexperienced team, only consisting of two returning players, managed to work together with the little experience they had.

YOUNG TEAM DOES WELL

This year's varsity team of seven boys was made up of four sophomores, three of whom had no experience. "They did very well for a young team," says Coach Crystal. Senior, Alan Van Drie led the boys varsity through four league meets and four invitationals. Jose Gutierrez was named most valuable runner for boys varsity, running in seven school records, bringing home medals from invitationals and taking seventh place in league finals.

The girls team was plagued by a number of injuries but stayed in the running to go all the way. The girls team was made up of six sophomores and one freshman. Girls captain Shelly Ostrowski was named most valuable girls runner, taking second place in Pioneer league finals and went on to preliminaries along with Celeste Warren who took third in league finals. Teri West and Carrie Renner helped the team for a successful season.

Three outstanding frosh-soph runners were Doug Walters, Blas Rivera and Tom Shannon. They took third place in the Northridge invitational.

"Regardless of our win and loss record I felt it was a successful season," Coach Crystal Says.

EXPERIENCE COUNTS

The El Segundo Varsity basketball team, led by Coach **Todd Corman**, had a successful season this year. Competing in the Rosamond Tournament, placing second in the Oak Park, and playing in our own El Segundo Kiwanis Classic, the team had a fine pre-season. In league the team came away with victories against Lennox and Harvard.

MVP for the team was **Ty Kern**, who also made first team all Pioneer League. Key players were **Bill Woodcock**, voted most improved and made second team all Pioneer League, seniors **Mark McWherter**, **Gene Long** and **Dennis Wilkinson**, junior **Brian Handy**, and freshman **Scott Talanoa**. Senior manager **Dennis Lein** was named most inspirational member of the team.

1. **Mark McWherter** concentrates on making a free-throw. 2. **Bill Woodcock** gets ready to recover a missed free-throw. 3. **Ty Kern** ignores the crowd while making a free-throw. 4. **Brian Handy** searches for an open man to toss the ball to. 5. **Bill Woodcock** concentrates on making a free-throw. 6. Team, Front row: **Mark McWherter**, **Matt Hamilton**, **Brian Handy**, **Dennis Wilkinson**, and **Robert Beal**. Back row: **Coach Todd Corman**, **Don Bill Woodcock**, **Gene Long**, **Scott Talanoa**, **Ty Kern**, and **Dennis Lein**. 7. **Dennis Wilkinson** jumps above all the rest to save the game.

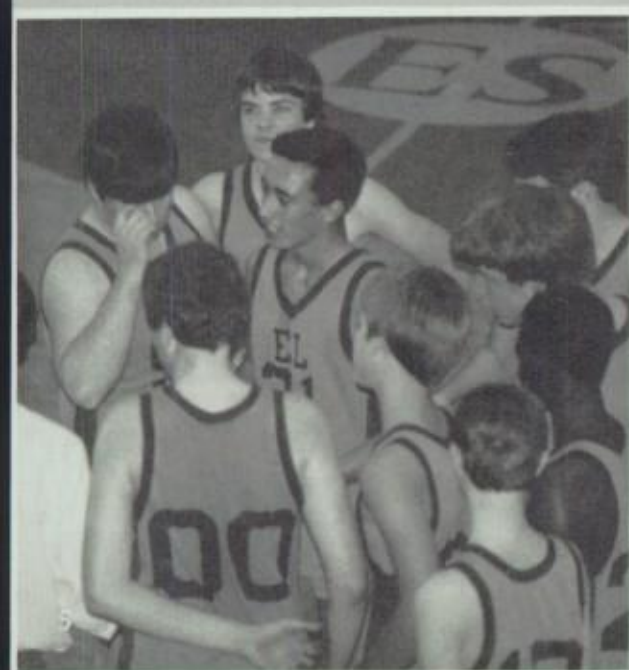

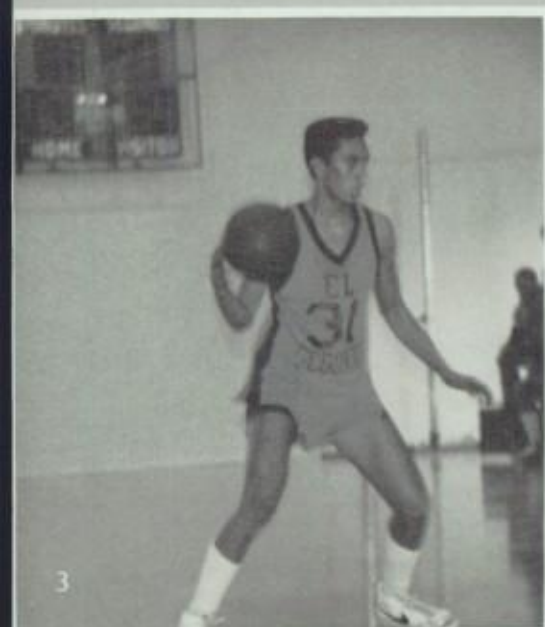

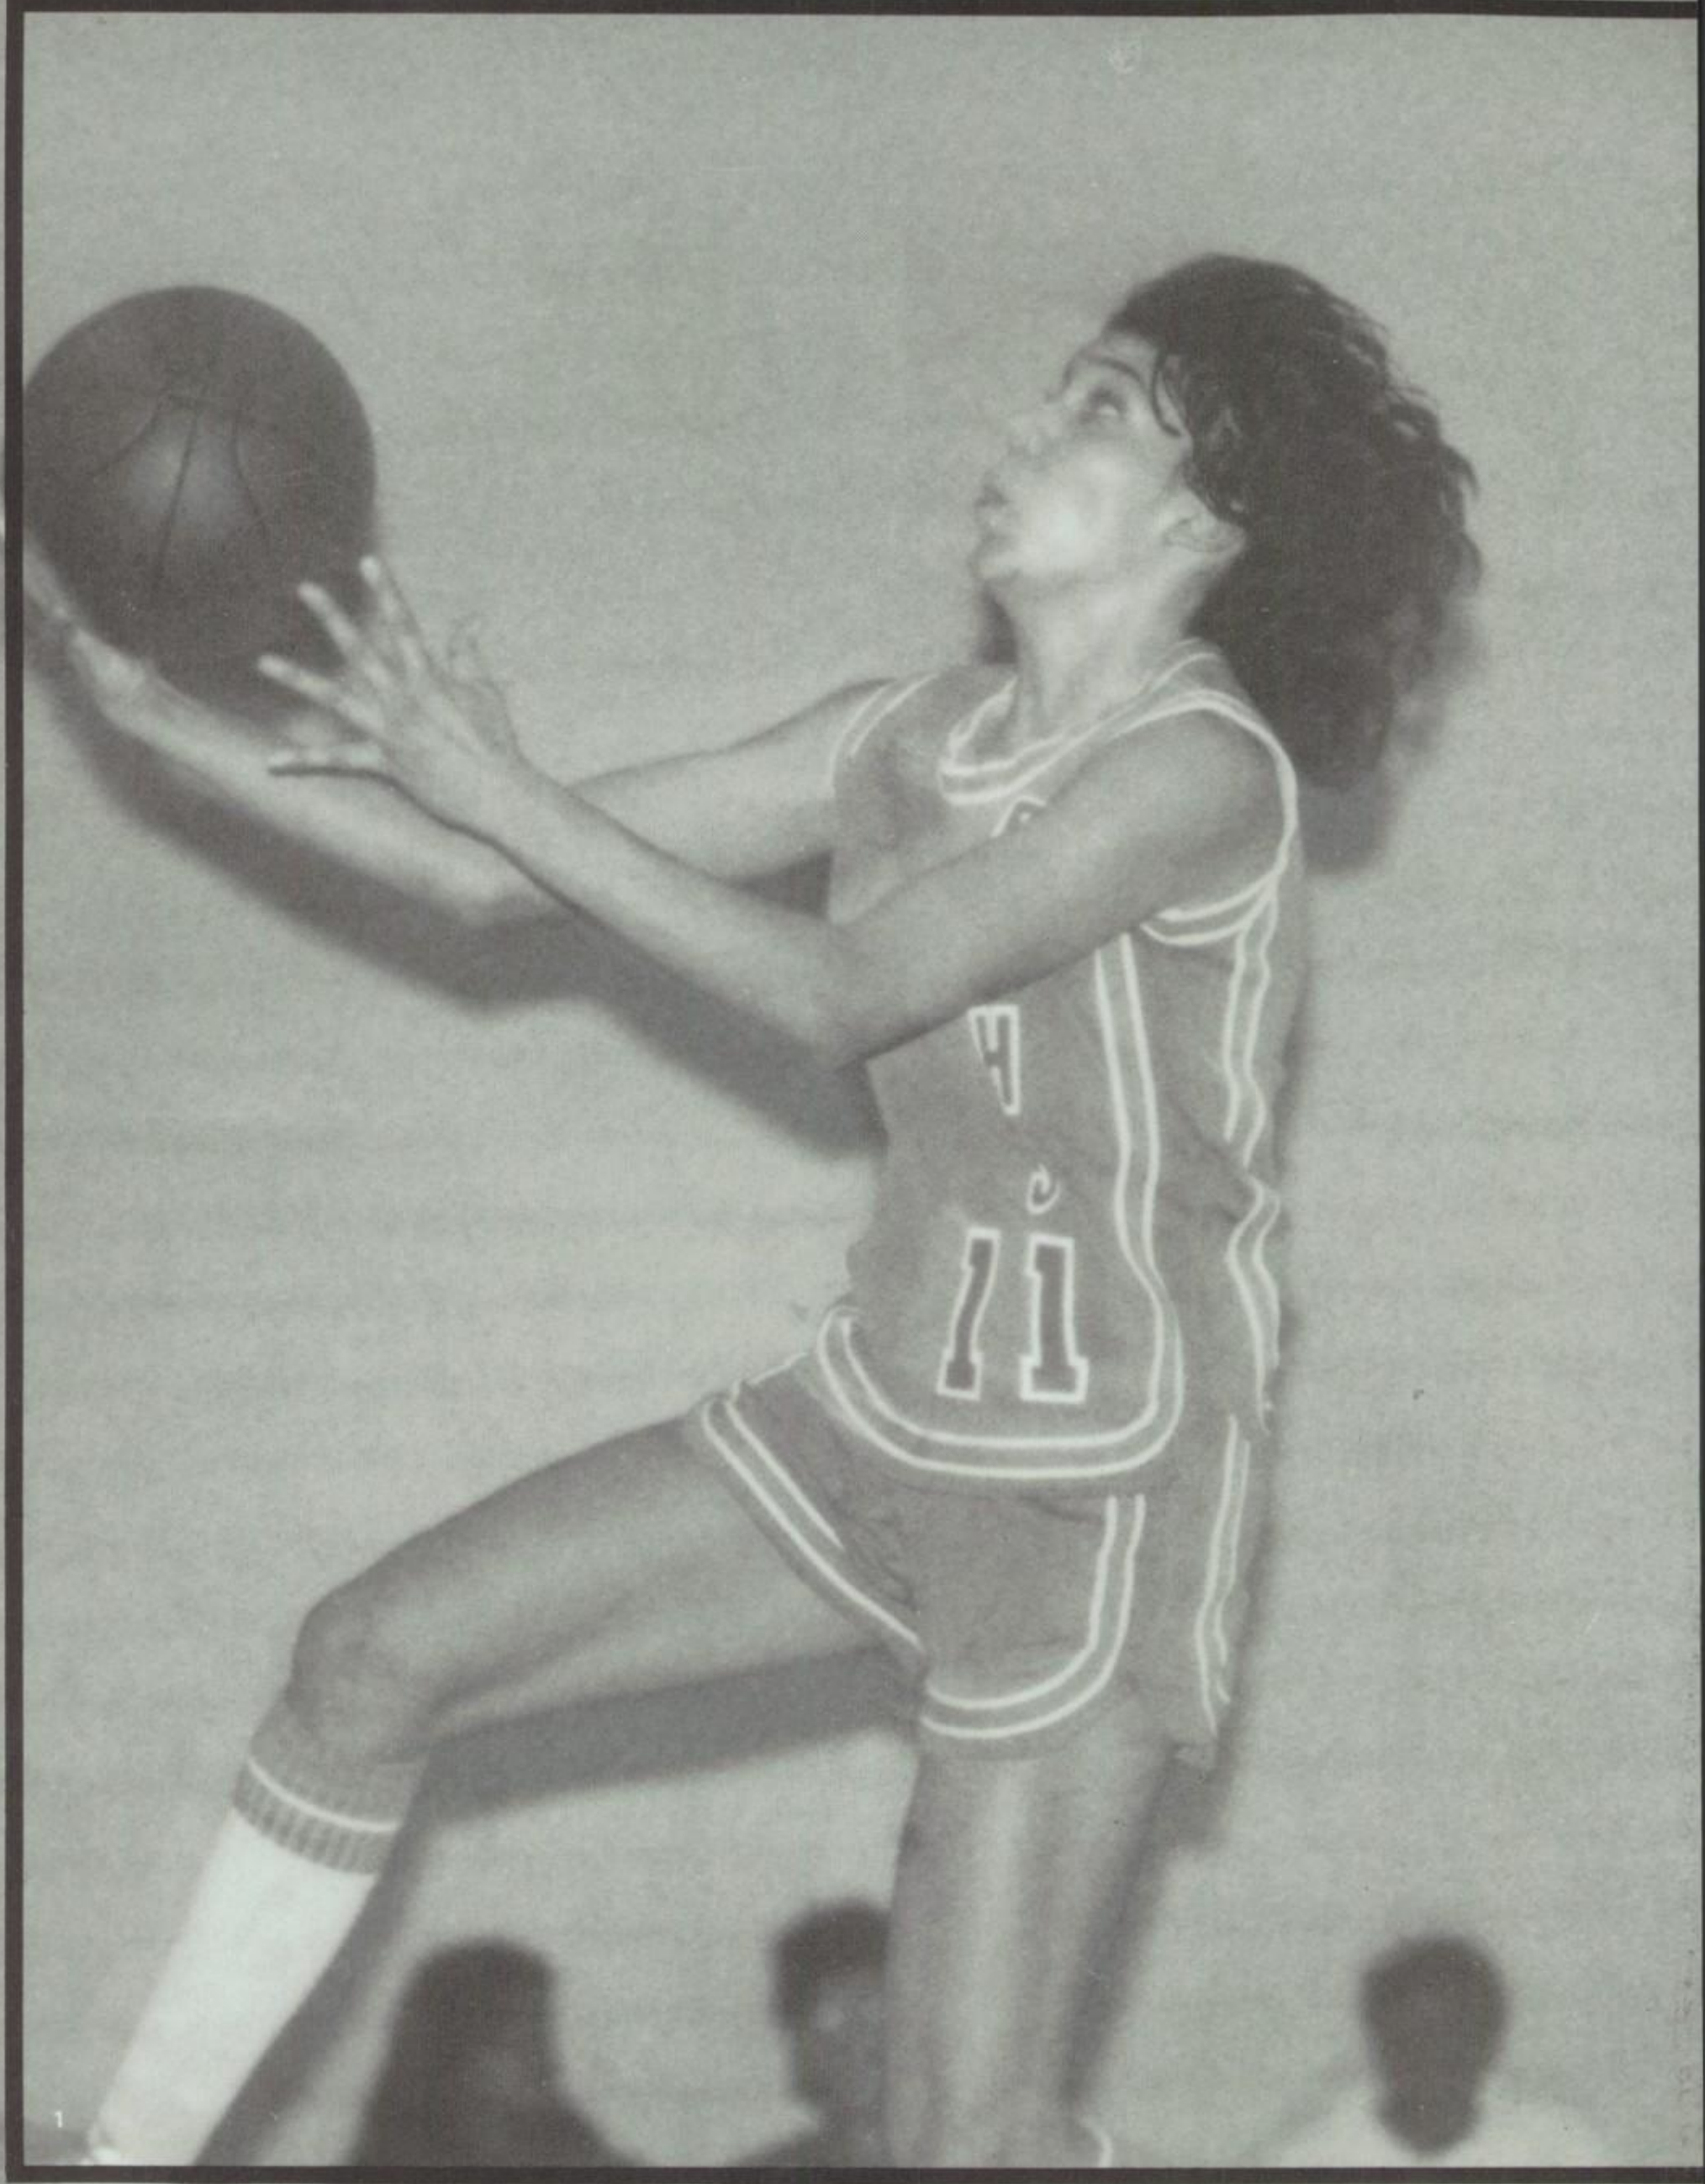

MOVING UP

The J.V. team had a very successful pre-season with a 10-1 record. Several key players then were moved up to Varsity which hurt in league play.

Most valuable player was **Robert Markle** and the most improved was **Dean Booher**. **Don Woodcock**, **James Stuart** and **Steve Robison** gave consistently good performances.

1. **Don Woodcock** manages to push the ball in Eagle favor. 2. J.V. boys basketball team Front Row: **Hugo Silva**, **Brian Falque**, **James Stuart**, **Robert Markle**, and **Steve Van Pelt**. Second Row: **Don Woodcock**, **Steve Robison**, and **Pat Wilkinson**. 3. **James Stuart** plans his strategy to help his team-mates dribble to victory. 4. **Don Woodcock** and **Phil Pettaway** hold their breath ... Is it? ... Will it? ... And it's in! 5. The team gathers for the quarter break, and **Coach Van Pelt** gives a few motivating words. 6. "Oh no, they got the ball again!" sputters **James Stuart**.

THIRD PLACE

The Girls Varsity Basketball Team took third place in league and qualified for the CIF playoffs. They were backed by the All-League selections of **Kristi Thome** and **Lynn Sanchez**.

Dory Roberts was voted the team's Most Valuable Player because of her hard rebounding and powerful jump shot. **Maria Wilches** (AFS student from Ecuador) kept the Eagles solid with her long bomb outside shooting while **Tracy** and **Jamie Sumrow**, along with **Gretchen Buchen**, gave the team their all-out hustle.

Coach Williams was very proud of every player for the team's dedication and the outstanding effort they gave to make the 1984 season a success.

1. Connie Fox, Dory Roberts, Lynn Sanchez, Celeste Searle, Kristi Thome, Gretchen Buchen, Maria Wilches, Tracy Sumrow, Jamie Sumrow, Nancy Schmidt and Mr. Williams. 2. THE FIRST YEAR IS ALWAYS TOUGH

The 1984 J.V. Girls Basketball team was led by **Yolanda Gomez**, **Edee Sanchez**, **Dawn Macdonald**, and **Sherry Connors**. The season went smooth considering this was **Marnelle Oliver's** first year coaching.

Although the score of the league games was three wins and five losses, both coach and players gained experience.

Even with an injured leg, **Edee Sanchez** manages to throw in from the side-line. 1. **Dawn Macdonald** helps the team dribble to victory.

EXPERIENCE NEEDED

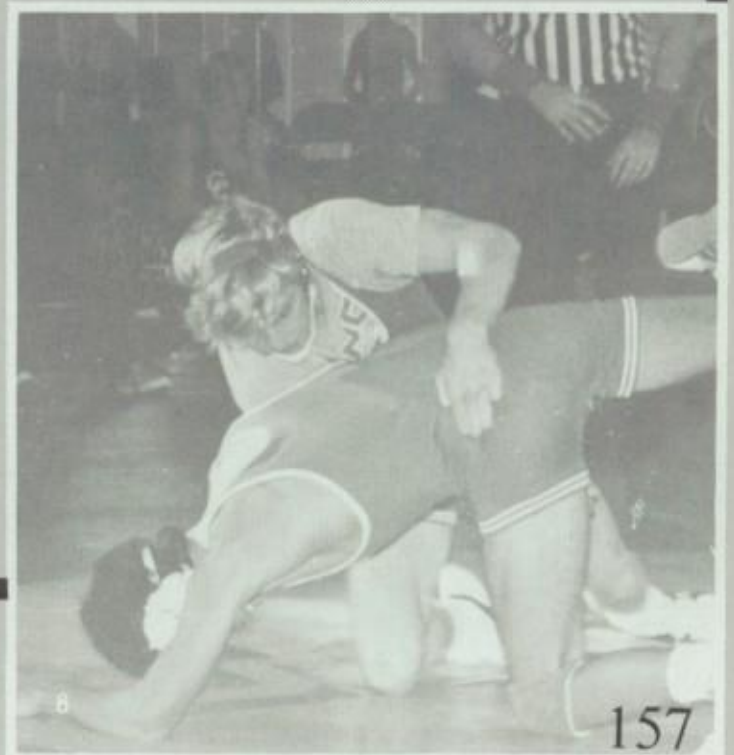

The 1983-84 Eagle Wrestling Team was very young, having only two seniors, **Todd Shields** and **Mitch Harris**, and only three juniors, **Brian Rothenberg**, **Luis Zavala**, and transfer **Bill March**.

This young team gained its experience in the pre-season tournaments like the El Toro, Hawthorne Christmas, Palos Verdes, Alemany and Melodyland. The team was very competitive in league, finishing third with a 2-4 win/loss record.

Any league final championships were lost when **Rich Moe**, Senior Captain, was lost for the league and CIF Tournaments. Qualifying for CIF were **Luis Zavala**, **Brian Rothenberg**, **Doug Somers**, **George Nosis**, and **Victor Zavala** who lost to the eventual CIF championships.

At the team banquet, **Todd Shields** was named MVP, **George Nosis** received the Most Improved trophy and **Mitch Harris** fastest pin (12/sec). Next year's team should be exciting with 15 returning wrestlers.

1. Senior **Rich Moe** pinning his Culver City opponent. 2. **Rich Moe** has control again! 3. The human Pretzel! 4. Senior **Victor Zavala** pinning his Leuzinger opponent. 5. "Oh, Boy! Shoulder to the floor..." 6. Shall we dance? 7. Team, Front row: **Doug Sommers**, **Todd Shields**, **Doug Mellars**, **Jim Johnson**, and **Luis Zavala**. Second row: **Bill March**, **David Mellars**, **Brian Rothenberg**, and **Robert Sanchez**. Back row: Coach **Craig Cousins**. 8. Sophomore **Doug Sommers** is in a good take-down position!

NOT IN DEPTH—YET

The 1984 Swimming Team, captained by senior sprinter **Pat Sheehan**, had an outstanding season in compiling many excellent individual performances. However, the overall lack of depth of the team made it nearly impossible for the team to win many dual meets.

For the first time El Segundo has fielded a Varsity girls division, back-boned by CIF qualifier **Stacy Mettam** and filled out by **Kelly Lyle**, **Joanne Swisher**, and **Michelle Crawford**.

This has been the strongest contingent of frosh-soph swimmers in many years. Led by sophomore standout **James Stuart**, talented swimmers such as **Eric Albertson**, **David Nilson**, **Steve Van Pelt**, and **Daniel Wilkinson** will be contenders for the Pioneer League Crown at the frosh-soph level.

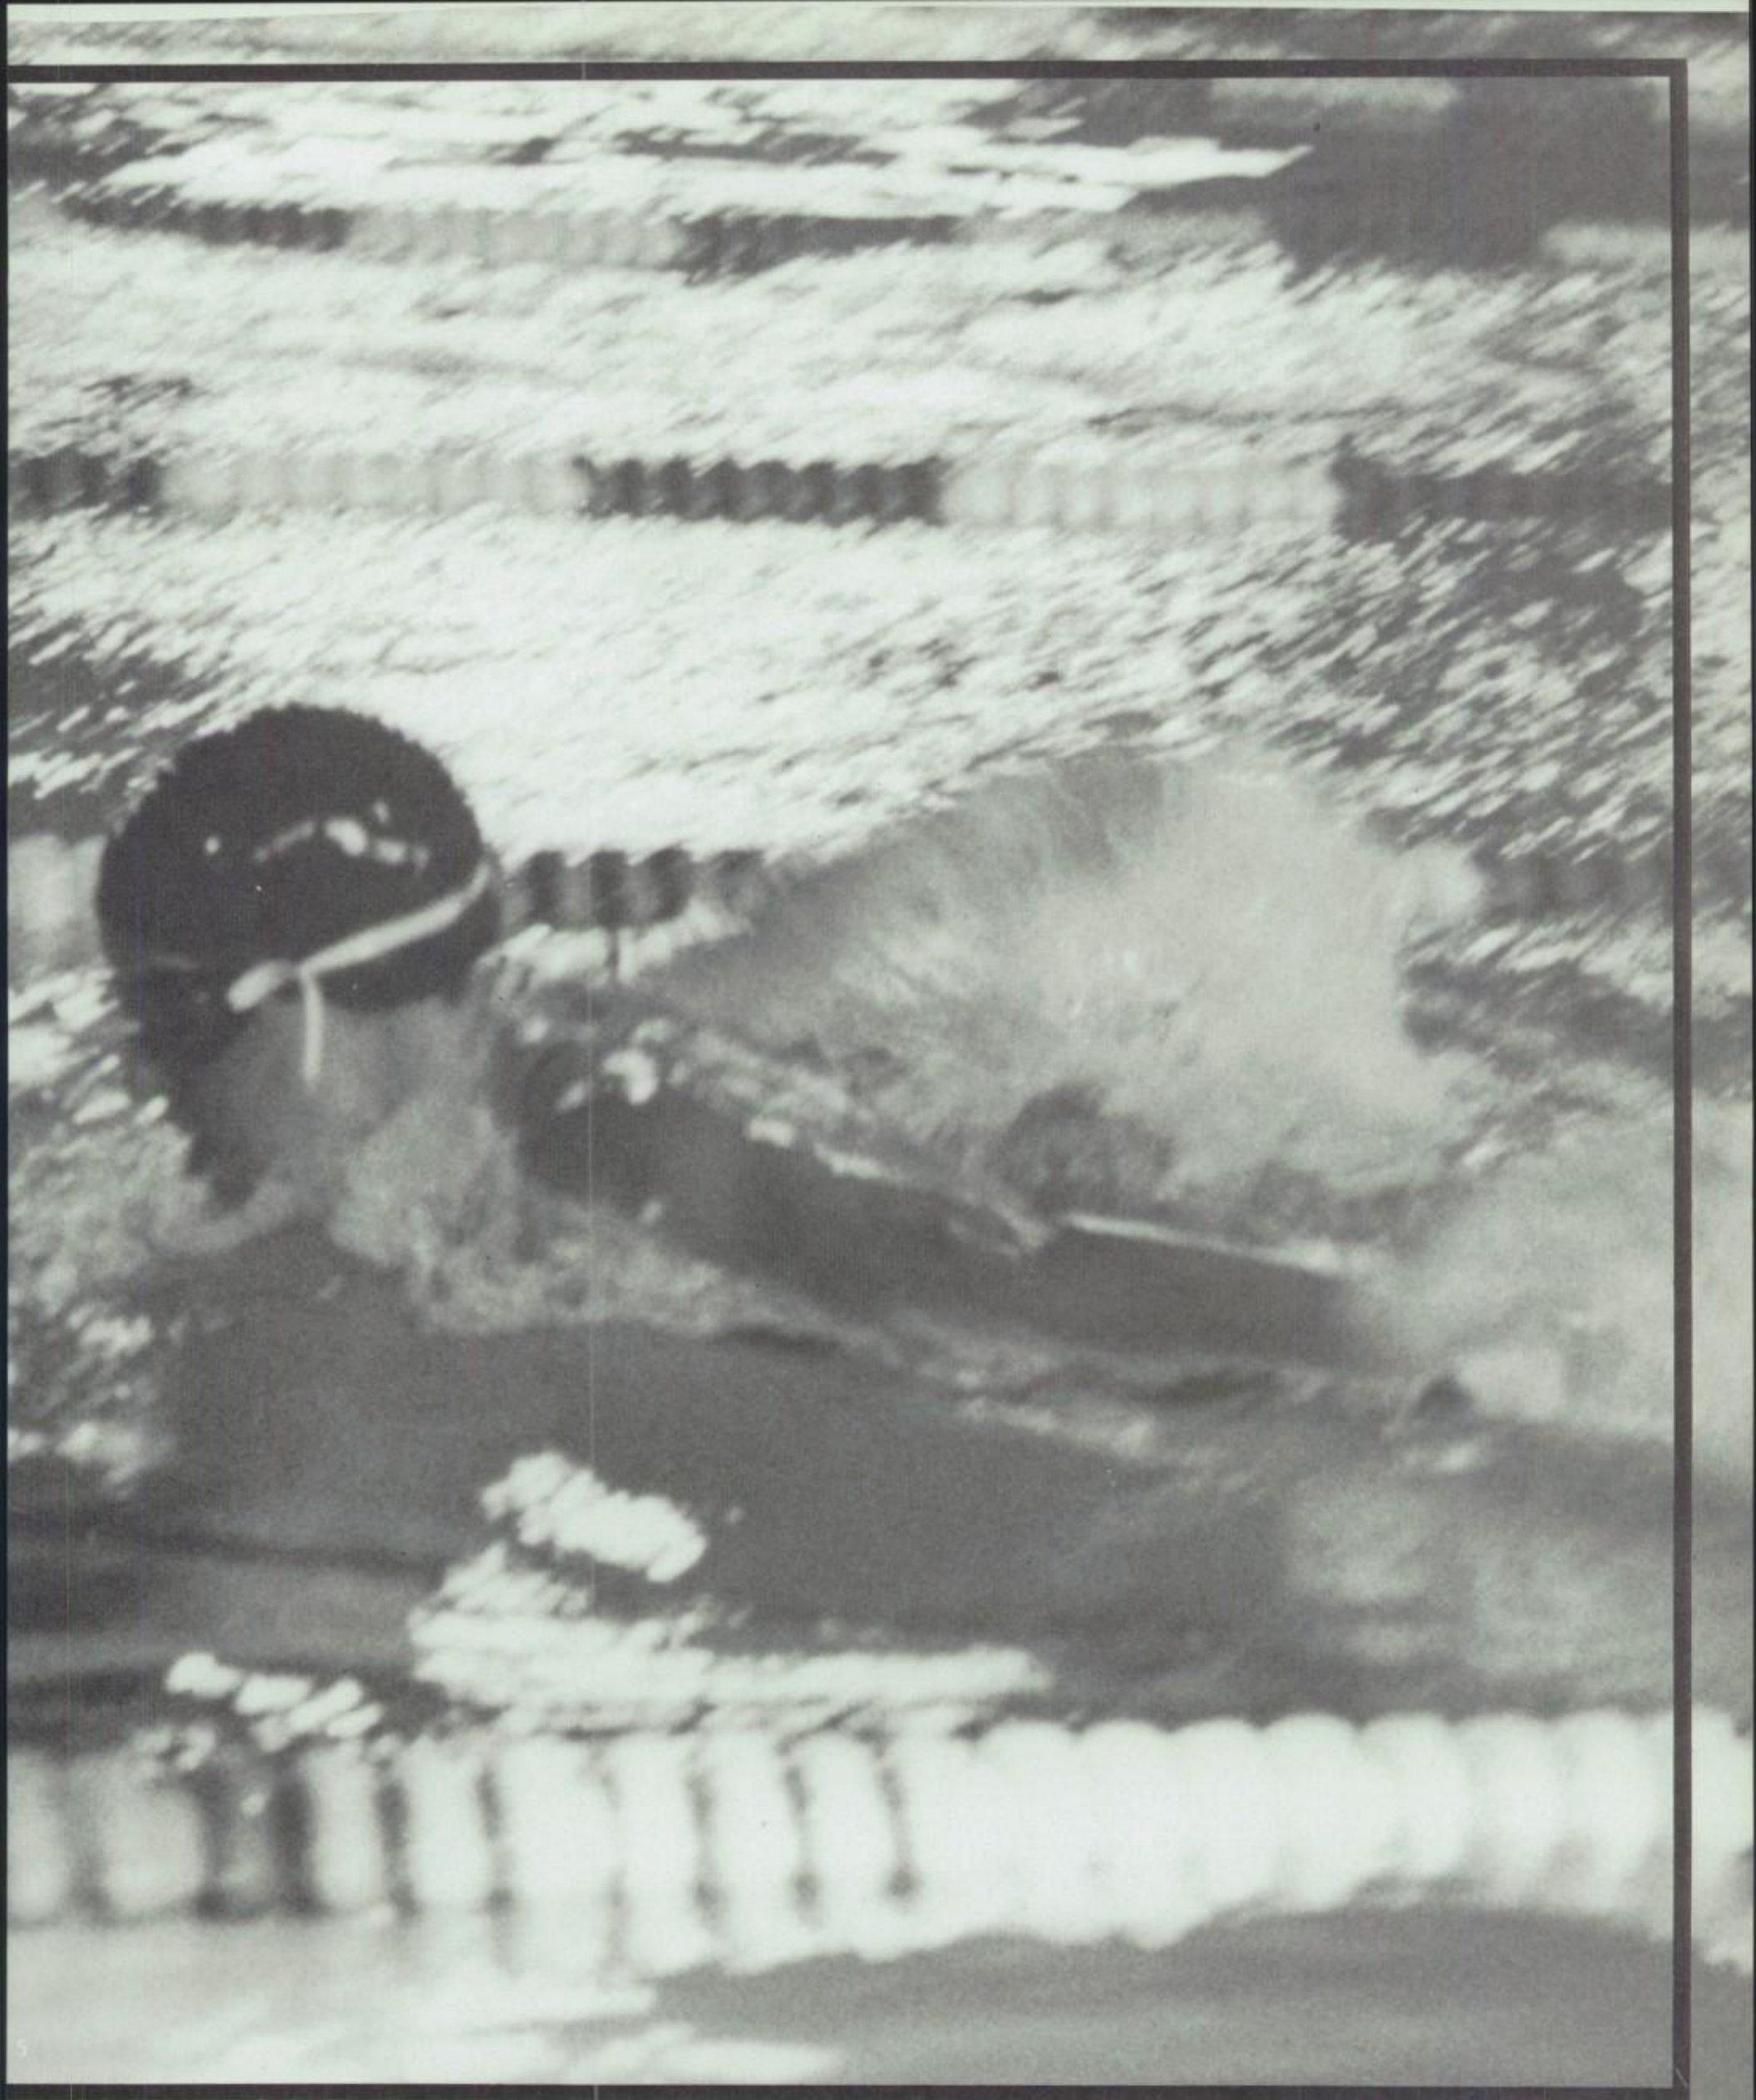

Although the win/loss record is not great, the team is young, talented, self-motivated, and looking to the future. Most of the swimmers will be with the team two or more years.

BEST FOOT FORWARD

This year's Varsity Soccer team was lead by **Vezina, LeChevallier, Watkins, Searle, Sweet, Williams, Sondergaard, B. Suttner, Gutierrez, Krebs** and **White** to name a few who contributed to the '84 team. It was a tough season with a late start because we had to get a coach, and the fact that we competed against larger schools with established teams. **Mr. Nusbaum** took the team and worked them hard. All things considered, the team did well. There will be several players on the JV team who have gained experience and will be moving up to the Varsity level, thereby making the Eagles the team to watch next year.

1. Left to right: Sergio Lozano, Michael Gronroos, Matt Filson, Eric Shah, Juan Garcia. 2. Left to right: Ron Gilbert, John Cole, Matt Filson, Eric Shah, Sergio Lozano, Artistos Marino.

TEAM OFF TO GOOD START

With the beginning of the season approaching, the girl's Soccer Team did not know who was going to coach them. **Rick Nusbaum**, last year's assistant, stepped in and took the job. This year's team was very young, being made up of two juniors, eight sophomores and five freshmen. They played in the toughest league in CIF 4A and did an outstanding job. The team was led by second year All Ocean League selection, sophomore **Kim Rausch**, sophomore **DeNae Williams**, **Kim Noone**, and freshman **Sonja Boettger**. Every girl played a vital role in the team success. With everyone returning with a year's experience, the team can only get stronger.

1. **Sonja Boettger** skillfully kicks the ball away from her opponent. 2. **Connie Boettger**, **Chris Sahli**, **Carolyn Markle** and **Kim Noone** look upset after one of their few loses. 3. **DeAnn Williams** runs her hardest to catch her opponent. 4. **Kim Rausch** successfully juggles the ball. 5. **Coach Nusbaum** coaches his team to another victory. 6. **Christy Calhoun**, turn around, the ball is the other way!

A TOUGH SEASON

The Junior Varsity Girls Soccer Team had a very tough season this year. They were a young team competing against some very experienced ones. **Rick Nusbaum** did a very good job with the team and the girls enjoyed having him as a coach. They worked well as a team and are willing to work hard for a successful season next year. Player **Ana Aqueche** said, "We're looking forward to coming back next year and I hope to make Varsity then. We had a lot of fun this year."

1. Front row: Michelle Rogers, Kirsten Schmidt, Shamarie McCullough, Patty Avila. Second row: Liz Dutchess, Michelle Barker, Julie Kellar, Maria Ravis, Nicole Stevens, Holly Pivovaroff, Pam Mortesen. Third row: Amy Greene, Ana Aqueche. 2. Shamarie McCullough ponders over why they lost the game.

RECORD BREAKING

Track finished a winning season with a number of record setting performances on the Boys and Girls Varsity.

Dory Roberts set a school record in the Shot Put (36'), and was undefeated in dual meets. **Celeste Warren** (100, 220, 440 relay) led the girls in dual meets scoring a total of 71 points. **Nikki Stevens** (880) finished among the top runners in the Pioneer League.

The Boys Varsity (5-3) was led by **Alan Van Drie** and **Mike Pettaway**. **Alan Van Drie** set a school record in the 330 IH, and was undefeated in the 440. **Mike Pettaway** led all performers by scoring 98 1/2 points, and was undefeated in the 100 and 220. The 440 Relay Team of **Alan Van Drie**, **Dave Byrnes**, **Mike Pettaway** and **Don Woodcock** established a new school record of 45.1. **Don Woodcock**, **Bill Woodcock**, **Jose Gutierrez**, **Scott Searle**, **Jeff Riggins**, **Dave Byrnes** and **Mike Gregory** were among the leading scorers for the Eagles.

Kelly Phillips, **Linda Hooper**, **Jenni Myers**, **Shelly Ostrowski**, **Stephanie Tipton**, **Kristina Schuler**, **Chris Sahli**, **Dale Esparza**, **Carrie Renner**, and **Tamara Burton** were a vital part of the Girls Varsity.

The Frosh/Soph were led by **Carl Toler**, **Doug Walters**, **Tim DeCordova**, **Steve Shook**, **Andy White**, **Doug** and **Dave Mellars**. These athletes will be called upon to strengthen next year's varsity.

1. Brock Edwards practices his shot before the track meet. 2. Full speed ahead, come on, you can do it, Doug Walters and Tim DeCordova! Yea!! 3. EXPERIENCE ...NOT ENOUGH

The 1984 J.V. and Varsity Tennis teams have been having their problems this season. Both teams were winless in their first seven matches.

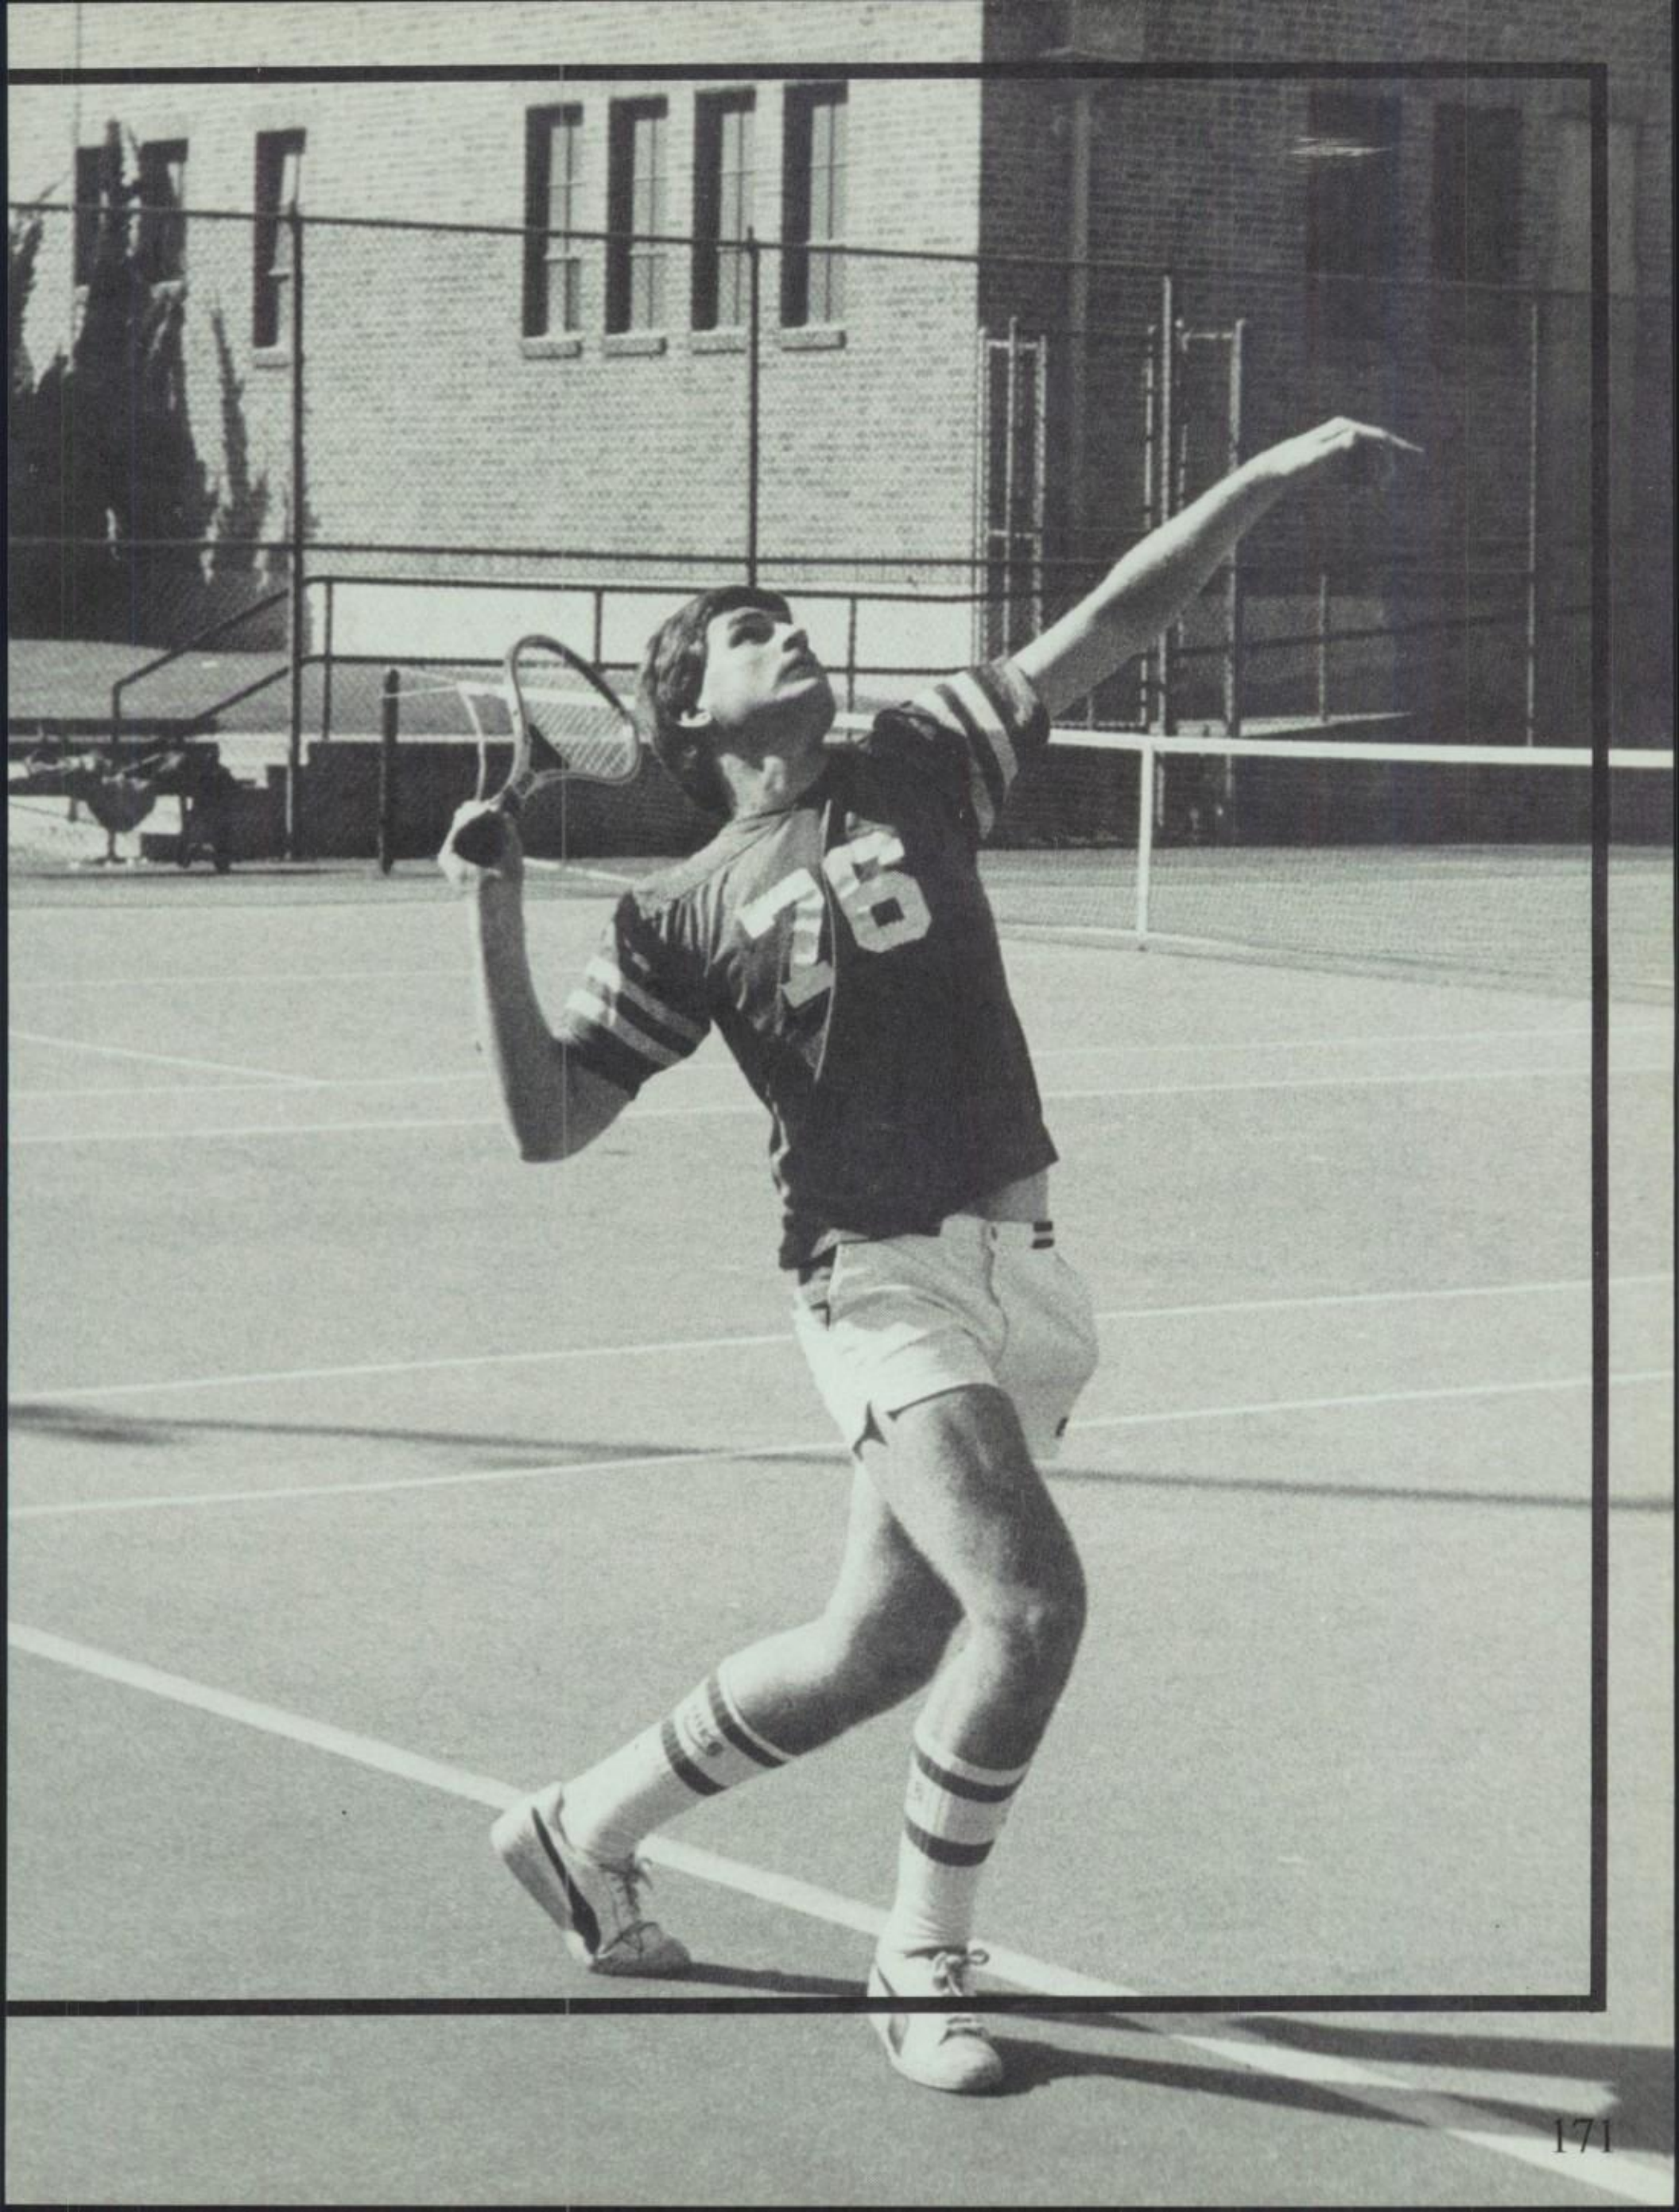

Coach Hawksworth's team was led by Eric Watkins, George LeChevallier, Monica Muller, Tim Fayollat, Brian Moos, Dean Booher, and Eric Shah.

"Eric has been our most consistent player," Hawksworth said. Although it was not the best of seasons, both coach and players gained experience.

FIRST RATE TEAM

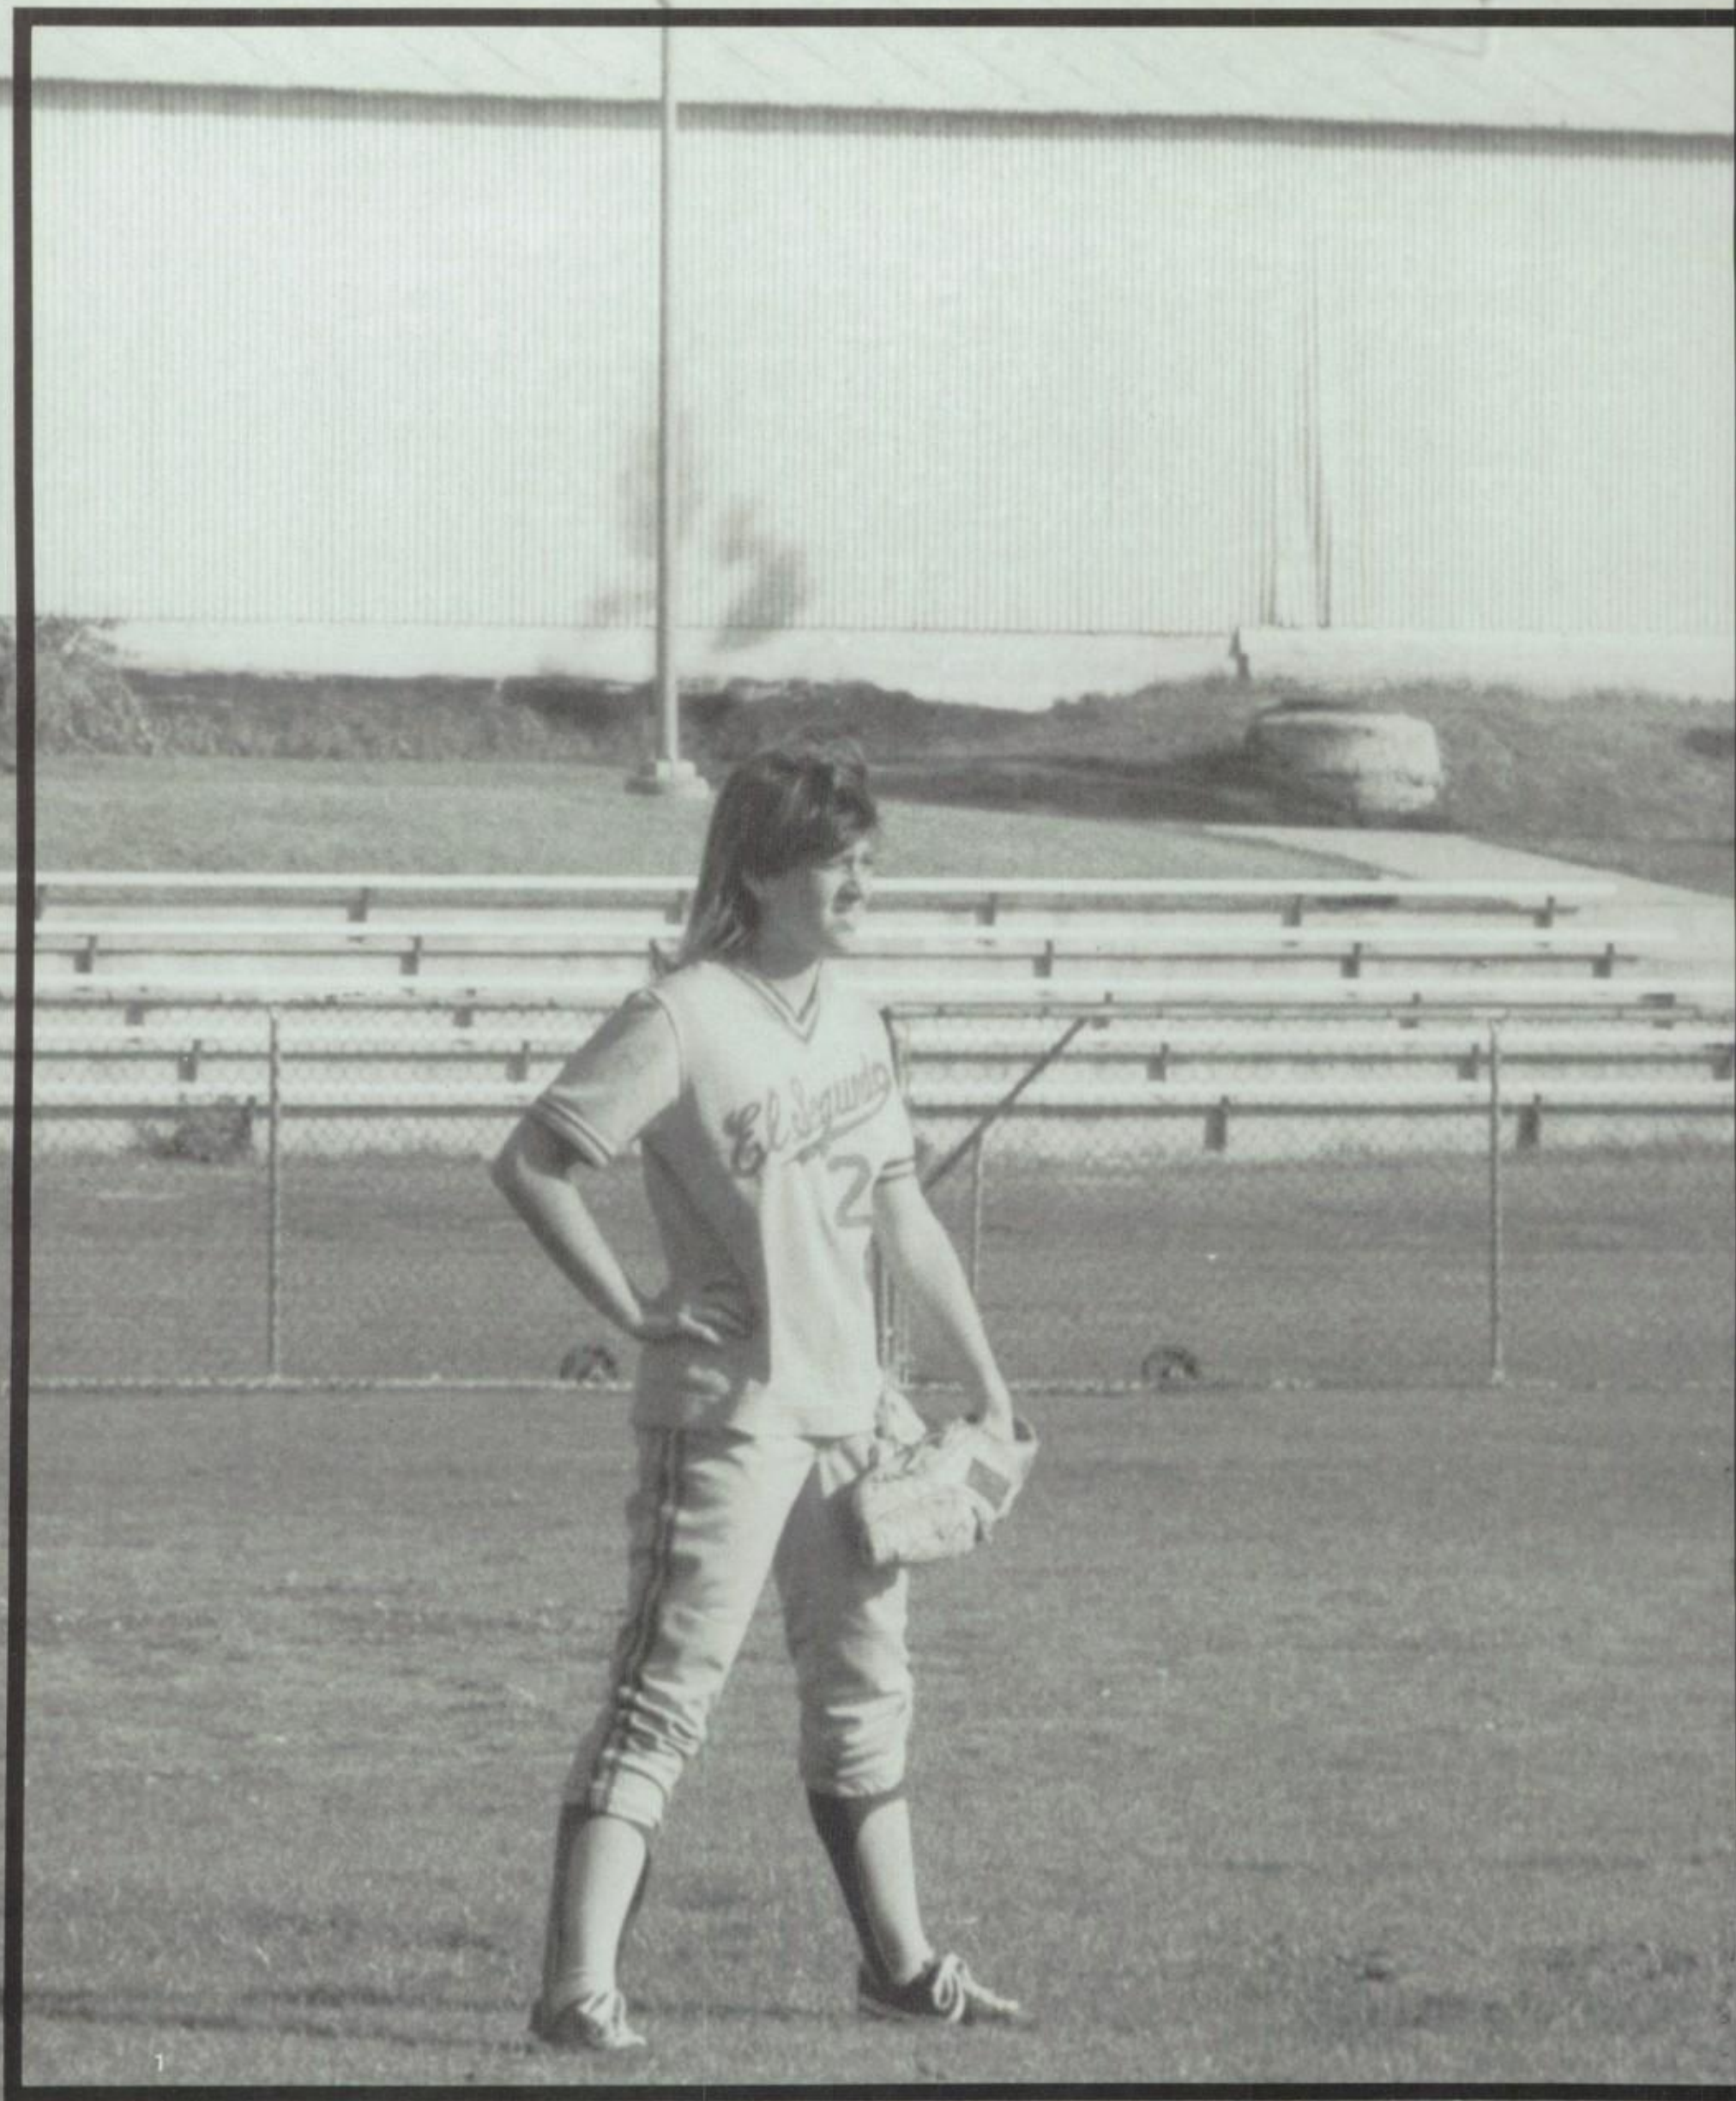

The 1984 varsity softball team was truly a gifted team. We had five returning players and all with solid credentials at their position. It was also a building year for years to come. Our five returning players, **Stephanie Molinaro-1st**, **Monique Schmidt-CF**, **Tremain Pahlke-P**, **Kim Rausch-SS**, and **Lisa McCullough-C**, were the basis for our winning season. Add to that eight graduating JV's and the heart for this team was established. With the position of catcher being an extremely demanding job, we were in jeopardy when **Lisa McCullough** was hurt. In searching out our players we found a very valuable, gifted player in **Marlo Morehouse**. **Tremain Pahlke** in both coaches' minds will be the pitcher to reckon with in the next two years. Put this together with eight returning players and El Segundo will surely be a first rate power.

If it were not for people who assist and give input, energy and desire to a team sport, there surely would not be winning teams; **Mr. Howard Williams** is that kind of person. The team thanks **Mr. Williams**.

PERFECT RECORD

The 1984 J.V. softball team has to be one of the finest in school history. As of this writing, the team is undefeated in league play and has outscored their opponents 108-7 with a 9-0 record in league and a 14-0 record overall. **Heather Martin** has not allowed an earned run, and pitched a no-hitter against Miraleste.

GROWING PAINS

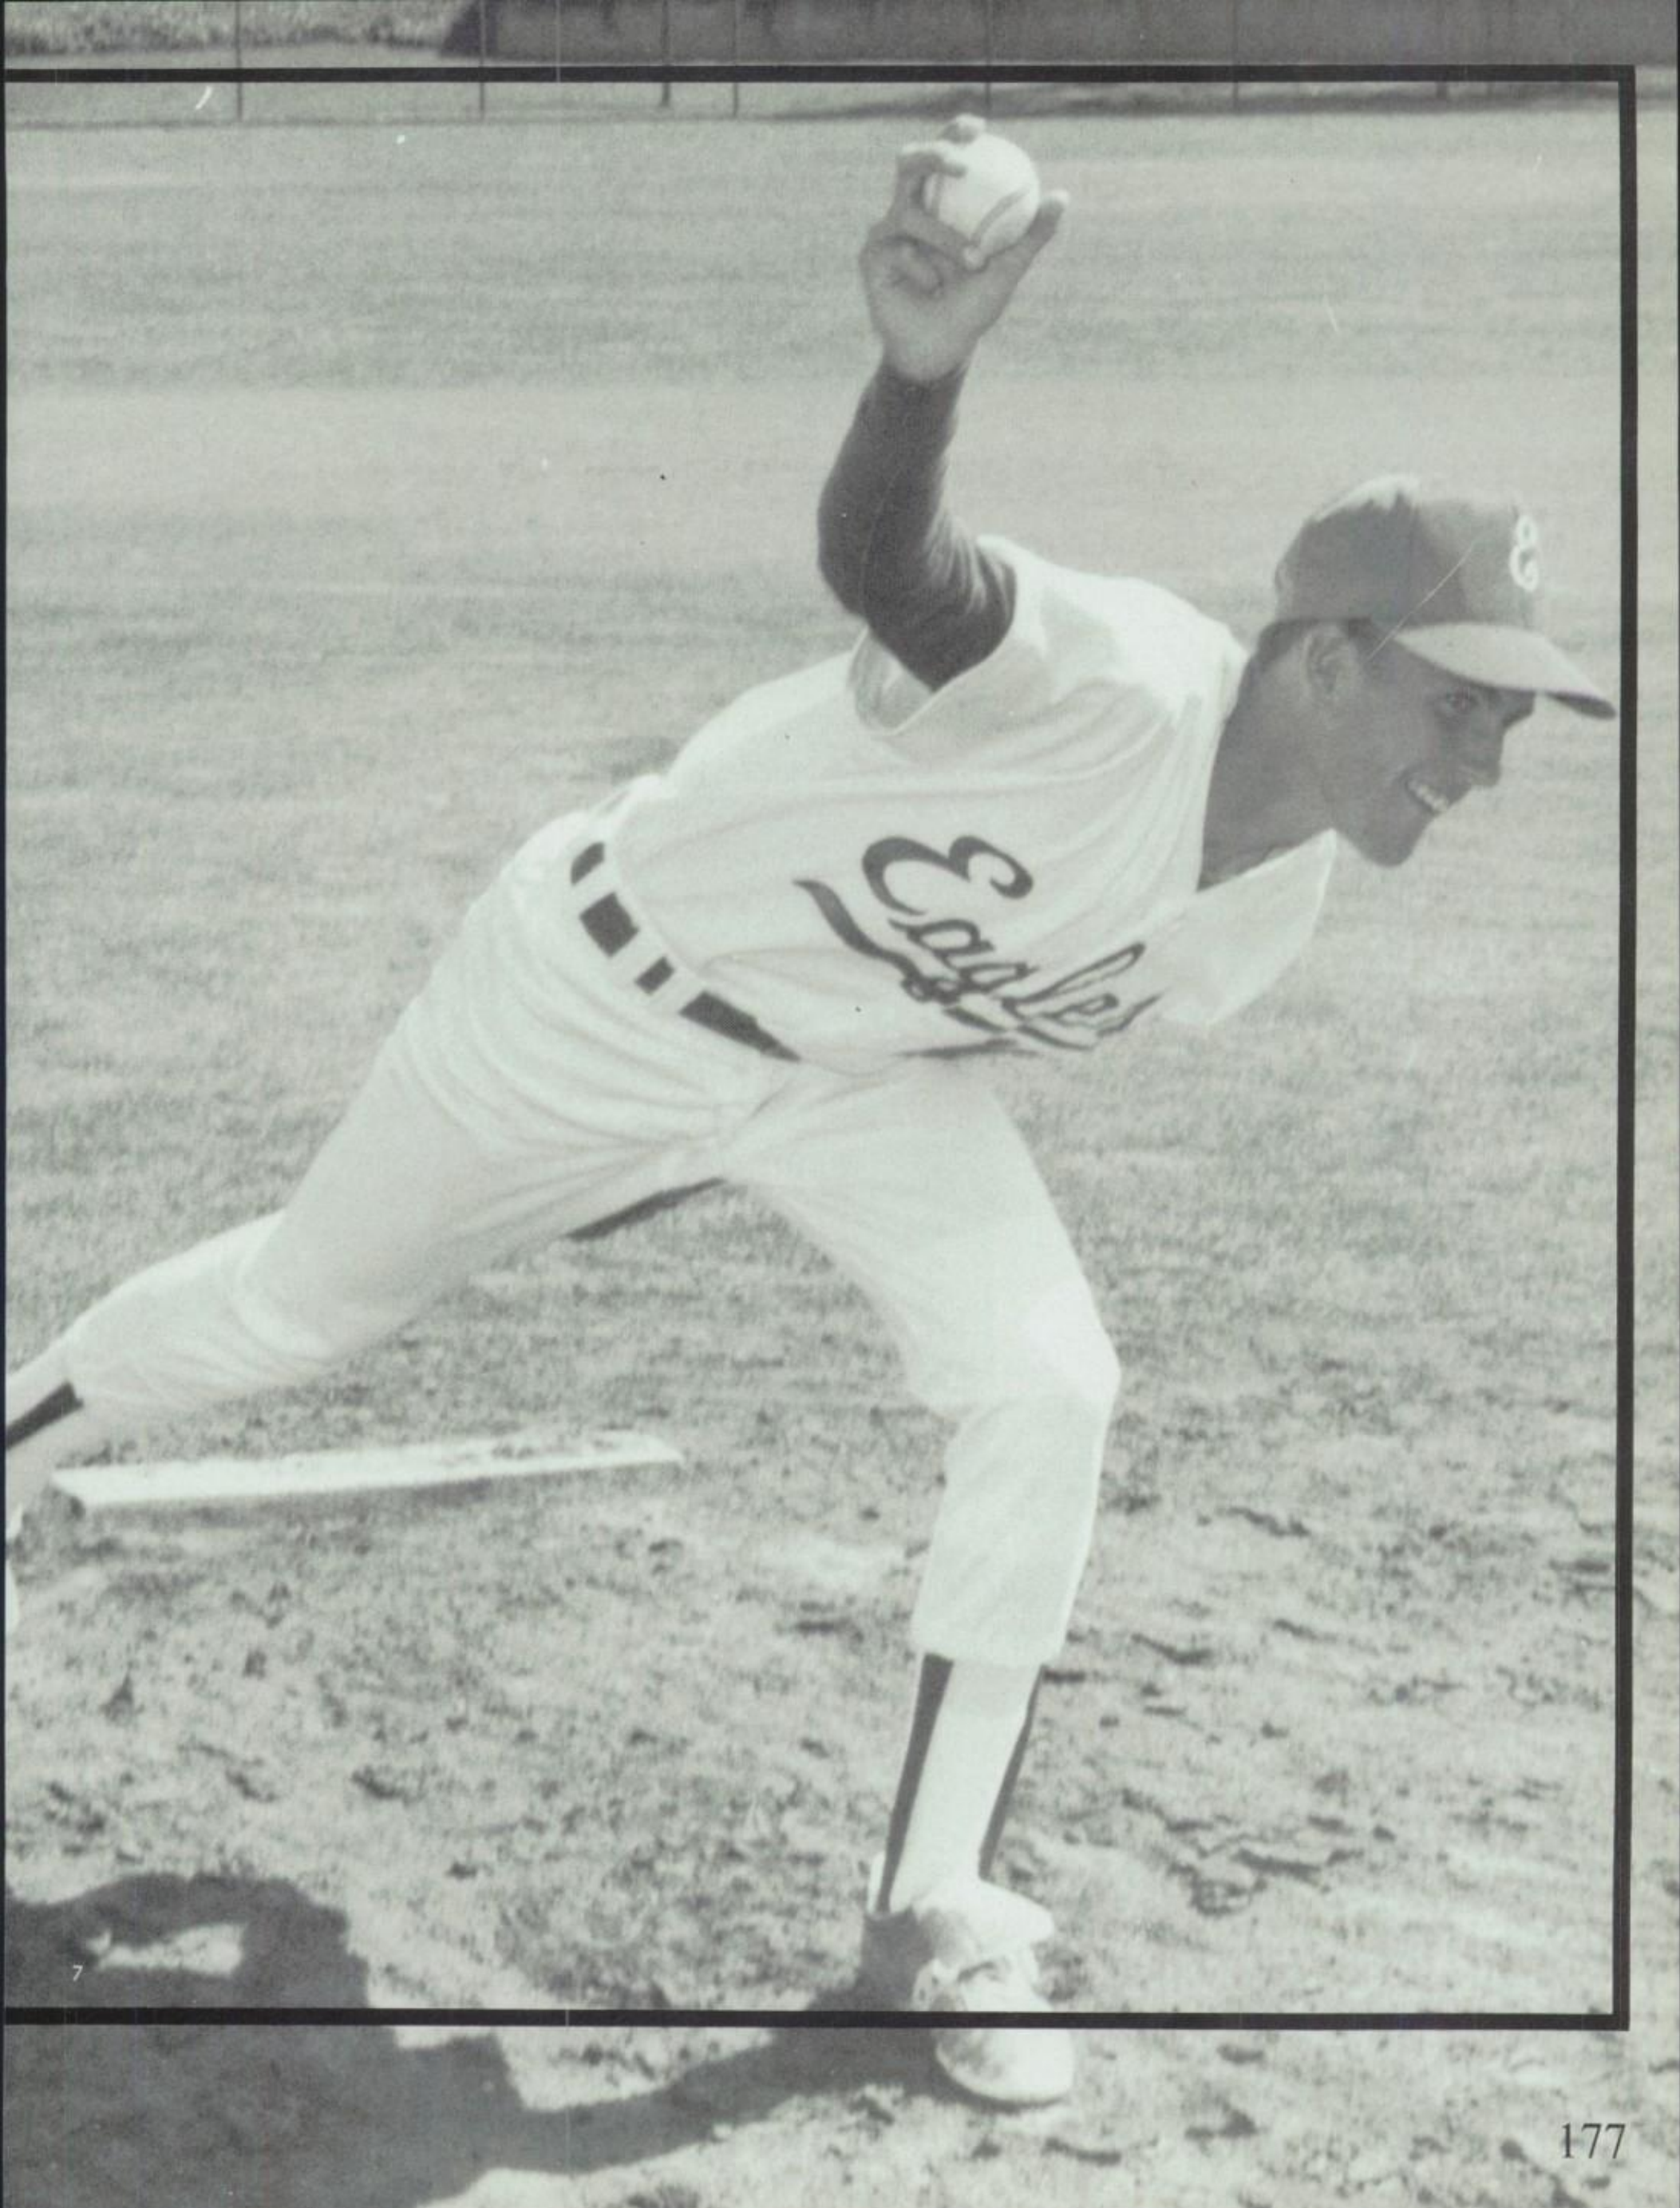

With only two seniors in the starting line-up, the 1984 Eagle Baseball team started seven underclassmen and suffered the growing pains that usually accompany inexperience. This year, the Eagles were plagued with inconsistent play and at press time were lodged in fourth place.

Last year's squad was a CIF 4A quarterfinalist and was led by 1984 returnees, catcher **Dennis Wilkinson** (1983 All league and All Area) and shortstop **Mark McWherter**. Both have had an outstanding 1984 season and have worked hard to provide the young Eagles with much needed leadership.

Next year's 1985 squad will return 12 members from this year's team and should prove to be both a league and CIF contender.

1. Varsity Baseball: Front row: **Bryan Handy**, **Willie Parsons**, **Kemer Brett**, **Dave Peebles**, **Robert Markle**, **Gary Schultz**, **Ronald McMenamy**. A TRYING SEASON

The Frosh/Soph baseball program was revived in 1984, for the first time in four years. Both Frosh/Soph and J.V. teams were very young, comprised mostly of freshman with a few sophomores. The value of the extended baseball program will pay dividends in a few years, when the Eagles once again become challengers for the CIF championship.

Although the win/loss record for both teams in 1984 may appear grim, the development of young baseball players for Varsity is encouraging. Several outstanding athletes will play on the Varsity team in their junior and senior years.

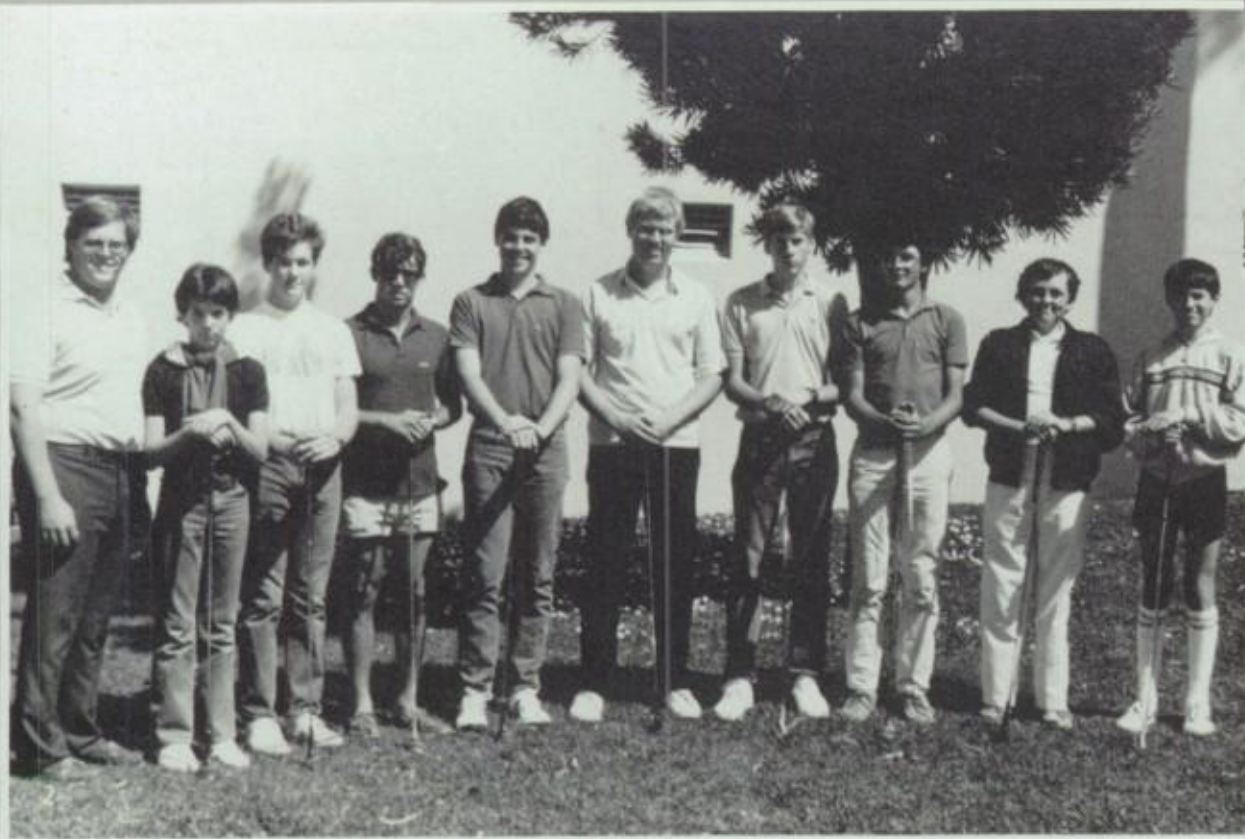

Especially promising for the future are such young prospects as third baseman **Ed Helvey**, shortstop **Alan Goldman**, pitcher **Scott Talanoa**, and outfielders **Joe Krebs** and **Dereck Sanchez**.

1. Frosh Soph: First row: Tom Shannon, Brian Stringer, Matt Filson, Mike Gronroos, Robert Sanchez, and Todd Colyar. Back row: Coach Greg Mac Mullin, Jason Freeney, Tom Robertson, Ronnie Gilbert, Greg Avila, Alex Guerra and Dan Gustafson. 2. JV Baseball: Front row: Jackie Serrano, Doug Somers, Alan Goldman, Jeff Clark, Ed Helvey, Clint Walker, and Joe Krebs. Back row: Coach Larry Cummings, Tony Parente, Jason Kirkland, Dan Parente, Scott Talanoa, Pat Wilkinson, and Dereck Sanchez. 3. Jeff Clark pitches one more curve ball for another shut out. 4. Ed Helvey picks up a ground ball for the third out. 5. Dereck Sanchez waits for the grounder to get to him.

LOSSES HEAVY THIS YEAR

Golf was taught by Coach **Curtis Garner**. The home course was Chester Washington Golf Course. The golf teams had an eleven team schedule, and every school's golf team played a round of golf at their golf course, and then a round at ours. All the scores were then added up after the rounds. The team with the lowest score won. The golf team also played in two-open tournaments along with all the other schools. The over-all record at the time of this writing was more losses than wins, "but," says Coach Garner, "the team is working hard to change the score."

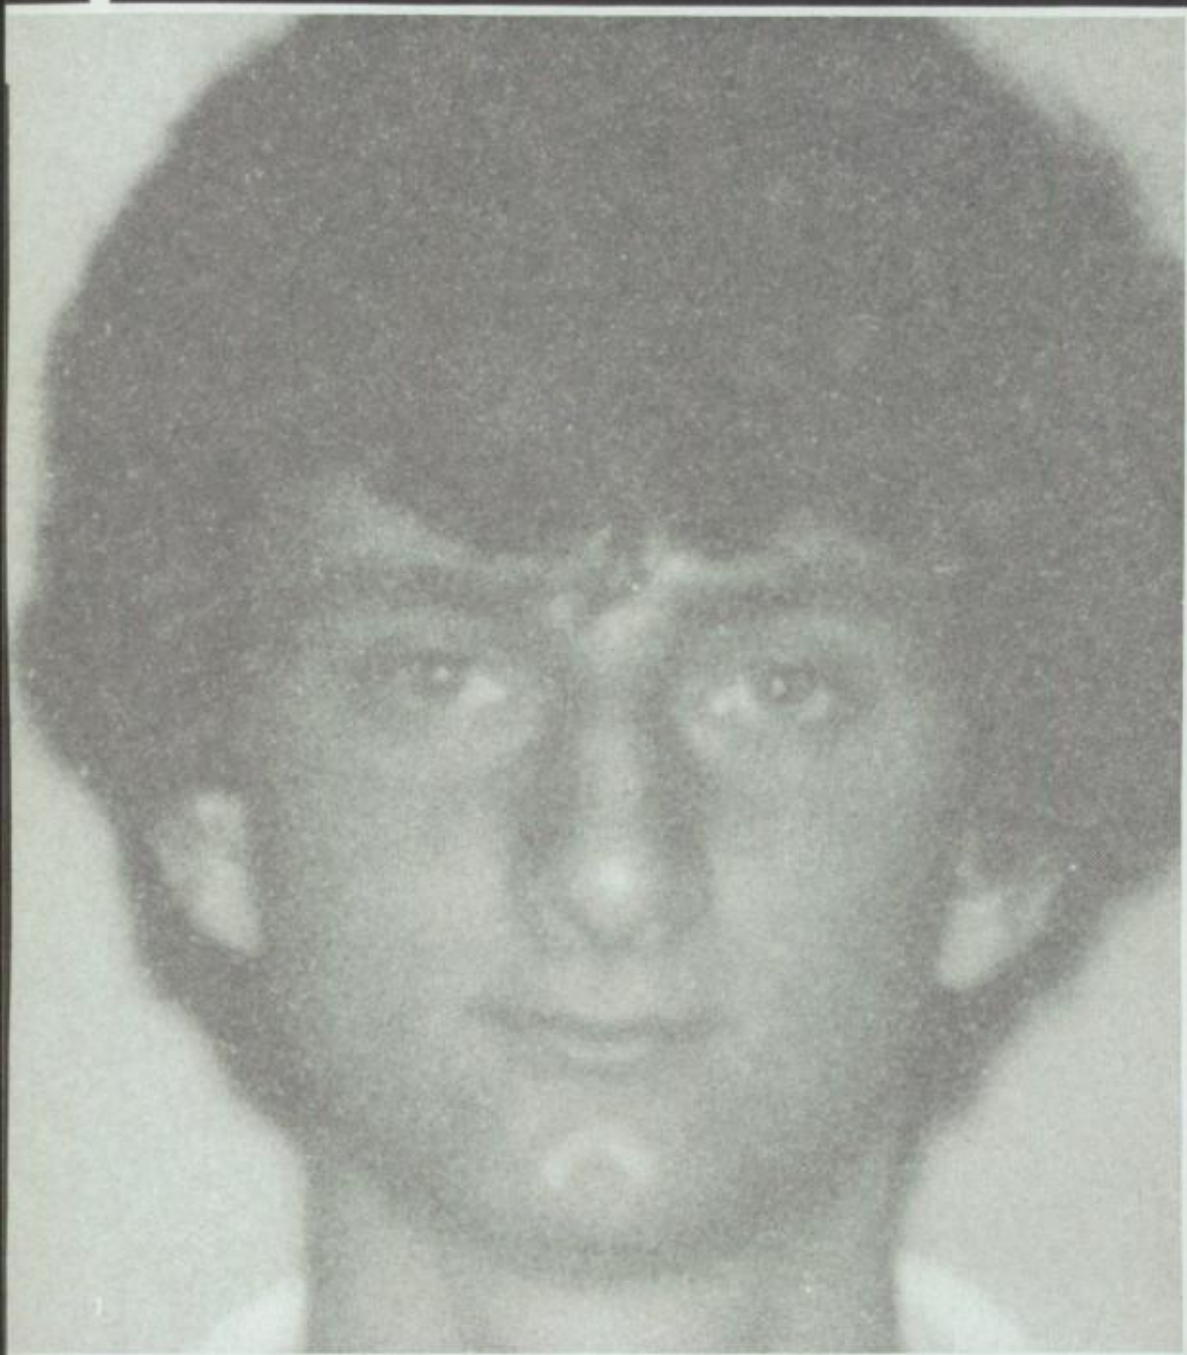

1) **Jon Charland** concentrates on his fine form. 2) Golf Team, Left to right: **Coach Garner**, **Kevin Doby**, **Joe Emenaker**, **Matt Hamilton**, **Tim Moffett**, **Kevin Efflandt**, **Jon Charland**, **Anthony Quintal**, **Jason Dinubilo**, **Brad LeClerc**. 3) **Tim Moffett** makes a clean swing to get the ball off the tee. 4) **Kevin Efflandt** likes to see if he hit the ball! 5) "Catch me, I'm falling!" exclaims **Kevin Doby**.

MARK TALLEY 1967-1984

"Mark was the only person who could make me laugh," said Bob Rapoza.

Mark Talley, born April 30, 1967, was a student, friend, brother and son whom nobody will ever forget. He grew up in El Segundo with his parents, three brothers and the numerous friends he made through the years. Mark had the unique talent of befriending everyone he met. He had the respect of all of his teachers. He was a great student and, at the same time, managed to keep his classmates laughing.

Mark is remembered by some as the only student walking the halls in shorts on a cold and rainy day. "Mark was almost responsible for

putting Levi Strauss out of business by wearing shorts 365 days a year," said Joe Suttner. "There aren't too many people who would wear shorts to go ice skating, but Mark was one to break the rule." (Did Mark even own a pair of pants?)

Mark was very active in the Spanish Club and in AFS. He was also a very big part of the band. Through the band, he was able to show that terrific school spirit that was said to be contagious. Although Mark and Mr. Tash enjoyed a continuous game of trading insults, Mr. Tash had to admit that Mark was a true inspiration with his talent in playing the sousaphone, his school spirit and his caring, outgoing per-

sonality.

What happened to Mark was a real tragedy. He became ill while in Guaymas, Mexico, with the band. Many other people, too, became sick while on the trip but it is not known why Mark reacted so badly. It was a shock to all when we learned of his sudden death on Thursday night, March 8, 1984.

It is hard to put into words just what Mark meant to all of us. He had an inexplicable aura. More than his happy appearance, more than his constant joking and his special friendliness was a special feeling one got from being around him. It was an unexplainable feeling of happiness nobody could avoid.

1. Mark in class, 1984. 2. Mark and friend, Bob Rapoza, marching in competition. 3. Mark and friend, John Cruikshank, with the Spanish Club homecoming float. 4. Chris, Mark, Matt and Paul at Christmas 1982. 5. Mark with friends he grew up with, Bob Rapoza and Bill Suttner; the three musketeers. 6. Mark's First Communion, 1975. 7. Mark with his bunny, 1976. 8. That smile was really contagious. 9. The face that everybody knew as a friend, 1975. 10. At Rec Park preschool, 1971. 11. Within his first year of life Mark had already developed his "jolly" personality.

Friend To All

"Mark kept all of us laughing by making everything seem so childlike. He never got mad at his friends for mistakes because he appreciated us for who we are. I'm sure that Mark is keeping them laughing in heaven. We love you Mark and will always miss you".

John Cruikshank

"Mark was the epitome of excellence. He was a conscientious student and one who brought his sense of humor into the classroom, thus providing frequent laughs for all. Mark's strong character was an inspiration. We miss him! We will always remember him and love him."

Ms. Petty

"Mark was the definition of a true friend."

Joe Suttner

"Mark added something to all of our lives. His smile and wit gave spirit to the school. He was looked at as a leader and rightly so. His name and spirit will live in our minds."

Eric Johnson

"Who else but a Talley could come up with green hair at Mardi Gras."

Mrs. Ransom

"A quick and winning smile, an affable and easy manner, a good student and a quick wit - THAT'S MARK TALLEY. I miss him."

Jack Wilson

"Mark, with his bright shirt, shorts and smile always tried hard, always wanted to know, and always found the humor. I miss him."

Don Woodsmall

"Mark was a true and loyal friend whose wit and charm was unmatched. He was a carefree unique person; one we all try to emulate. To everyone he met he left a lasting mark. I know he left one on my life."

Bill Suttner

"He was a fine young man. I can't remember ever having enjoyed a student any more than Mark. His presence was missed immediately."

Larry Cummings

"He added something special to every class, everything he did, and every life he touched. His sense of humor and special personality influenced us all for the better. He was a great, true friend and everybody had fun with him."

El Segundo Herald

The weekly newspapers of El Segundo

Crazy. Thoughtful. Serious. Every day at E.S.H.S. is full of emotion but, no matter how hard we try, we can't remember every feeling. The Golden Eagle staff has watched you all year in an effort to catch these precious moments. You are full of excitement and energy and our staff was right there catching the action and at the center of every emotion. As the year comes to a close we are sad to leave but we have learned a wonderful thing about life: no matter how impossible things may seem (which they did), we can do anything we want.

It seems that from the beginning there has been a black cloud over the class of 1984. It started in sixth grade when we moved to the junior high and lost our privilege of being the oldest, and of having seniority. In eighth grade we were moved to the east wing at the high school. Once more we lost seniority and spent the year feeling excluded in our own world.

Now, finally, we're seniors, ready to graduate, ready to receive our last yearbook. The yearbook staff worked day and night at the end of the year in an effort to get our yearbook finished by deadline. We made it! On Tuesday, May 1 at 11:00 p.m., the last one hundred pages were finished. On May 2 at 9:30 a.m., our representative picked up our pages in a brown box. Then disaster hit! The box containing our yearbook pages were lost on Imperial Highway where a man was seen picking it up. A week later when we thought there was no hope and the staff had started all over, we received a call from the police department. Our brown box had been found! After all these mishaps, after all our class has been through, the sun is finally shining.

To next year's yearbook editor: I wish for you a large and dedicated staff that will stick with you all the way. There will be many times when you will want to walk away. Don't do it! In the end you will be proud, and have the satisfaction that I have right now. I wish you the best of luck.

Special thoughts of appreciation go to those who made this book possible. Our photographer, Mr. Dan Jeldum, is a great friend who put in many hours of hard work whenever it was needed. Thanks also go to his students for the many rush jobs they did. Roberts Studio did group pictures for us. Jacquie Lowell worked very hard on the Diapers to Diplomas page and on the ad pages. Mrs. Romano gave us many answers and hours of typing. Ron Scott did a wonderful job soliciting all those ads for us. Freda Smith typed, proofread, wrote, and was expert pinch hitter for Dodi. Mr. Perino gave us extra staff and his confidence that we could get this job finished. Mr. Watkins helped on the sport pages. To our yearbook rep., Dave Sorenson, for all his encouragement and support, we give thanks. Our publishers made it all possible. To our adviser, Dodi Laubert, we say: "Well, Dode, it's not how well you begin, how you **end** is what counts!" Thanks to our staff for all their hard work. And to you for buying a yearbook. We, the class of '84: we're the class who's been through more!

Thank you all!!
